The Busiest Store on Charlottetown's Busiest Street

Tomorrow, Friday we begin the Midsummer Clearance Sale

At the end of each season it is the policy of this store to have a complete clearing of the decks, preparatory to bringing in the new season's merchandise. Never since the beginning of this business was there a time when this sale means so much to buyers as right now. Every item of merchandise that is offered now at a reduction, would cost more now to secure, on account of the great advances of price in almost all lines. In spite of the advances we are determined to stick to our old clean stock policy—every department will be cleared up—heavy reductions will be made throughout the store—the particulars are specified in this ad—read every word of it.
