

CURE SICK HEADACHE

Each Headache is a warning that the trouble is not only in the head, but in the system, such as indigestion, nervousness, depression, after which the headache returns. It is a warning that the system is out of order. It is a warning that the system is out of order. It is a warning that the system is out of order.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000. The Guardian's daily circulation is therefore 1 to 13 of the population in the city in which it is published, or 1 to 13 of the population of the Province. This is the management believe unequalled by any daily newspaper published in Canada.

Take one of two comparisons with other evening newspapers in other cities and you will see.

St. John has a population of 40,000 and the Province of New Brunswick 320,000. The Guardian's circulation is therefore 1 to 13 of the population in the city in which it is published, or 1 to 13 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario

ONLY A Common Cold,

but it becomes a serious matter if neglected. Pneumonia, Bronchitis, Asthma, Catarrh or Consumption is the result. Get rid of it at once by taking Dr. Wood's Norway Pine Syrup.

Obstinate coughs yield to its grateful soothing action, and in the racking, persistent cough, often present in Consumptive cases, it gives prompt and sure relief. In Asthma and Bronchitis it is a successful remedy, rendering breathing easy and natural, enabling the sufferer to enjoy refreshing sleep and often effecting a permanent cure.

Mrs. C. Townsend, Lockport, N.S., writes: "I feel it my duty to let you know of my experience with Dr. Wood's Norway Pine Syrup. I was troubled with a cold and severe cough all the time, and very severe spells of Asthma. The doctors did all they could for me, but could only give me relief for a short time. I happened to see your medicine advertised and purchased three bottles, and it gave me great relief, and I do not cough at all. I do not know how to express my gratitude for what Dr. Wood's Norway Pine Syrup has done for me."

Dr. Wood's Norway Pine Syrup 25 cts. per bottle at all dealers. Put up in yellow wrapper, and three pine trees the trade mark. Refuse substitutes. There is only one Norway Pine Syrup and that one is Dr. Wood's.

If We Could Look at the Heart of a Pale-Faced Person!

Few people ever stop to consider what pallor to the countenance means. In the first place it indicates an absence from the blood of the rich, red, life-giving elements so requisite to health; and in the second place it indicates a weakened heart action. These two things act and react. If we could look at the heart of one of these pale-faced people, we would see it flabby, weak and palid. No wonder they are easily tired, get out of breath quickly, have palpitations, are nervous and downhearted. Their muscles are poor, their stomachs disordered, and their lives are seldom free from misery.

Let them take Milburn's Heart and Nerve Pills: there is no remedy to equal them for making pale faces rosy, weak hearts and shaky nerves strong, flabby muscles firm, and infusing new hope and ambition into life.

Mr. W. J. Churchill, Lombard, Ont., writes: "I was troubled for three years with a weak heart and nervousness. I could not sleep and ever so little food would distress me. I also had fainting spells, and doctored with three doctors but was growing worse. After taking three boxes of Milburn's Heart and Nerve Pills I feel as well as ever I did. They are the best pills on earth."

Price 50 cents per box, or 3 for \$1.25 at all dealers, or mailed direct at a reduced price by The T. Milburn Co., Limited, Toronto, Ont.

about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is 1 to 5 of the population of Toronto and 1 to 10 of the population of Ontario.

The point is this: The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.

50,000,000 FOR ADVERTISING

"James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars.—Newspaperdom."

Yet James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest his money in publicity will never accumulate a fortune.
