Distress After Eating

Nausea between meals, belching, vomiting, flatulence, fits of nervous headache, pain in the stomach, are all symptoms of dyspepsia, and the longer it is neglected the harder it is to cure it.

Hood's Sarsaparilla and Pills

Radically and permanently cure it—strengthen and tone the stomach and other digestive organs for the natural performance of their functions.

Accept no substitute for Hood's. "My appetite was gone; nothing tempted me to eat, and what little I did eat felt empty and unpleasant in my stomach. I tried many remedies without any benefit whatever. Finally, Hood's Sarsaparilla having been recommended, I began its use. After taking one bottle my stomach would retain food, and my appetite began to improve. After taking three bottles I was completely cured." WILLIAM ROSS, Wellington street, Sarnia, Ontario.

Hood's Sarsaparilla promises to cure and keeps the promise.

Rev. Wm. Wass of Mt. Stewart officiated. The bride was attended by Miss Mary A. Craig and the bride-groom by L. Muel E. Jay. The presents were numerous, costly and beautiful. James McPherson, son of Capt. McPherson of the Minto returned Thursday afternoon from South Africa where he has been during the past three years. Some four years ago Mr. McPherson enlisted in the South African Constabulary at Moncton and went to the seat of the South African war. After some time he obtained his discharge from the Constabulary and entered the employment of the company having the management of cold storage on the South African Railways in which he has since been engaged as departmental manager. Mr. McPherson returned via England and expects to remain on the Island for some time. Speaking of times in South Africa Mr. McPherson says that the prospects at present are anything but good. The chiming of sleigh bells on the evening of March 4th last announced the fraternal visit of Refuge Division S. of Temperance of Fredericton to Carnegie of Bradsbane. Those Divisions being two of the largest in the Province, each having a membership of over one hundred, filled the spacious Hall to its utmost capacity. At 7.30 o'clock the Division was opened and after the usual routine of business came the rendition of an excellent program reflecting great credit on the youthful talent of Carnegie Division. Special mention must also be made of the music furnished by Bros Todd and Crabbe on violin and organ. Brother Geo Mallet in the course of a few well chosen remarks showed clearly the benefits derived from such fraternal visits. The Worthy Patriarch of Refuge was then asked to take the chair and the audience was entertained at length by the members of Refuge Division the program consisting of speeches, readings, solos and recitations. Cake and coffee were then served by the sisters of Carnegie in their usual good style after which the meeting closed in L. P. and F.
