Severely Afflicted With Kidney Disease.

Stone in the Bladder, Incontinence and Pains in the Back—Another Remarkable Cure Effected by Dr. Chase's Kidney-Liver Pills.

Mr. Wm. Boyne of 19 McGee street, Toronto, says:—"I was afflicted severely with kidney disease, stone in the bladder, incontinence, deposits in the urine, severe pains in the back, and strains over the loins. I was so bad that I had to get up two or three times in the night and could then only make water with great pain.

"Though long a sufferer and unable to work, I was confined to my bed for three weeks, and during that time thought I could not possibly endure greater misery. It was then that I began to use Dr. Chase's Kidney-Liver Pills. It is with gratitude that I say that they have freed me of all these symptoms, and made me a well man. I would not think of being without Dr. Chase's Kidney-Liver Pills in the house, and can also recommend Dr. Chase's Syrup of Linseed and Turpentine and Dr. Chase's Nerve Food as very superior medicines."

In every town, village and township in Canada just such cures are daily being brought about by Dr. Chase's Kidney-Liver Pills. They are no experiment, but a kidney medicine that has stood the test. One pill a dose, 25c a box, at all dealers, or Edmanson, Bates & Co., Toronto.

EVERY WOMAN NEEDS IT.

There are times when every woman is tormented by itching skin and would give anything for relief. There is a preparation known as Dr. Chase's Ointment, which is a prompt relief for these sufferings. Women prize it both for their own use and for its wonderful effectiveness in curing Baby Eczema, scald head, chafing, and the various skin diseases of childhood.
