PRIEST BROKE UP DANCING PARTY

MONTREAL, July 11.—Father Holland has recently been engaged in a temperance campaign in the County of Two Mountains.

He was assisting at a religious service in a certain place when he noticed the absence of the young people, who, he thought, should be out in greater numbers. On enquiry he learned that there was to be a dance at a farmhouse in the neighborhood.

A NEW ISLAND COMES TO FRONT

NEW YORK, July 21.—A Tacoma special to the Times says:—A new island has risen above the sea near Boroslov Island, Alaska, which was thrown up by a similar eruption about 100 years ago.

The infant island presents a superficial area of several acres and with Boroslov and another smaller island, which rose from the depths in 1882, form the points of a small triangle about 70 miles west of Unalaska.

News was brought to Unalaska by fishermen who were unable to approach the island, because the water surrounding it was still seething from heat, indicating that the island's upheaval was of recent occurrence.

When the observers attempted to approach the new island closely they found the water so hot they were compelled to keep away. The Alaska Peninsula and its land extension, the Aleutian chain of islands, Laina, Volcanic belt, and occasional eruptions occur throughout the length of the Peninsula and the Archipelago.

Modest Claims Often Carry the Most Conviction.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, in stead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by all druggists.

A ZULU RISING IS PREDICTED

JOHANNESBURG, Transvaal, July 21 The disquieting rumors that the natives of the Umland contemplated an uprising on July 18, was borne out by the fact that native servants have warned their mistresses, to retire to places of safety.
