PAID $30,000 HUSH MONEY TO THAW'S WOMEN FRIENDS

NEW YORK, April 2—Hush money to the amount of $30,000 was paid by Clifford W. Hartridge to a selected portion of the feminine acquaintances of Harry K. Thaw, according to Mr. Hartridge's own testimony today, in his suit to recover $92,082 for his services in the first Thaw trial.

Hartridge said he met 200 girls in Mrs. Susan Merrill's apartments. Mrs. Merrill was a witness against Thaw in his latest fight to prove his sanity. The largest payment alleged was $5,000 to a Mrs. Reed, with whom Thaw is said to have lived and who appeared in the testimony today as "Mrs. Thaw." The hearings will be continued next Monday.

SCHOOL TEACHER MURDERED.

SPRINGFIELD, Mass., April 2—It is many a year since this city has been so aroused as it is now over the wanton murder last evening of Miss Martha B. Blackstone, and the wounding of Miss Harriet P. Dow, a fellow-teacher, by a masked robber in the drawing-room of Miss Dow's home. The entire police department is concentrating its energies on the chase of the unknown slayer, but so far little progress has been made.

Two prize bloodhounds, "Mose" and "King Ky" will be put on the trail of the murderer tomorrow. With the absence of rain, it is believed the hounds will be able to run the culprit down.

Further improvement was reported this evening in the condition of Miss Harriet Dow, the robber's second victim.

Wonderful Cure Made by These Remarkable Fruit Juice Tablets.

Moorefield Magistrate Says "The Days of Miracles Are Not Passed."

His cure seems a wonderful thing to his family and all his friends.

Mr. Henry Speers, the well-known J.P. of Moorefield, Ont., suffered for two years with Chronic Indigestion and Dyspepsia, which brought on a serious Heart Trouble. He wasted away until he was nothing more than a skeleton. Two physicians gave him up to die.

Then his son made him try "Fruit-a-tives" and now Mr. Speers is entirely well. As he says "The days of miracles are not passed and I am convinced that 'Fruit-a-tives' will cure Stomach and Heart Trouble where doctors and everything else fail." 50c a box, 6 for $2.50, or trial size 25c. CALLS TORY ORGAN A "LYING SHEET"

MONTREAL, April 2—La Presse, having located F. D. Monk, M. P., at Fortress Munroe, Virginia, asked him what he had to say to the charge of the Toronto News to the effect that he had been intriguing against R. L. Borden, and the member for Jacques Cartier, replied immediately as follows:

"Telegram received, I have not seen the article mentioned. I have never intrigued or conspired against Mr. Borden or any one else. The Toronto News is a fanatical sheet that has been publishing lying and calumnous statements about me ever since I expressed my opinion upon the new naval policy.

ROOSEVELT WON'T MEET HIS HOLINESS.

ROME, April 4—The audience with the Pope, which had been arranged for ex-President Roosevelt won't take place. The Vatican expected a promise that Mr. Roosevelt would not address the Methodist Society here. Mr. Roosevelt declined to make such a promise and the Vatican arrangement has been called off. The affair has created wide interest.

ANXIOUS BRIDE-TO-BE.

ST. JOHN, April 3—Saturday last an English girl in St. John was given a heart anxious time as she waited for a reply to a telegram she had sent to her affianced husband, who had promised to meet her in St. John, but who failed to keep his word.

The girl was almost heart-broken for several hours while the telegraphers were endeavoring to locate the man, and when the reply finally came for the girl, once more a bride in prospect, she took the Montreal train for Fredericton.

ANCIENT INSCRIPTION.

HALIFAX, April 1—Dr. Allan C. Johnson, a young Nova Scotian, has made an important discovery at Athens while pursuing his investigations on the Acropolis. While carefully examining the stones which were built into the retaining wall of an ancient cistern, he found on one of these stones an inscription which had previously escaped observation because of its having been built into the wall in such a way that no letters were visible. The stone was removed and the inscription was found to be an attic decree of 303 B. C., enacted in honor of Nikon of Abydos, for having saved Athenians from drowning in the previous war. This valuable document, which is thirty lines in length, and contains historical information hitherto quite unknown, will be published by Dr. Johnson at an early date. It is worthy of note that his doctoral dissertation had to do with Attic decrees down to 300 B. C., and it must therefore be particularly gratifying to him to have made such an important contribution to the subject of his previous studies.

Dr. Johnson is a graduate of Dalhousie and Johns Hopkins Universities.

BIG FAILURE IN AMSTERDAM.

AMSTERDAM, April 2—Vreeswick and Galdermans, one of the most important of the firms of brokers on the oil exchange, failed today. The liabilities are reported to be between $1,250,000 and $2,000,000.

NEW YORK CENTRAL INCREASES TRAINMEN'S PAY SEVEN PER CENT.

NEW YORK, April 2—There was real money in the April fool's day purse the men of the New York Central picked up today. Late today, after a special meeting of the board of directors, a general order was issued increasing by seven per cent the pay of all employes on the New York Central lines, east of Buffalo, who now earn $200 a month or less. Vice-President C. F. Daly, said that the directors of the Lake Shore & Michigan Southern, the Michigan Central and the Big Four would probably take similar action at an early date.

WOOLLEN MILLS BURNED OWNER'S CLOSE CALL.

STRATFORD, April 4—The woollen mills, owned by S. Dufton, Limited, were, yesterday, destroyed by fire. While trying to remove the stock, a portion of the brick wall fell on Mr. Dufton, the proprietor, burying him in the ruins. He was badly crushed and burned, but will recover. The loss is $50,000, partly insured.

Two Mills Using Same Quality of Wheat May Not Produce Same Quality of Flour

The quality of flour largely depends on the milling. Two mills might grind wheat of the same quality and the product of one far outclass the other. It is not only the high quality of the hard wheat used, but also the superior milling facilities, that places "PURITY" flour so far above all others. Our milling plant at St. Boniface, Manitoba, cost nearly $1,000,000, and is one of the most perfectly equipped mills in the world. The wheat itself is subjected to the most wonderful system of cleaning and scouring, passing through twenty distinct machines. Fifty-five steel rollers, the largest in Canada, reduce the wheat into flour. Then it is purified and dressed by "bolting" it through silk sifters of fine mesh. Not a "branny" particle or speck of dust is ever found in "Purity" Flour.

You may have to pay a little more for Purity, but baking results, quality and quantity, prove it is worth far more than the slight difference.

We have two other modernly equipped mills at Brandon, Man., and Goderich, Ont.

"ENGLISH" LIQUID PAINT

Said the House-owner:

"Give me ten gallons of "English" Liquid White Paint.

"No, Sir! I won't take any other kind.

"Yes, that other paint may possibly be good paint, but if it is all right in every way, why don't the makers tell you, and tell me, frankly, what they are trying to sell us—namely, what is in the paint.

"I always use "English" Liquid Paint because the guarantee formula is on the can telling me that it is made of 70% white lead, 30% zinc white, pure linseed oil, pure turpentine and dryer. I know this formula is the standard in paint making and I know that I am taking no chance when I use that kind of paint."

"English" Liquid Paint made by Brandam-Henderson Limited, is very economical to use. Come in for a color card.
