WESTERN GUARDIAN

—CHROME HEADLIGHT glare controls keep lights on the road. \$1.25 per pair at Brace's. 9137-10-3-21.

—SPECIAL "LINCOLN" new auto storage batteries, low price at Brace's. 9137-10-3-21.

—LOBSTER CATCH GOOD—It is encouraging to have good reports from the lobster fishermen in the vicinity of Egmont Bay, Mr. X. O. Jallant of that place who was a visitor to Summerside on Saturday, says that the lobsters have been plentiful and prices good. S.

—CHILD DIES SUDDENLY—Much sympathy is felt for Mr. and Mrs. Herbert Milligan of Brae, in the very sudden death on Thursday, Oct. 1st, of their eleven year old daughter from heart trouble. The little girl was up and about as usual when she suddenly expired. Dr. Champion was called but under the circumstances did not consider an inquest necessary. The funeral took place on Friday to Milo Cemetery. S.

—LAD TO REST—The remains of little Edward, only son of Mr. and Mrs. James E. McDonald of North Bedeque, were laid to rest in the R. C. Cemetery at Summerside on Saturday morning. The funeral services held in St. Paul's Church were very largely attended by old and young. The convent children attended in a body and the little children who had made their first Communion with Edward were also present at the request of Rev. J. J. McDonald, pastor of St. Paul's Church, who said the Requiem Mass. The pallbearers were the deceased little playmates, Masters Charley Hogan, Billy Wood, Tanton McNeill and Kane Rattery. Rev. Bennett McDonald officiated at the grave. The large concourse of people who attended the funeral from town and country showed the deep sympathy expressed for the bereaved parents in their sad and tragic loss. S.

—QUIET WEDDING—A quiet wedding was solemnized in the Sacred Heart Church at Alberton on Thursday, Oct. 1st, at 7 p.m., when Miss Ann McDonald, daughter of Mr. and Mrs. Neil McDonald of Alberton, was united in marriage to Mr. Frederick Skerry of Portage. The bride, who was attended by Miss Aldona Gallant, wore a dress of blueorgette with dark blue coat and hat. Mr. Henry Wedge of Summerside acted as groomsmen. Rev. Father Campbell, pastor of the church, officiated. After the ceremony the bridal party left for Portage where a reception was held in their honour at the home of Mr. and Mrs. Killbride. Previous to her marriage the bride was tutored a miscellaneous shower at the home of Mrs. Stanley Gallant where she was the recipient of many lovely gifts. Mr. and Mrs. Skerry are very popular with the young people of Alberton. The groom is the teacher of Murray Road school and their many friends wish them every prosperity. S.

—ROAD IMPROVEMENT—Highway improvement in Kensington is progressing favorably. Workmen at present are busy on that part of the Lrishtown Road terminus that lies between the railway and Kennedy's Corner. This stretch was a veritable swamp in the springtime, and during and following a thaw, drivers of teams sometimes preferred to go around rather than pass over it.

BRINGING UP FATHER

IN MEMORIAM

MRS. MARY CHEVERIE

There passed away suddenly on Friday, Sept. 11th, Mrs. Mary Cheverie, who at the time of her death was visiting her daughter, Mrs. Kenneth MacDonald, 25 King St., Charlottetown, P. E. I.

For the past two years Mrs. Cheverie had resided with her youngest daughter Mrs. John Shephard, New Glasgow, N. S.

Mrs. Cheverie was 80 years of age and was a woman of sterling character and a sincere member of the Holy Catholic Church. Rev. Father MacArthur having visited her the morning she took ill. She will be sadly missed by all who knew her but especially so by her two daughters and her adopted son to whom she was a devoted mother. She leaves to mourn her loss two daughters, Mrs. Kenneth MacDonald, Charlottetown, P. E. I., Mrs. John Shephard, New Glasgow, N. S., who was also visiting her sister at the time of her mother's death, two grand children Eleanor and Irene MacDonald, an adopted son George, and one sister, Mrs. Thomas E. Sullivan, Brookline, Mass., who came on to attend her sister's funeral. Mrs. Cheverie's husband predeceased her seven years ago, also a son George Nelson who died in 1913. Her funeral took place on Monday, Sept. 14th, at half past nine to St. Dunstan's Basilica, where a requiem high mass was sung by Rev. Father MacArthur, thence to the Roman Catholic Cemetery where all that remained of a kind and loving mother was laid to rest to await the coming of the final resurrection. Father Maurice MacDonald officiated at the grave. May her soul rest in peace.

Cross, Mr. and Mrs. Irvin and Mac. Spray, family. Mass Cards, Mrs. Charles Hearn and Jimmy, Mrs. Barrett and family, Mr. Thomas Sullivan, Brookline, Mass., Mrs. Thomas Sullivan, Brookline, Mass. Spiritual offerings, Mr. and Mrs. William Gormley, Mrs. Elizabeth Shephard.

Letter of sympathy, Mrs. John Gillan, New Glasgow, N. S. 9182-10-5 (New Glasgow paper please copy.)

Making More Butter

A statement just issued by the Dominion Dairy and Cold Storage Branch shows that butter production in Canada has apparently increased during the seven months ending July, 1931, by 25,379,726 pounds or about 15.5 percent as compared with the corresponding period of last year.

But truckmen are busy hauling gravel from the Gorman pit, and Messrs. Shea and Somers are building up the deposit into most approved form. When finished, the street will be elevated three feet above the original level, and the viaducts on either side will carry off all water that may seek egress. The surface will be finished hard, and no fear is anticipated that it will not maintain its firm surface during the whole year. Both civic and Government authorities deserve the gratitude of the travelling public for this piece of necessary and acceptable work.—Y.

PERSONALS

—Miss Jean Crag is visiting relatives in Bedeque.

The Misses Marjorie and Verna Darrach, Charlottetown Royalty are spending the week in Moncton and St. John.

—Miss Pearl G. Campbell has returned home, after spending her summer holidays with her sisters, Misses Helen and Mildred, also her brother Earl in Allston, Mass.

—Dr. A. L. McDonald, crack rifle shot of the Summerside range, attended the Thanksgiving shoot on the Kensington Range at Charlottetown on Saturday. S.

CHURCH SERVICES

TRINITY UNITED CHURCH

Rev. C. H. Huestis, D. D., General Secretary of the Lord's Day Alliance of Canada, occupied the pulpit at the morning worship and delivered a very fine sermon in which he presented an appealing argument why the people should carefully guard these spiritual values for which Sunday stands. His text was from Romans 9-19 "Even the creation waits with eager longing for the sons of God to be revealed" (Moffat). Dr. Huestis referred also to the 21st chapter of the Revelation of St. John, "I saw the new heaven and the new earth and I heard a loud voice out of the throne crying, Lo, God dwelling place is with men, with men will He dwell; they shall be His people and God will Himself be with them." We want to get back to God for it is God alone who can solve the problems of the world. Sunday is a day to cultivate the pleasure of the presence of God.

In the evening the subject of Rev. Dr. Ramsay's sermon was "Deborah and her victory," the account of which is in the fourth chapter of Judges which was read as the scripture lesson and in a vigorously delivered address Or. Ramsay applied the lessons to be gained from that interesting story. Some of the thoughts gleaned were that there is always a danger in days of peace to become materially minded and to seek contentment and pleasure rather than the higher things of life. Every evil sowing means an evil harvest. Leadership is essential. The leaders led and the people followed willingly. The leaders must be worthy if the following is to be efficient. Jehovah fought for Israel and Israel fought for Jehovah.

The flowers which adorned the pulpit were presented in memory of the late Rev. J. C. Martin who passed away one year ago. Special mention must be made of the service of praise which included an anthem both morning and evening under the efficient leadership of Prof. A. R. Kendall who also gave a recital for fifteen minutes before the evening worship. Mrs. Arthur Roper also was heard with very great pleasure in the solo "I know that my Redeemer liveth," sung in her usual capable manner.

Watch Cheese Curing During Fall Months

When with use of suitable chemicals they can be converted into manure the question "Why burn straw stacks?" is really pertinent. Straw is worth something more than as a bedding material, and not the least valuable is its use for the making of artificial manure. The use of 100 pounds of ammonium sulphate and 100 pounds of lime to each ton of straw and this thoroughly soaked with water produces a manure of distinct fertilizer value. From three to six months is required for the organic changes to become effective and the resultant substance has much of the appearance and practically the same value, as barnyard manure.—Dept. of Agriculture, Ottawa.

Cattle Export

OTTAWA, Oct. 4.—Cable advices received today by the Federal Department of Agriculture emphatically stress the utmost importance of restricting further exports of live cattle to the British market to only top quality stock. Returns to Canadian shippers are being adversely affected by the low rate of exchange, and only such stock as will make top prices on the market can be expected to secure anything like a satisfactory return in the markets at Glasgow and Birkenhead. Conditions are well illustrated by the following extract from today's cable: "Birkenhead top quality cattle sevenpence to sevenpence halfpenny dressed weight including offal. Secondary quality trade bad

SALE OF LINENS, NAPKINS, ENGLISH SHEETS

owing to too many inferior animals and prices ranged from sixpence halfpenny down, with none of the S. S. Manchester Commerce cattle, which included a considerable percentage of inferior animals, sold on the opening day."

Canadian exporters can contribute toward stabilizing the market, and at the same time secure maximum rates available, by practising the strictest selection with respect to future commitments.

The general situation in Great Britain is unsettled, and there is nothing at the present moment to indicate immediate improvement. By the close of October, the usual seasonal firming of prices by twenty to thirty shillings per head may be expected, accompanied, it is hoped, by improvement in the exchange situation.

WELLINGTON SCHOOL

Honor Roll for month of August and September:—

Grade IX—1, Yvonne Gaudet; 2, Austin Delaney; 3, Preston Barton. Grade V—1, Imelda Arsenault; 2, Grace Barlow; 3, Kathleen Wadman. Grade IV—1, Cletha McAusland; 2, Agnes Birch; 3, Allison Delaney and Fredora Arsenault, (equal). Grade III (Div. 1)—1, Phyllis Gaudet; 2, Reta Gallant; 3, Mar-

jorie Barlow and Edith Delaney, (equal).

H. Gallant, D. Lowell Barlow, D. H. Gallant—Principal. Josephine Gallant—Assistant.

A Record Shipment

A new record for fall freight was set up this month when a carload of potted plants from a Vancouver grower shipped to the Dale Estate at Brampton, Ontario, crossed the continent in nine days. The ship-

ment marks an important new development in Canadian horticulture as heretofore all potted plants were imported by the trade. There were about 14,000 plants in the shipment, which included an assorted variety of Phoenix, Rochelent, Boston and Whitmanii ferns, some very fine large specimens of Kentia Palms, from ten to fifteen feet high, and Aspidistra — Dept. of Agriculture, Ottawa.

FRUIT SALAD

4 oranges, 2 peaches, 2 pears, 1-2 cup cherries, lettuce. Pare oranges peaches and pears. Cut oranges in slices and cut the slices in halves. Cut the peaches and pears in slices. Pit the cherries. Mix the fruit together lightly and serve on lettuce hearts on individual plates.
