IT IS FOT IN THE BLOOD

Medicine Taken Internally Cannot Cure Eczema. It is Caused by Germs.

Eczema cannot be overcome by ordinary treatment and the old-fashioned way of dosing the system with drugs. Eczema is caused by a parasitic germ that bores into the skin. It is generally a contagious disease. Until the parasite is completely destroyed and removed, eczema cannot be cured. Fully one-third of skin diseases are in the form of eczema. We so thoroughly believe that Rexall Eczema Ointment will overcome eczema and allied skin ailments, that we unhesitatingly promise to promptly return the money paid us for it should it in any way be unsatisfactory to the user.

Because of its remarkable cleansing, antiseptic, germicidal, soothing and healing influence, Rexall Eczema Ointment has a very pronounced value in the treatment of skin diseases, especially where the form of ailment is of the chronic, aggravating sort. We highly recommend it for the dry scaly form or the weeping type, where there is a constant flow of ill-smelling excretion.

Rexall Eczema Ointment is very prompt in relieving pimples, blotches, skin discolorations, ringworm, acne, nettle rash, tetter, hives, ulcers, insect bites, and for healing sores and wounds. It is a pleasant smelling, grayish-white ointment, and is very cleanly for use. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store. MacKinnon Drug Co.

The Government steamer Minto has been assigned to the surveying of Hudson's Bay and Straits this summer. It is determined by the Government as speedily as possible to have Hudson's Bay Route chartered so that navigation may be conducted with safety as soon as the completion of the Hudson's Bay Railroad. The object of this expedition is to investigate the entrance to Nelson River with a view to determining the feasibility of establishing the terminus of the Railroad there. It is as yet undecided whether the line will terminate at Nelson River or Churchill and the result of the Minto's trip the decision will hang. The surveying party on the Minto, which is now being fitted in Halifax, will be in charge of Capt. Fred Anderson, son of Alex. Anderson, City, and they will be absent from the first week in July until the end of October.

At the Kaiser-Anderson wedding of Wednesday in this city, referred to in that morning's Guardian, the service was choral and the church was very beautifully decorated for the occasion by the girl friends of the bride. There were many handsome and valuable wedding presents. The groom's gift to the bride was a pearl bracelet, and a set of hand engraved toilet silver, to the bridesmaid a bar of pearls and tourmalines, to the groomsmen a set of gold cigarette links, and to the ushers scarf pins in the form of a small gold riding crop. The groom received as a wedding gift from the Masonic Lodge in Halifax, of which he is Master, a handsome chair, and from the 63rd Regiment, of which he is Lieutenant, a set of table silver. The gifts to the bride included cheques from her father and mother and brothers. Mr. and Mrs. Kaiser received hearty congratulations from many friends assembled at the station to bid them farewell. Miss Anderson is a cultured and popular young lady, and Mr. Kaiser a successful young business man, who is well known and highly respected in Halifax. To the happy couple the Patriot extends hearty wishes for a happy and prosperous wedded life.
