YOUR HAIR TURNING GREY OR FADED

Restored Immediately To Dark Beautiful Color by Hay's Hair Health

There is no need of any one now-a-days having grey or faded hair, or dread either, that causes it to fall out constantly. Falling hair and dandruff ruin a beautiful head of hair in no time and grey and faded hair make you look so much older than you really are.

Hay's Hair Health used regularly will bring your hair back to its natural color quickly and more effectively than anything else. It is so easy to use; just apply a little at night, according to directions, and you'll be delighted and surprised at the almost immediate change.

Often a single application will do wonders towards restoring the hair to its natural color. People everywhere are using Hay's Hair Health in preference to any other preparation to restore their hair to its dark, beautiful, glossy natural color, because it does it so much quicker and more satisfactory and is so much nicer and cleaner to use.

Druggists will refund your money if Hay's Hair Health is not satisfactory after a fair trial.

Free: Sign this adv. and take it to the following druggists and get a 50c size bottle of Hay's Hair Health and a 25c size bottle of Hay's Soap free, for 50c, or \$1.00, 25c bottle of Hay's Hair Health, and two 25c cakes of Hay's Soap free, for \$1.00.
