CONGREGATIONAL MEETING. St. John's Church, Belfast is situated in one of the most picturesque spots in Prince Edward Island.

It was built more than eighty years ago, and stands today a monument of the courage, zeal, and liberality of the members of years gone by.

The annual meeting of the congregation was held on Tuesday the 13th inst. and largely attended. The report of the treasurer of the year, was very satisfactory showing as it did, quite a surplus after paying stipend, and for many improvements which had been made during the year.

It was decided by a unanimous vote of the congregation to proceed at once with complete and extensive repairs of the Church. A motion was also made to add \$100.00 to the salary of the pastor, Rev. S. D. McPhed, but Mr. McPhed declined any increase for this year, and begged that the motion be withdrawn, which appeal was reluctantly complied with.

Another motion was then made, that the pastor have four weeks vacation, and was unanimously concurred in by the congregation.
