THE MORNING GUARDIAN,

SATURDAY, JULY 20, 1901. A MATTER OF PRECEDENCE.

The Halifax Presbyterian Witness has raised the point that in the reception to the Governor General in that city, a place is given to the Archbishop of the Catholic Church and to the Bishop of the Church of England, but none to the Presbyterian Moderators, Methodist Presidents

And yet the explanation is easy enough. It is not the fault of the Governor General, or of the Government of the day, or of any official or body in Canada that the seemingly invidious distinction is made between the officials of the various religious bodies.

The Bishops are thus given precedence over members of the Federal Cabinet, over Judges of the Supreme Court of Canada, and over nearly the entire higher official staff of the country.

A late despatch tells that ham, potatoes, cream, cherries, peaches, apples and other fresh fruits are plentiful in Dawson and selling at exceedingly low rates.

Chief of Police Powell of Ottawa has been suspended pending the result of an investigation. There are 34 charges of drunkenness, misconduct and immorality presented in the form of sworn information by Detective Flanagan.

The Westmorland, N. B. oil well is still yielding oil, though not in any considerable quantities. The stock was quickly snapped up when oil was first found and none is now on the market.

It appears that the statement of Ottawa's population being 57,700 was first made in the Citizen of that city, and afterwards telegraphed all over the country.

The name of Smith is the most common one in England and Wales, Scotland, New York, Philadelphia and Boston. Jones is the second name in number in England and Wales.

Hearty Praise From Quebec.

A Racine Man Expresses Himself Strongly for Dodd's Kidney Pills.

His Letter is Typical of Hundreds lately Received from Lower Provinces—same Work being done all over the Dominion—Dodd's Kidney Pills stand alone in the conquest of Kidney Disease.

RAKINE, Quebec, July 19.—(Special).—It is a very strange thing, but lately all through this province, the people have been talking in a strange, downright way about the medicine, Dodd's Kidney Pills.

"I am going to say a word concerning Dodd's Kidney Pills," he writes. "I cannot do otherwise than praise this wonderful medicine heartily, for I am now, owing to Dodd's Kidney Pills, in perfect health."

A Fine Line of Perfumes just received exquisite odors on draught. We invite your inspection.
