WARRINGTON WINS BOUT IN FIFTH

(C. F. By Guardian's Special Wire) HALIFAX, Oct. 11.—"Tiger" Warrington, the dusky scrapper from Liverpool, N. S., pounded Mickey Bishop of Boston around the ring for five rounds in scheduled 10-round bout here tonight before the Bostonian's seconds tossed a towel into the square.

Conceding more than 10 pounds to the Liverpool negro, Bishop started off fast in the first round and floored the "Tiger" near the end with a right and left to the jaw.

In the second round Mickey rushed to the attack again but was stopped by sharp lefts to the jaw and fierce rights to the body. His strong attack earned him a slight edge in the third frame when he concentrated on Warrington's body.

But after the start of the fourth round the Boston fighter appeared to be tiring and his attack lacked punch and precision. He was saved by the bell in this round when an enraged "Tiger" quit his defensive boxing and rushed him to a corner, smashing a barrage of lefts and rights to the head and body.

Coming out with the bell at the commencement of the fifth round, Bishop backed away, apparently still in a dazed condition after his beating in the previous round. But the negro's ire had been roused and he showed no mercy, chasing the Bostonian all around the ring for one minute and 20 seconds.

The spectators expected any minute to see Bishop collapse but his fighting spirit kept him going. He was taking a count and appeared to be ready to start the up'hill fight again when his seconds thought discretion the better course and tossed the towel to the centre of the ring.

ECONOMIC MISFORTUNES DEPRESS DUTCH WOMEN
AMSTERDAM, Oct. 10.—Women of the Netherlands are re-creating a little after having attained most of the objectives of feminism in the years immediately following the war.

They are being driven back by the economic misfortunes of this little state. Female employees of the Government must resign upon marriage, and the practice carries on by commercial firms.

But it is not "the" to the kitchen" movement such as goes on in Germany. The women of the Netherlands expect to reclaim their rights when the clouds of depression scatter.

Dresses are modish and hair is shorn. The Queen Wilhelmina will permit to her dress no woman with bobbed hair or cut-out dresses. Society women must make a choice, either to follow the court or follow fashion.

GOOD BUSINESS
A man who was selecting some neckties in a large store tossed one or two aside rather contemptuously. While waiting for his change after having made his purchase, he noticed that the assistant put those in a separate box.

"What becomes of those?" he inquired.
"We sell them to the women who come in here to buy ties for men," was the reply.

The annual rifle match for the City Championship trophy will be shot on the Charlottetown Rifle Ranges on Saturday afternoon starting at 2 o'clock sharp.

This match is perhaps the most important one of the season so far as City marksmen are concerned, carrying with it the championship of the City for the year and the custody of this beautiful trophy.

The City Championship Trophy must be won three times by the same person to be owned outright and although it has been in competition since the year 1908 it has so far successfully eluded all aspirants for permanent ownership.

The trophy is now in the possession of Q. M. S. A. Gormley who, along with several others has two wins on it, and it looks as if this may be the deciding year.

In connection with the City Championship match the Signals will shoot their D. C. R. A. Silver Medal competition.

GRIMES IS GIVEN RELEASE

(A. P. By Guardian's Special Wire) PITTSBURGH, Oct. 11.—Grizzled Burleigh Grimes, old man of the major league, got his "walking papers" again today.

President Bill Benswanger of Pittsburgh Pirates announced he had given the veteran his unconditional release to make room for any promising youngster who may fit into the club's roster.

Grimes, last exponent of "spit ball" pitching in the big leagues and a veteran of 19 years service, has taken more than one exit from baseball only to bob up with another club, but today's action may spell the end of his career so far as the majors are concerned.

In the last season, he saw service with the Cardinals and the Pirates in the National, and with the Yankees in the American.

Past 40, and with a lot of the slip gone from his speed ball, Grimes nevertheless performed creditably for the Pirates in a couple games last season but the odds were against him keeping up the performance.

Heiress Treated As Poor Orphan
(A. P. By Guardian's Special Wire) NEW YORK, Oct. 11.—Ten-year-old Gloria Vanderbilt, heiress to millions, was treated "substantially" like a "poor orphan" by her mother, it was charged today in testimony during Mrs. Gloria Morgan Vanderbilt's court fight for custody of her child.

Mrs. Laura Kilpatrick Morgan, mother of Mrs. Vanderbilt and grandmother of little Gloria, made the statement behind the closed doors of the courtroom where the action is being tried, with public and press excluded.

Justice F. Carey, summarizing testimony at the close of the session, said Mrs. Morgan had given "substantially" the same testimony she gave in an affidavit in which she described Gloria's treatment by her mother as that of a "poor orphan."

Rev. Dr. Falconer To Be Lecturer
(C. F. By Guardian's Special Wire) KINGSTON, Ont., Oct. 11.—Rev. Dr. James W. Falconer of Pine Hill Divinity Hall, Halifax, will deliver the Chancellor's lectures this year in Queen's Convocation Hall on October 29, 30, 31 and Nov. 1.

The general subject of his four addresses is "R. S. on and Art." The Chancellor's lectureship, founded and endowed by Sir Sandford Fleming of Ottawa, for many years Chancellor of the University, has always been utilized in connection with the annual theological gathering.

A man was persuaded to buy a barometer. It was the first he had ever seen. Shortly afterwards he met the friend who had sold it to him.

"Well," asked the seller, "are you satisfied with the thing?"

"Rather," came the answer, with enthusiasm. "I've had it a fortnight, and we've had fine weather all the time."

SPORTRAITS

Chuck Templeton's SPORTRAITS
Last night at the indoor circus at Summerside a large crowd roared their approval to four bang up bouts under the auspices of the Summerside Hockey Club.

The first bout was a furious affair, it was billed as an exhibition between Ernie and Calice Gallant but it was anything but a love match.

Young Hickley of Kensington lost a split decision to Emory Durant of Summerside in a savage two listed four round mele. The bout never slowed from bell to bell and both fighters gave and took plenty.

A drawn fight would have been a fairer decision as there was little to choose between the two. In the final six rounder Delaney of Free-town had to go an extra round to take a close decision from Davis McNeill of Lee 16 in a rough clouting battle.

Both boxers were very careful and only opened up when the pressure was put on. McNeill scored a knockdown in the fifth round to even up the fight but was unable to draw ahead in the last two.

Referee, Reg Saunders, Jack Wright. The holder of the ticket 301 won the door of a bag of flour donated by Robinsons Bakery—8 ing conducted by Rev. Dr. Vincent.

TEAMS BUNCHED IN BIKE GRIND

(C. F. By Guardian's Special Wire) MONTREAL, Oct. 11.—Teams were more closely bunched tonight than they had been since the start as Montreal's 11th semi-annual six day bicycle race neared the close of the fourth day.

After 114 hours of keenly contested riding, the pairs of Piet Van Kempen and Pierre Gachon, Joe Clignet and Freddie Olette, Frank Bartell and Laurent Gadou were in a three-way tie for leadership, having covered 1,644 miles and seven laps.

Van Kempen, the sturdy Dutchman, with his slight Montreal partner held no 1 spot by virtue of 245 sprint points to the 210 topped up by Clignet and partner.

One lap behind five teams were deadlocked, and two further laps in arrears were Torchy Pedersen, and Jules Audy, Montreal, a favored pair.

FOUNDED LEAGUE FOR PEN NAMES
(Canadian Press) NEW YORK Oct 8.—Ruth Hale, former wife of Heywood Brown, well known critic of this city, died recently. She was only 18 when she was a staff writer on Hearst Publications Bureau in Washington.

In 1922 she founded the Stope League, which two years later named a membership of 5,000 married women in New York State alone who used their maiden names.

A young actress one day lost a string of pearls, and she advertised the fact in a weekly journal. After a week she had not recovered the lost property, she answered excitedly "Yes and isn't advertising wonderful? The pearls I lost were only imitation, but those that have been returned to me are the real thing!"

MODERN CRUSOE FOUND
Paul Tile, a German, has been living as a modern "Robinson Crusoe" on a small island near Plat, Jugoslavia, for 32 years, and enjoys it.

He was discovered recently and now crowds are visiting the place. Even women, whom Tile dislikes, have "crashed" the island by wearing male apparel. The man planted orchards and vineyards, raised goats, kept bees, built houses, made fishing nets and tools, and a woven cloth for his clothes. He even built concrete bridges across the narrow strip of water which separates his island from the mainland.

Tile, once was a German hotel keeper. He divorced his wife in 1912, and since then has always shunned the sight of a woman. He sold his hotel, and bought the island, then disappeared on it.

Grim Tragedy Marred Yacht Organization

(By The Canadian Press) SAINT JOHN, N. B., Oct. 11.—This season, 40th anniversary of organized yachting on the St. John river was also the 40th anniversary of one of the worst disasters in the sport's history. Eight men drowned from the aloop-rigger Primrose when it foundered in a squall weathered the Mark Leaf, had sworn he would defeat vice-commodore Samuel Hutton, the Primrose skipper. Hutton went down with his ship after a squall struck.

Sunil, Gracie M. and Clyde were the other three who were rescued towards the harbor mouth with Primrose leading in a light westerly wind. After passing the first buoy Maple Leaf forged ahead, leaving Primrose and the Gracie M. alone, abreast in second place.

When the wind died to dead calm the fleet utilised every possible stitch of light sail. Suddenly a large black cloud was seen approaching from the west. A heavy squall struck with little warning. The Maple Leaf first to feel the blast, was slowly turning over but its topmast snapped and the craft righted. The Gracie M., still a formidable competitor among local yachts, weathered the blow, as did the Clyde and Sunil, although these four surviving craft limped home with canvas shredded and masts splintered.

Before anything could be done to help the Primrose she went over with her mainmast partly in the water. Her twelve occupants were thrown into the boiling sea as she filled over the starboard bow and started to sink. Hutton, when last seen, was still sitting aft with a hand on the tiller.

The crew sank, one by one, after desperate struggles. Only four could be saved by frantic manoeuvring of the official tug Little. Six bodies never were recovered but salvagers raised the Primrose. The dead, in addition to Hutton, aged 50, were: Fred Priest, 20, George Heathfield, 22; Albert Akerv, 23; Henry Bartlett, 27; James Hurley, 32; William Russell, 20; and Harry Hoyt 19.

The tragic end was the first break in the Paris' crew, Saint John oarsmen who won renown at international regattas. Elijah Ross was another member of the great quintette. Although these two rowed to fame at Paris in 1867, years later they became keen yachting rivals.
