—PRODUCE PLENTIFUL—Considerable produce is coming to market with prices about the same except loose hay, which, with a strong demand, has advanced to \$12 to \$13 per ton. H.

—POLICE COURT—At the Police Court on Monday morning, a drunk was fined \$1 and cost, judgment was given in the cases of three men, charged with gambling, they were convicted and each fined \$3 and costs. H.

—HOCKEY—An interesting game of hockey was played at Crystal Rink on Wednesday evening between the Beavers of Bedeque and Brace and McKay's team. The game resulted in a score of 4 to 1 in favor of Brace and McKay. The game was refereed by Mr. George Morrison. H.

—HARVESTING ICE—The ice harvest is at present being taken up, the crop is magnificent and of unusual thickness, averaging from 24 to 28 inches, and every available team is engaged at hauling ice which is being stored in the different refrigerators and ice-houses of the town. H.

Sulphur Clears Up Rough Or Red Skin
Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breakout out of the skin, even fiery, itching eczema can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowley's Mentho-Sulphur from any good druggist and use it like cold cream.

—MINSTREL SHOW, Montague March 23rd. 17-6c.

—NARROW ESCAPE—Mayor McLean of Montague received a very nasty fall on the sidewalk while coming from church on Sunday week last. It was surely thought some bones were broken as Mr. McLean had to be assisted as he fell. Quite a shaking up was apparently the worst he received. J.

—PLAY ENJOYED—Our Montague talent gave a splendid demonstration of their ability as stage artists, when they presented the play entitled "The Private Tutor" in the Oddfellows Hall, Montague on Friday evening, Feb. 16th inst. The Hall was filled to its capacity, over one hundred and fifty dollars being realized, which goes toward building a new school, of which so many think the town is sorely in need. This play was written up by the Women's Institute. Our comedian friend, Mr. William Stewart, excelled himself in carrying out the funny part of the programme. The singing by our new neighbor, Mrs. Segar, must not be overlooked. Mrs. Segar possesses a splendid voice, and it was certainly kind of her in contributing to the success of evening. J.

BE CAREFUL WHAT YOU WASH YOUR CHILD'S HAIR WITH

If you want to keep your child's hair in good condition, be careful what you wash it with.

Do not use prepared shampoos or anything else that contains too much lye alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multisified coconut oil shampoo (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can not possibly injure the hair.

Simply put two or three teaspoonfuls of Multisified in a cup or glass with a little warm water, then moisten your hair with water and rub the Multisified in. It will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get Multisified coconut oil shampoo at all drug stores. It is very cheap, and a few ounces will last everyone in the family for months. Be sure you get Multisified. Beware of imitations. Look for the name Watkins on the package.

—EGG CIRCLE MEETING—The annual meeting of St. Andrew's Egg Circle will be held in the Schoolhouse on Monday, Feb. 26 at 7 p. m. If stormy first night following. D. F. Egan, Secretary. 11

—NEW BAKESHOP—It is understood a bakery has been started in Montague. This will fill a long felt want, as for the past a number of years immense quantities of bread have been coming to Montague, not only from Charlotte town but also from the mainland. Breadmaking is apparently a thing of the past in town of Montague. The bakery is not as yet in full swing, but with the opening of spring, sufficient equipment will be installed to meet all requirements. All kinds of bread, both plain and sweet, pastry, etc., will be supplied. As this new industry will prove a benefit to the town, a generous patronage should be accorded it.

—Howard Vickerson returned to Montague after a business trip to Charlottetown. Mr. Vickerson is a member of the firm of Vickerson Bros., our most up to date grocers. This firm shows every consideration for the public, owning the only grocery delivery team in the town. J.
