IN FAVOR OF WOMAN VOTERS.

LONDON, May 25.—After an uproarious suffragette scene at Westminster Hall, Secretary Haldane declared himself in favor of votes for women on the ground that the whole tendency of the age was toward minimizing the difference of sex, and their political consequences. He said that there had lately been a reaction against Woman Suffrage which would be only temporary.

MORE DEADLY THAN CANCER.

It is said on high authority, that cancer causes only 30 deaths in every thousand deaths, while indigestion causes, directly or indirectly, fully one-half of all the deaths in this country. Indigestion starves the body, weakens the nerves, poisons the blood and in short, reduces the life-power and vigor in its victims. You need not fear indigestion, if you take after meals a dose of the famous digestive tonic Mother Seigel's Syrup. It is made wholly from herbs, and corrects the disordered stomach as no other medicine can. Mrs. Ralph Stephenson, of Varennes, P.O., Huron County, Ont., wrote on Jan. 23, 1909, saying: "We have used Mother Seigel's Syrup for years and always keep it in the house. As a stomachic medicine we recommend it very highly. It always keeps us healthy and well." Price 60 cts per bottle. Sold everywhere. A. J. White & Co., Ltd., Montreal.

What came near being a bad drowning accident took place near the mouth of Summerside harbor on Sunday afternoon last. Four young men B. Gillis and E. Sudsbury of Summerside with two sailors off the bark Abeona were out in a row boat when the light house the boat upset throwing all occupants into the water, a sail boat some distance away noticed the boat upsetting and went to the assistance of the boys arriving there just in time to save one of the boys who was near exhausted.

A bad runaway accident took place in Summerside on Sunday evening last. While the horse driven by Geo. Godkin with Mrs. Godkin and little Eric McKay in the wagon, was near the residence of Neil McLeod the bit broke. In attempting to stop the horse Mr. Godkin was thrown from the wagon, the horse ran the full length of Water Street and upon turning the Clifton Corner the wagon upset throwing Mrs. Godkin and the little boy against the high board fence, the horse still continued on and was caught at the head of Queens Wharf. With the exception of a few bruises and a bed scare the occupants of the wagon escaped without serious injury. The wagon and harness was badly smashed but the horse escaped without injury.

Mr. H. Heyman, 132 Colborne Street, Kingston, Ont., says: "Mi-on-na is worth its weight in gold as a remedy to quickly cure long-standing cases of dyspepsia. For years I had suffered with my stomach and could not get any relief. I could not eat anything, as it would sour and form gas on my stomach that had a pressure on the heart. Heavy pains would come around my sides and pit of my stomach. I was unable to sleep for this and there was nothing to relieve my miserable condition. I was weak and languid and would feel as tired in the morning as on going to bed and perspiration would break out all over my body. I would be so weak from vomiting that I would fall to my knees. My head would ache and spells of dizziness would leave me unable to see. Doctors had termed the trouble gastritis, but failed to benefit me. I tried Mi-on-na, on advice of a friend, which has cured me when all else failed. I am sound and well and feel grateful to Mi-on-na for my present health. It's the known results obtained by Mi-on-na that places it far and away above all other remedies and confirms Geo. E. Hughes in offering to refund the money if Mi-on-na fails to cure stomach trouble, 50 cents a box. Relief in twenty-four hours.

Before Stipendiary Tweedy at Alberton, yesterday A. W. Crosby, O'Leary was convicted of a first offence against the prohibition act, and was fined \$100 and costs.

Minard's Liniment Co., Limited. Yarmouth, N. S. Gentlemen—In January last, Francis Leclerc, one of the men employed by me, working in the lumber woods, had a tree fall on him crushing him fearfully. He was, when found, placed on a sled and taken home, where grave fears were entertained for his recovery, his hips being badly bruised and his body turned black from his ribs to his feet. We used MINARD'S LINIMENT on him freely to deaden the pain and with the use of three bottles he was completely cured and able to return to his work. SAUVEUR DUVAL, Elgin Road, L'Islet Co., Que.
