

# FREDDIE KEIRSTEAD'S CASE.

### His Legs, from His Feet to His Body Entirely Raw, and Ran a Blood-Tinged Irritating Water.

### THE CURE B. B. B. MADE IN HIS CASE WAS PERMANENT. IN EIGHT YEARS THERE HAS BEEN NO RETURN OF THE DISEASE.

The triumphs of Burdock Blood Bitters over disease are eclipsing anything ever heard of in the annals of medicine. The cases being published from time to time showing how thorough and permanent are the cures made by this remedy, are making the sick and afflicted consider whether it is worth their while wasting money on medicines that can only offer them temporary relief—and perhaps not even that—when a few bottles of B. B. B. will do all that any medicine can do in giving temporary relief, and besides, will make a cure so permanent that there will be no return of the trouble.

FREDDIE KEIRSTEAD.

In the severest forms of skin diseases, Salt Rheum or Eczema, Tetter, Shingles, Ring Worm, B. B. B. applied externally and taken internally will take out the burning and itching, give prompt relief, and make a permanent cure.

It was so in the case of Freddie Keirstead of Snider Mt., N. B.

He had one of the most aggravated cases of Salt Rheum ever known.

B. B. B. cured him so thoroughly that after eight years the disease has

shown no signs of returning. Read the following letter just received from his mother:

"With gratitude I can testify to the wonderful curative powers of Burdock Blood Bitters. Eight years ago our little son, Freddy, was afflicted with salt rheum and was in a dreadful condition. His legs, from the soles of his feet to his body were entirely raw, and ran a bloody water, which appeared to burn and itch until he was often in great agony. After trying several remedies, we resolved to give B. B. B. a trial.

"You can imagine with what delight and gratitude we saw our boy entirely cured after using one bottle and part of the second. We gave him the remainder of the second bottle, and from that time till the present he has never had a sign of salt rheum or a sick day. You need not wonder that I think there is no other medicine can equal Burdock Blood Bitters to purify the blood and build up the health and strength."
