SAVED FROM AN OPERATION

Restored to Health By Taking "Fruit-a-tives"

Made of Fruit Juices and Tonics

The most convincing proof of the true worth of "Fruit-a-tives" as a medicine for women is found in the letters written by them to "Fruit-a-tives". For instance: "I suffered with all the symptoms of female trouble, pains low down in the back and sides, constipation and constant headache. A doctor advised an operation. I started taking "Fruit-a-tives" and this fruit medicine completely relieved me of all my misery".

CREAM WILL CLEAR A Stuffed-Up Head

If your nostrils are clogged and your head is stuffed because of nasty catarrh or a cold, apply a little pure, antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief. Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more hawking or snuffing. Count fifty. All the stuffiness, dryness, struggling for breath is gone. You feel fine.

MOTHER SAW TANLAC BUILD UP DAUGHTER

Mrs. Baker, of Kingston Gives Medicine Full Credit.

"When I think of the wonderful change that has taken place in Kathleen's health, I just feel like praising Tanlac to everyone." recently said Mrs. G. Baker, 12 Earl St., Kingston, Ont., in describing the benefits her daughter, one of Kingston's most popular young ladies, received from the famous treatment. "Before taking Tanlac, Kathleen was dreadfully weak and nervous

and had such severe headaches she was almost frantic. Her sleep was broken and restless, she had deep circles under her eyes and would hardly eat anything. "But Tanlac has built her up until she is bubbling over with health and energy. She eats heartily, sleeps soundly, never seems to get nervous or have a headache and enjoys life to the limit. Tanlac is indeed a grand medicine." Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold. Tanlac Vegetable Pills for constipation made and recommended by the manufacturers of TANLAC.

A growing preference is expressed for KING COLE TEA. What other explanation could there be for its persistently increasing sale? Every year of the twelve that it has been before the public has marked its strong steady advance. A good long testing time—long enough to prove the merits or reveal the weakness of any article. Public confidence has been demonstrated in no uncertain way. The testing stage has been passed with honour.
