IN RABBIT BUSINESS.— Much credit is due to Mr. W. R. McKay, Brackley, for starting the first pedigreed English Chinclla Rabbitry in that vicinity. It is understood he had some fine stock, about ninety pairs, which he has easily disposed of, not only to his neighbors but others at distant points. Competition is going to be strong as Messrs. Newson, Bryenton, Mellett and Clark have also purchased some of his fine young breeders, which will no doubt be heard of in the near future.

HOME FROM THE WEST. — Rev. Herbert R. Vessey of the Saskatchewan Conference, son of Mr. William Vessey of York and brother of Mrs Hammond Vessey arrived home for a visit on Friday via Pictou, N. S. Mr. Vessey has been twenty-four years in the West where he has held fine pastorates and enjoys the great spirit which the freedom of Saskatchewan gives. He received his early education at York public school and from there he went to Prince of Wales College and then to Wesley College, Winnipeg in connection with Manitoba University where he graduated in 1907.

You'll Get Rid of Blackheads Sure

There is one simple, safe, and sure way that never fails to get rid of blackheads, that is to dissolve them. To do this, get two ounces of peroxine powder from any drug store—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear. Blackheads are a mixture of dust and dirt and secretions that form in the pores of the skin. The peroxine powder and the water dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition.

Protestant Orphanage Children Enjoy Picnic

The Ladies' Auxiliary of the Orphanage entertained the children of the Protestant Orphanage at the summer cottage of Mr. and Mrs. Hooper Horne, North River, on Friday afternoon, June 25th. The children called it a picnic, and such for them it undoubtedly was, and it was intended to be. Perhaps because of so many strangers on the bank, the tide appeared very shy and distant during most of the afternoon, but many managed to get wet for all that.

Games of many kinds were enjoyed in which several of the grownups joined, but when the car with the treats arrived, including the ice-cream, these were soon dropped, so follow "Reader" to the next act.

Time—4.30 in the afternoon. Place—A shaded grassy spot before the Cottage, and the Cast—30 children without a home, being arranged in a circle by members of the Staff and others, anxiously awaiting the pleasure of their entertainers, every eye on the spot from which soon comes the abundance of good things to eat and tea.

All workers received their pay immediately and in full in the happy satisfied smile beaming on the face of every child there. Too soon with Mrs. Horne at the head of the table, cutting the ices, poured the the gathering up of the toys began, the cars were ready and the laughing crowd scrambled in, then amid the waving of good-bys a song sprang up that was soon lost in the distance, whereupon the workers returned to the cottage to clean up, tired no doubt, but still smiling.

Then the curtain falls, but tell me, "Reader," which had the better time at this picnic—those who gave or those who received?

Many thanks are due to Carvell Bros., Ltd., city, R. E. Mutch & Co., Ltd., for donations of candy; the Telephone Co., for loan of auto truck fitted for the job; to many private car owners; to individuals for donations of cake, sandwiches, etc., and assistance in entertaining and to Mrs. H. H. Horne for the use of their beautifully situated cottage, as well as her untiring efforts for the day's success and thus happy ending.
