Phillies Collect 5-3 Win From Brooklyn

(Canadian Press)
 Philadelphia Phillies collected only six hits yesterday but two of them, along with five walks in the sixth, produced five runs and enabled the Quakers to nip the second-place Brooklyn Dodgers 5-3 in a National League baseball game.

Southpaw Joe Hatten had the Phils blanked 3-0 going into the final sixth when he walked the fatal sixth batter and was lifted in favor of Clyde King. Jim Tabor greeted King with a two-run double. After Del Ennis was purposely passed to refill the bases, Al Lakeman popped out but King passed pinch-hitter Johnny Wyrostek to force in the tying run.

Pinch-hitter Don Padgett then came through with a single that sent Ennis and Wyrostek home with the winning runs. Ennis' consecutive hitting streak was halted at 19 games as he grounded out in his first two trips to the plate and was intentionally walked in his final two appearances.

Brooklyn's Jackie Robinson extended his consecutive game hitting streak to 18 by singling to centre in the seventh.

The only teams not represented by the starting lineup were Chicago White Sox and St. Louis Browns in the American League and Chicago Cubs and Pittsburgh Pirates in the National.

Joe DiMaggio of the Yankees was highest individual vote getter with a 769,194 total.

Player Injured

(AP)—Detroit's 26-year-old Detroit Tigers centerfielder was struck today after he was struck over the left ear by a pitched ball delivered by St. Louis Browns' Bob Rosenthal, but immediate indications were that there was no fracture.

There was betting in Detroit's seventh inning when the high inside pitch struck him a glancing blow on the head.

Wins Dash Race

(AP)—Veteran Stella Walsh, who has been competing in track and field since 1930, won a close victory in the 200-metre dash feature of the senior women's national amateur athletic union meet Saturday night.

The time was 36.2, well off her own United States record of 24.8 set in 1935.

Detroit Tigers Defeat Chicago White Sox 2-1

(Canadian Press)
 Big Alie Benton allowed only three hits yesterday in earning his fifth triumph of the year as Detroit Tigers defeated Chicago White Sox 2-1 for a split of their two-game series.

Detroit broke a 1-1 tie with an unearned run in the eighth. Jimmy Outlaw walked with one out, Pat Mullin struck out but Outlaw went to third when Cass Michaels lost Eddie Mierkiewicz's pop single in the sun. Mierkiewicz stole second and when Skeeter Dickey threw over Michaels' head, Outlaw scored.

Chicago scored its run in the third. Floyd Baker drew one of three Benton walks with two out and Dave Philley lined his seventh triple of the season into right, scoring Baker.

Thereafter Benton allowed only two more hits, two singles by the veteran Luke Appling.

Rochoon Wins Quebec Title

(CP)—Slender Henri Rochoon of Montreal appeared today to be a good bet for a singles spot on the Canadian Davis Cup team in the light of his play in the Quebec provincial tennis championships.

The dark-haired left-hander, who had a singles berth on the team that played and lost to Mexico last year, scored a convincing triumph here Saturday over Don McDiarmid of Ottawa to capture the Quebec crown. This is one of several tournaments on which selectors will base their Davis Cup choices.

Ridden by a British jockey, C. Smirke, the three-year-old chestnut stallion defeated Tournament, owned by Baron Godfrey Waldner, and Ciafar, owned by Marcel Boussa.

The winner collected 4,000,000 francs (\$40,000) for his victory over the 3,000-metre course.

Report King Clancy Out Of Danger

(CP)—Frank (King) Clancy, chief National Hockey League referee and one-time defence star for Toronto Maple Leafs, was "out of danger" in hospital tonight following an attack of double pneumonia which shot his temperature to 105 degrees.

Dr. Caven said he expected Clancy would be out of hospital within a few days.

Naval guns were first used in Europe in the 13th century.

ANT ANTIDOTES

The annoying summer pest, the ant, may be discouraged by keeping shelves, tables and floors free of crumbs, by storing food in ant-proof containers and by plugging holes in floors and walls through which they may enter.

S'side Kinsmen Winners Over Ch'town Squad

Alan Stewart shone at the bat and on the mound as the Kinsmen Juniors of Summerside defeated the Charlottetown Kinsmen Juniors last night at the High School diamond by the score of 6 to 4. Stewart collected a triple and double in three trips to the plate and holding the visitors to six hits struck out fifteen.

Ready, the opposing flinger, also pitched a fine game, giving up the equal number of hits and fanning ten, but there were three extra base blunts in the home team's total while the visitors' hits were confined to singles.

Productive of some of the keenest racing ever witnessed, an opening day the Summerside harness racing meeting yesterday afternoon held a record crowd of fans in a high state of excitement throughout the entire afternoon and with the horses bound to improve as the season gets along it appears as if the prediction that 1947 would mark a sensational season now appears justified.

◆◆◆◆◆
 In several instances yesterday favorites continued to take beating but the comment yesterday was that it was difficult indeed to pick the winners but the big crowd as a whole appeared satisfied with the judges' decisions and when the majority of an estimated 4000 agree the judges must be right.

This afternoon another four-class card, featured by the looked-forward to race for all will be staged and the racing, according to close followers of the harness game should be even better. One thing is certain and that is if the horses racing today get the same weather as yesterday fast times are bound to be chalked up.

◆◆◆◆◆
 Improvements made to the entire plant came in for much favorable comment yesterday. One very noticeable thing was the absence of the dust nuisance both leading to the track and at the track itself. Despite hard working efforts in the past it seemed impossible to entirely do away with it but yesterday afternoon anyway, no matter what happens in the future, the dust was non-existent.

◆◆◆◆◆
 Knights of Columbus Juniors showed plainly Monday night that they will be big factors in the race for the junior baseball crown of the city when they forced the Kinsmen to come from behind to gain a draw in a tightly played encounter.

◆◆◆◆◆
 Hitting well in the pinches the Knights showed they had the necessary fight to come from behind and with each appearance are showing more confidence and steadiness both at bat and at bat. Errors are still plentiful among all the clubs but this will straighten itself out as the league gets older and when play, time rolls around all three squads should be playing a brand of baseball comparable to that found in any centre in the Maritimes.

 Officials of the Illinois Boxing Commission are in the midst of a "lightening up" campaign to prevent any deaths in state prize rings. Secretary Jack Elder said yesterday.

◆◆◆◆◆
 "We're not taking any chances," he said, "and we've talked to all the promoters, physicians and everybody else to see that the rules for safety are followed."

The drive obviously stemmed from the death of Jimmy Doyle Los Angeles welterweight, after he was knocked out in Cleveland by Ray "Sugar" Robinson.

◆◆◆◆◆
 "We're very much concerned about ring padding," Elder said. "Our rules provide that there must be at least one and one half inches of felt padding under the canvas, and our men have been instructed to be certain there is that much over the boards."

◆◆◆◆◆
 "That's an important point. I've been in some rings where they just had the canvas over bare boards, and fighters can be hurt badly in a knockdown in a place like that."

◆◆◆◆◆
 Another rule which the commission was enforcing more strictly provides that no fighter who was knocked unconscious in a bout may engage in a fight in Illinois until the medical examiner approves.

◆◆◆◆◆
 "This rule was put on the books after Al Reasoner died of Freddy Dawson," Elder said.

◆◆◆◆◆
 Reasoner, a Chicago negro lightweight, died Dec. 21, 1943, from a traumatic cerebral hemorrhage and a hemorrhage of the right kidney. He lost to Dawson Dec. 20, congratulated his opponent, walked back across the ring and collapsed.

◆◆◆◆◆
 Only one other man ever died in an Illinois ring. He was Arne Anderson, a Minneapolis heavyweight, who collapsed in the ring Feb. 24, 1941, after the referee broke a clinch. An autopsy showed that he died of natural causes. A coroner's physician reported he had extremely small coronary arteries and died of a spasm.

Summerside Red Sox lost their first game of the season Monday night at the High School diamond, the Legion defeating them 6 to 4. Powell and Bernard each pitched eight innings, allowing 5 hits each, but sloppy play in the field proved the downfall of the Sox. They kicked in with six errors to the Legion's two.

Powell struck out ten and walked two, while Bernard whiffed nine and issued no free tickets. Bill Allen shone offensively getting 2 hits in the field and pulling off a snappy double. Morrison to Gaidet to Landry, and Schurman made a nice catch of Grady's foul fly.

West Critical Of Football Book

(By Norm Alstedter, Canadian Press Staff Writer)
 REGINA, July 1—(CP)—The west allegedly has been slighted again, this time in football literature, and Dave (Leader-Post) Dryburgh sadly states: "East is east and west is west on the gridiron."

Tinder of the blaze is a volume called "Canadian Football" by Jake Edwards, assistant coach and physical training instructor at Queen's University, Kingston, Ont. Dryburgh boasts the book as "a fine piece of work, jammed with the fundamentals of the gridiron pastime" but "... those who have spent time and money to sell the sport in the west will feel deflated when they read how Edwards brushes aside their contribution."

To Edwards' claim that "the west has always done its utmost to Americanize our game," the Regina sportswriter replied that such is and always has been the spirit of football in the Dominion. Canadian football never had been nationalized like hockey and curling.

And when it comes to mention of football greats of the west, Dryburgh is miffed that Edwards disregards the time Fritz (Twinkleton) Hanson of Winnipeg Blue Bombers, "ran right down town in Hamilton with the Grey Cup tucked under his arm."

Patty Creates Big Upset

(By Bill Macklin)
 WIMBLEDON, Eng., June 29—(AP)—Budgie Patty, 23-year-old ex-soldier from Los Angeles, assumed the role of giant killer at the Wimbledon tennis championships Saturday when he blasted Australia's second-seeded veteran, John Bromwich, out of the singles division, 6-4, 6-6, 6-4, 1-6, 6-4.

Pete Kelly In Fight For N.B.-P.E.I. Title

(CP)—The second round of the New Brunswick and Prince Edward Island golf tournament ended today with four players tied for first place in the amateur field.

They were John Steele, of Saint John's Riverside Golf and Country Club, Edwin Rowell, Halifax Golf Club, Walter Reed, Jr., Aroostook Valley Country Club, Maine, and Grant J. Campbell, of the St. Croix Club in New Brunswick.

All had 29-hole totals of 188. Pete Kelly, New Glasgow, N.S., who shared the lead with Steele for yesterday's first 18 holes, dropped behind today's leaders with a 154 total.

The six leaders will battle tomorrow afternoon in the final round for the title won last year by Ralph H. Barley, Moncton.

Steele repeated his 76 of yesterday while Kelly required two more strokes today. Crowell, Reed and Campbell carded a second round 75.

In the professional division the defending pro and open champion, Archie Skinner, took the lead on his home course. He added a 74 to his first round 72 for a 147 total—four strokes ahead of the field (Oliver Boots) Bard, New Glasgow, led the professionals yesterday with a 71 after Skinner faltered on the 18th green.

One of the finest rounds of the day was that shot by young Cecil Dowling of the Charlottetown Golf Club. The P.E.I. junior who registered a rough 84 on the first day of play, really focused the trouble and then came out with a 38 and 37 for a 75, the lowest amateur score so far in this year's tournament. This sparky round stamped the little islander with the close-cropped hair as a definite threat for the New Brunswick and Prince Edward Island junior championship which is to be decided at Riverside on Friday, July 11.

But while Cecil was burning up the course with pars and birdies, brother "Moise" was having his troubles. Most of them came on the treacherous, tree-lined second hole where he took 11 strokes before hoisting out and blew himself right out of the running for the championship. However, it is likely that he will still be given careful consideration in the selection of the Willingdon Cup team as it has been pointed out that the lowest scorers will not necessarily be chosen and that an attempt will be made to make the team as widely representative as possible.

The elder Dowling was not the only player who stumbled to the second hole. Riverside's Don Sinclair started pumping balls out of bounds from the tee and 10 strokes were counted before his ball finally rattled into the cup. He made a fine comeback, however, and managed to reach the clubhouse with only 81 strokes.

While the nerve-racking second hole sent many scores soaring and knocked more than one player out of the running, it was not so in every case. Steele posted a stroke with four holes to go and defending champion Harley scored a three for the first eagle of the tournament. Harley had his worries on other holes, however, and at the end of the second day of play was in seventh position with a 36-hole total of 189, seven strokes off the pace.

G.S. Sandy) Miller of the Algonquin Club continued his steady scoring to head the second division with a 36-hole total of 160. The young St. Andrews player registered two 80's for his total, but gave up reach two-stroke edge over James F. Foster of Riverside.

C.H. Adair of Moncton moved into a first place tie with A.C. Glennie, Riverside, in the third division with two-day totals of 177. Fourth division was led by H.N. Stetson, Riverside, with 164.
