—**MASONS CELEBRATE 75TH ANNIVERSARY**—The beginning of the first lodge of Freemasons in Prince County was depicted to those who gathered in the Masonic Building, Summerside, on Monday evening, when the play "In Double Harness" was presented. This was written especially for the 75th anniversary of Hiram and Lebanon Lodge, Summerside, by R. V. Harris, K. C., Grand Master of Masons in Nova Scotia. It portrays the organization of King Hiram Lodge, in St. Eleanors, in September 1859. The lodge first met in a room over James Campbell's store and the first members were then well known members of the Island community, their names, however, might seem strange to many of the present generation. Josiah Grant, who drove the mail coach on the "Old Town Road," Jedidiah Carvell, who taught school in St. Eleanors, James Campbell, storekeeper who later moved to Summerside are all represented as are Robert Hutchison, Elias Barnard and Charles Bell of Charlottetown. Following the organization of this first lodge in St. Eleanors, others were formed at Summerside, formerly called "The Wharf," and Fort Hill and later in Crapaud and Kensington.—S

—**TO SPEAK IN SUMMERSIDE**—Rev. A. S. Rogers of St. John, N. B., will be the special speaker at the anniversary services at Trinity United Church, Summerside, on June 10th. This will be of particular interest to Summerside citizens as Rev. Mr. Rogers is a well known speaker and a relative of a former pastor of Trinity Church, Rev. Mr. Rice.—S

—**RETURNED FROM WORLD TOUR**—Miss Constance and Marion MacArthur, daughters of Senator Creelman MacArthur and Miss Harriet Bradshaw, daughter of Mr. and Mrs. Melville Bradshaw returned on Monday evening from New York. The young ladies had been on a most delightful trip round the world and saw much to interest them at the different places they visited. They remained over the weekend in Moncton, crossing to the Island on the first trip of the car ferry.—S

—**CARD TOURNAMENT AT SEVEN MILE BAY**—Monday night, May 21st, was the occasion of a very large gathering at Seven Mile Bay Hall for the final card party of the season. Thirty-three tables participated on the contest. Great interest was manifested throughout the entire play, especially in playing-off for the sectional trophy. Prizes were given for the first hour and a half's usual round. Lucky winners were: Mrs. John Murray, Borden, lady's first, and Mr. Leo Warren, Albany, gent's first, with Mrs. Jno. J. McIsaac, Borden, and Mr. Basil Noonan, Albany, getting consolation prizes. In the succeeding play-off between Bedeque, Albany, Cape Traverse and Borden, enthusiasm ran high, with Bedeque winning out in the persons of Messrs. Russel and Earl Hammill, defeating all-comers and winning the much-coveted laurels of the season. The general freeze-out prize for the night was won by Mr. Harry Nuttall. Lunch was served by the ladies of the parish. An hour or so of dancing closed the evening. Messrs. Jas. O'Connell, Agnew Wedge and Elmer Sherry supplied the music. All anxiously look forward to an early resumption of these friendly activities thus far so successful.—S

—**PASSED AWAY IN MISCOUCHE**—There passed away about four o'clock on Monday morning at his home in Miscouche John Gallant, a prominent resident and farmer of the district. Mr. Gallant had been in failing health since last fall, but had only been in bed for two weeks previous to his death. He was a man with many fine characteristics and will be mourned by a wide circle of friends. There are left to mourn besides his widow, four sons, Aubin and Joseph in the United States, Edmund and Arthur at home; and four daughters, Mrs. Wilfred Birch at Miscouche, and Mrs. Albert Arsenault, Mrs. Lena Smith and Miss Mellina Gallant in the United States; also one brother, Brazil Gallant and one sister, Mrs. Fiedle Gaudet in Miscouche and to all of whom much sympathy is extended.—S

—**CRIPPLED CHILDRENS CLINIC**—On Tuesday the Town Hall was the busy scene of the Red Cross semi-annual clinic for crippled children, conducted by Dr. T. B. Acker. Orthopedic specialist of Halifax. Fifty-three handicapped children attended the clinic from all sections of Prince County. Miss Wilson, Director of Public Health Nursing and Miss McKenna, District Health Nurse and Miss McDonnell, Red Cross Masseuse, assisted at the clinic and moving pictures of the children and examinations were taken by Mr. O. C. Craswell. Three children, one wry neck case and two with dislocated hips, which had been under treatment for some time, were discharged as cured with excellent results and four others were temporarily discharged. A number of other children who had been wearing apparatus or carrying out special exercises for strengthening of weak muscles at home, showed marked improvement.
