

Weak, Tired Women.

How many women there are that get no refreshment from sleep. They wake in the morning and feel tired than when they went to bed. They have a dizzy sensation in the head, the heart palpitates, there is a miserable feeling of languor that makes getting up in the morning a torture, and the lightest household duties during the day a drag and a burden.

They are irritable and nervous, weak and worn out, and everything in life looks dark and gloomy.

Nature intended women to be strong and healthy and happy as the day is long, instead of being sick and wretched.

Milburn's Heart and Nerve Pills are the very remedy that nervous, tired out, weakly women need to restore them the blessing of good health.

They give sound, restful sleep, tone up the nerves, make the heart beat regular and strong, create new red blood corpuscles, and impart that sense of buoyancy to the spirits that is the result of renewed mental and physical vigor.

Mrs. E. Fisher, Chief Companion, Maid Hope Circle No. 83, A.O.F., whose home is 95 McCaul St., Toronto, Ont., made the following statement: "It was a fortunate thing for me I heard of Milburn's Heart and Nerve Pills and I started using them, or to-day I might be in my grave instead of as I now am, in perfect health."

For over six months I was greatly troubled with my heart and nerves. My heart would palpitate and beat irregularly and sometimes seem to almost stop. I felt tired and weary in the morning, and weak and miserable all day, scarcely able to drag myself about. I was also greatly troubled with spells of dizziness, which came over me at times and caused me much alarm.

Milburn's Heart and Nerve Pills have made a wonderful change in me. My heart now beats strong and regular. I have had no more of those dizzy spells, and am at present stronger and healthier in every way than I have been in months.

I sleep well and my sleep is restful and refreshing. I consider Milburn's Heart and Nerve Pills a grand remedy for people having any heart trouble, or who are weak, run down and nervous."

Milburn's Heart and Nerve Pills are 50c. a box, three for \$1.25, at all druggists or by mail. T. Milburn & Co., Toronto, Ont. See that the red heart is on every box.

PEOPLE USED TO SAY TO THE DENTIST "I WANT A SET OF TEETH."

And no thought was given to the arrangement, contour, etc. Now it is different. The comfort, health and appearance depend upon dental skill in constructing and properly fitting an artful substitute for the natural teeth. For the choice of teeth to produce the most natural expression, must be made into account the characteristics of the patient.

To determine the most desirable material for the base or plate in the case the Dentist's skill is called upon to advise. In fitting and constructing the highest mechanical art only can effect the most thorough efficiency and comfort in all the offices that teeth must perform. Our experience in work. Our superior mechanical facilities, the fact of this branch of business being in charge of an expert justify the assertion that we will replace the natural teeth as nearly as it is possible for skill to accomplish. All who contemplate wearing artificial plates desire to know something of their manufacture. We are always glad to talk about our work and show samples of many of our interesting cases.

We make eleven different kinds of plates.

We make "Teeth without plates."

You can call in the morning and get your teeth same day.

We make a complete set of artificial teeth from \$5.50 and upwards.

We extract teeth free of charge when new teeth are ordered.

We guarantee satisfaction.
