THE PINEAPPLE CURE

Is not only the Pleasantest but the Surest Means of Cure in all Stomach Troubles.

Dr. Von Stan's Pineapple Tablets are an unfailling and delicious remedy for dyspepsia and all the distressing consequences of impaired digestion. The juice of the pineapple abounds in vegetable pepsin, an invaluable product in that it is Nature's chief aid in digesting all kinds of food. Dr. Von Stan's Pineapple contains this grand tableted essence of the luscious fruit in a condensed form. Eat them like candy, or let them dissolve in the mouth. They are pleasant and pleasant; will at once relieve all the afflicting symptoms of faulty digestion, and will cure the most inveterate case of dyspepsia. Box of 60 Tablets, 35 cents.

Sold by S. W. Dodd and G. E. Hughes.

THE BLUES.

The Blues is the name given to a painfully common disease. The symptoms are a strong feeling of disgust at the world; a stronger feeling of disgust at one's self; utter loss of hope in the ultimate triumph of virtue in the present state of society, and total all-embracing dissatisfaction with things that are.

It is astonishing how easy it is at times to be seized by a fit of the blues. A fancied slight, an imaginary trouble, an exaggerated idea of one's own insignificance brought home by some cause or other, will all separately or combined bring on an attack of this complaint. At times the mind is so open to attack that everything is tinged with morbidness. The sight of the happiness of others, or even the effort of one's friends to please one's self are but the excuse for bitter thoughts and unwholesome fancies.

The Blues is apparently on the surface a disease of the mind. But after all, the old fashioned question, put to one's self when one feels an attack coming on—"Now what have I been eating?" will discover the cause every time. The cause of the Blues, lies in the stomach. Dodd's Dyspepsia Tablets will remove the cause instantly. The stomach has a closer bearing on the condition of the mind than insults, slights or outside excitements of any kind. If digestion is perfect one is happy. And on the other hand who ever heard of a happy Dyspeptic?

Dodd's Dyspepsia Tablets are for sale at all druggists at fifty cents a box, six boxes \$2.50, or will be sent on receipt of price by The Dodd's Medicine Co., Limited, Toronto.

CHURCH COURTS.

May Differ and Split Hairs on Doctrinal Points but may Join Hands for Humanity in Proclaiming the Virtues of Dr. Agnew's Catarrhal Powder.

Catarrh, that dread menace to humanity, attacks the high, the low, the rich, the poor, the learned and the illiterate, but Dr. Agnew's Catarrhal Powder is the sovereign cure and needs no more reliable testimony of its efficacy to cope with and cure this disease than that such eminent divines as Rev. W. H. Withrow, Methodist; Rev. Mungo Fraser, Presbyterian; Bishop Sweatman, and other prominent leaders in the Church courts, who have over their own signatures testified of its virtues. What better evidence for you that it will cure you.

THE GUARDIAN regrets to learn that Mrs. John Clay is seriously ill.

CAMPBELL HOTEL.—J. B. Ryan, N. Hamm, Melpadia, Quebec; R. A. Elliott, Elliott's Mills; James Robertson Queen's Point; J. J. Bird, P. Que. Ohio.

Dr. Campbell and Mrs. Campbell of Stanley Bridge were in town yesterday. Rev. William Townshend will occupy the pulpit at both services in the Presbyterian Church here tomorrow.

The Tryon Driving Park is sending three horses to the Halifax races on the 26th and 27th, Minnie 2.24 entered in the 2.25 class, Jack 2.29 in the 2.25 pacing class and Hildred 2.45 in the 2.35 pacing class.

In time of peace prepare for war. Altho it is warm now winter is sure to come. Why not have summer heat in your homes during the winter by getting a Cumberland Furnace from J. A. Morrison, Summerside—192 a w 1m.

Mr. George Schurman of New York, a brother of Mr. Major Schurman, of this town, accompanied by his nephew Master Schurman a son of President Jacob Gould Schurman, were passengers by the Northumberland yesterday, morning returning from a visit to relatives on the Island.

GEORGE ROBINSON of the Mechanics Mfg. Co., returned yesterday morning from a business trip to Mirimichi. His voyage home which was by schooner from Mirimichi was a somewhat eventful one for a land man, the recent severe storm having overtaken them en route, apart from the severity of the gale. Mr. Robertson had fortunately no unpleasant experience to relate.

The Schr. Minnie Scot, which was wrecked at Cape Traverse some little time ago is now drifted and lying across the channel of Cape Traverse Wharf. The storm of Wednesday night caused this, and the proper authorities should have the Minnie Scot's remains removed at once so that traffic may not be impeded as it is at present. The storm was very fierce here, many buildings under lobster factories were washed out by the action of the sea and extreme high tide.

Mr. S. N. Dawson, owner of the North Tryon Driving Park, intends holding another race meeting on or about the first of October. This trot is sure to be a success as was his last one. The classes probably will consist of a free-for-all, two thirty and three minute. This track is in elegant condition and Professor Rockford is a busy man handling many of the best horses in this country, viz., Minnie, 2-24, Jack 2-29, Black Prince, 2-38, Hildred 2-45. N. T. O. Oward. Brilliant and Jack Dean. It will thus be seen that Mr. Dawson will have little trouble in filling his races.

In another column will be found the advertisement of the Charlottetown Driving Park Races changed on account of some of the classes not having filled. On Thursday next the 14th inst these classes, the 2.25 free for all and 2.30 will be trotted. All these classes have been well filled. In the first are Minnie, Ban Prince Tansy Romp L. Joe Youngheart and B. J. U. All these horses are fast ones and will make a great race. In the free for all there are seven entries every one of which is a good one. Warren Grey with a record of 2:12 1/4 who this week captured the free for all at Bridgetown N. S. Provider who captured the Free for all on this track last year—Montrose who made a splendid fight in the same class last year and who now has a record of 2:20. Minota an old friend and one that is considered one of the surest trotters in the Province and others. Warren Grey and Minota we understand have not met in a race since the former made his record and the latter was not there then. This track we believe will be their first meeting and a grand race is expected. The owners of the other horses in the free for all do not seem at all despondent and as they are all fast ones this race is still indeed a free for all.

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

Disinfects and thoroughly cleanses the delicate mucous membrane with untried remedies.

Dr. Fowler's Extract of Wild Strawberry has cured over 40 years of cure to its credit and never fails in the severest cases.

Diseases such as Diarrhoea, Dysentery, Inflammation of the Bowels, Cramps, Colic and Summer Complaint, are recognized as being cured exceedingly satisfactorily.

When you or any member of your family is attacked, you want a remedy you are positive will cure. These diseases are too serious, too rapidly fatal if neglected, for experimenting with cheap and dangerous imitations of the genuine Dr. Fowler's Extract of Wild Strawberry. You want something that will without fail, touch the spot and check the advance of the disease promptly.

Mrs. Middleton Wray writes from Schomberg Ont., as follows: "Dr. Fowler's Extract of Wild Strawberry is the best remedy I know of for Summer Complaint and Bowel Diseases of children. I have used it in our family for the past seventeen years and never had occasion to call in the doctor for these troubles, as the Fowler's Extract always worked like a charm." Refuse all imitation. Many of which are highly dangerous.

Artificial Teeth on Metal Plate

A dentist who knows his business, and one that has any regard for his patients will always advise them to have a metal plate.

PROF. MELVILLE B. BUCKLEY,
Instructor Boston Dental College, Boston Mass.

In view of the vast amount of injury done to the mouths of wearers of rubber or vulcanite plates, by the retention of undue heat owing to the non conductivity of rubber, and as aluminum is now so cheaply produced and making as it does a rigid, light, cleanly unobjectional plate there seems no reason why any person should wear a rubber or vulcanite plate. Not only this, but better results in fit and adhesion are obtained in difficult cases, than in the use of rubber.

L. P. HASKELL, D. D. S.
Chicago Ill. Dental School

The above quotations are from hundreds by eminent dentists whose close observation in many years experience in plate work has learned them the many advantages of metal over rubber.

Many persons who are compelled to wear artificial teeth on a plate find that the ordinary plate causes heating of the mouth, bad taste, shrinkage of the gums, etc. finally causing the plate to get loose, sometimes sore lips, sore mouths and sore throats, and caused directly from the wearing of an ordinary plate.

We recommend a Metal Plate either of Gold, Platinum, Aluminum. It is a conductor of heat and cold, it is non-irritating, and is thinner, lighter, and stronger than any other plate.

We have testimonials from persons for whom we have made metal plates—not one would wear an ordinary plate again. You can have your impression taken, and a metal plate made same day fully guaranteed because we make them ourselves, and know all about the material used. Call and see specimens of our work. Every piece of work done by us must give entire satisfaction to the patient, else we will not allow it to leave our office.

EASE AND DISEASE

A short Lesson On The Meaning Of Familiar Word.

Disease is the opposite of health. We never defines disease as "lack of uneasiness, trouble, vexation, disgust." It is a condition due to some derangement of the physical organism. A majority of the "disease" from which people suffer is due to impure blood. Disease of this kind is cured by Hood's Sarsaparilla which purifies, cleanses and vitalizes the blood. Hood's Sarsaparilla cures scrofula, salt rimples and all eruptions. It tones stomach and creates a good appetite and it gives vigor and vitality to the whole body. It reverses the condition of things, giving health, comfort and "ease" in place of "disease."
