

DR. WATSON'S TONIC
ALE & STOUT MATERIALS

The consequences was that I was unable to nurse my baby with best results. She came on so well and was so little trouble in every way that our family named her "Dr. Watson's Tonic Stout Baby".

I was inspired by that to write you with regard to advertising it more for nursing mothers. I have recommended it to my mother. Even our chemist's wife began with it after we explained why we purchased it. Although he sold it, he was unaware of the fact it was so good for nursing mothers.

I sincerely hope this letter may interest you and that your product may be advertised more and thereby benefit hundreds of mothers, with your sales increased.

Yours faithfully,
 (Sgd.) MRS. HUMPHREYS.

Ever one — woman and man — will derive benefit from Dr. Watson's Tonic. It is obtainable in your locality send 7% for package making four gallons (state whether or not you want to be sent a sample).

IN MEMORIAM

BRADFORD CHESTER McLURE

Seldom has a deeper sorrow been cast over any community than was realized by the people of Brackley Point and vicinity when they learned of the death on Friday afternoon of Bradford Chester, youngest son of Mr. and Mrs. Colin McLure at the early age of 17 years.

Brad, as he was familiarly called, was in his usual good health until about a week before his death when he developed quinsy which settled into pneumonia and despite the efforts of medical skill and tender nursing his gentle spirit returned to God on the above mentioned date.

Brad was of a genial and loving disposition, a general favourite with young and old, and the host of sorrowing friends who gathered to pay their last tributes to one they loved and testified to the high esteem in which he was held by all. He will be greatly missed in the home by his parents, and among the young people of the community where his musical talents were widely known and appreciated.

It is hard to understand why so young and promising a life should be cut off at the very verge of manhood, but we know that God in His supreme wisdom had a higher purpose in view for him than this life could afford.

There are left to mourn the loss of a loving son and brother his father and mother, three sisters and three brothers viz: Roma, Mrs. I. G. McLure, Moncton, N. B., Hilda, Mrs. C. W. McArthur, Lebaron, N. J., Thelma Mrs. J. T. Coles, Stoneham, Mass., Borden of Worcester, Mass., Penton and John of Charlottetown, to all of whom sincerest sympathy is extended.

The funeral which was held on Tuesday afternoon was one of the largest ever seen in the community. The pall bearers were six of his chums and school mates, W. Roberts, G. McCallum, W. McArthur, C. Hughes, K. Stewart, G. Shaw.

The beautiful funeral service was conducted by his pastor, Rev. Mr. Wilson and Rev. Mr. Brown of Charlottetown.

Mr. Wilson spoke very touchingly of the strong faith the deceased young man had in Christ, his bravery in facing death and the fine example his life and death were to the younger generation.

I can not say, and I will not say
 That he is dead—He is just away
 With a cheery smile, and a wave of
 the hand,
 He has wandered into an unknown

Do not allow worms to sap the vitality of your children. If not attended to, worms may work irreparable harm to the constitution of the infant. The little sufferers cannot voice their ailments, but there are many signs by which mothers are made aware that a dose of Miller's Worm Powder is necessary. These powders act quickly and will expel worms from the system without any inconvenience to the child.
