CARD !

CHARLOTTETOWN, March, 4, 1901.

ELECTORS OF EAST QTEENS:

GENTLEMEN: You are aware, no doubt, that a new Election for East Queen's has been ordered for 20th March.

Time will not permait me to make a personal canvas, nor will I be able to hold many meetings, but have selected a few central places and must depend on the active work of the friends of our party in every poll. I again urge upon our friends to keep within lawful bounds, using no liquor nor money but to put forth every legitimate effort for the success of Liberalism which is clearly the best for this country.

As the Liberal Government has been so handomely returned throughout the Dominion, and their policy so generally approved of, I need not enter into the public questions so fully as I did during the last campaign. It is not open to argument that the interests of the Riding will be more sympathetically treated if are presentative is elected to support rather than to oppose the Government that is generously doing justice to this Riding.

The greatest need of the Province which I see is to complete the Southern Railway and Hillsboro Bridge, and also to obtain an additional annual cash subsidy from the Dominion Government.

I will devote my energies as your representative to secure these for the Province.

It is a high honor to represent so large a Riding and a great responsibility as well. I shall, if elected, try to perform my duties as your representative for the general good.

I must express my gratitude for all the kindnesses received during the recent campaign in the different parts of the District.

Yours Faithfully,

March 5. daw td D. A. MACKINNON.

CANCER,

THE MOST MALIGNANT DISEASE TO CURE.

The action of B. B. B. on Cancer is first felt by reducing the pain, afterwards the healing commences restoring a healthy condition to the flesh surrounding the parts affected.

TREATMENT:—Bathe freely with B.B.B., and take internally according to directions. Three bottles will prove its efficacy for relieving or curing any kind of cancer.

MR. GEO. MEGGISON, of QUINN, ONT., writes under date of Dec. 17th, 1900, of the wonderful benefit he has received from the use of B. B. B. for cancer on the throat, from which he has been suffering for seventeen years:

"Seventeen years ago a cancer formed on my throat just beside the wind-pipe.

I doctored with several physicians, but they failed to give me a particle of relief.

Some of them advised an operation, others cautioned against it as the cancer was in such a delicate place.

But to make a long story short, for seven years I suffered untold agony, until at last the cancer broke and discharged a thick bloody matter, after this it would heal up and a scab would form, but would eventually drop off and leave the opening larger than before. I suffered this terrible agony until a short time ago, when I happened to read of Burdock Blood Bitters being good for cancer, and I decided to procure a bottle, but hardly had faith in anything and did not dare to think of it giving me any relief.

However, I started applying it to the sore with a piece of cotton. I also took the B. B. B. internally according to directions.

I had not used the treatment long before I could notice a great change for the better, and believe by continuing its use I will ere long be permanently cured. I cannot too highly recommend B. B. B. to any person who is troubled with cancer.

The E. T. Corsets are the best that brains can conceive or hands fashion. They are built to assist Nature—they support and strengthen natural charms of figure and are as comfortable as they are elegant in appearance.

Better Fit—Longer Wear.

These are advantages that the Safety Pocket gives to our "EMPIRE" and "FLORA" corsets. It gives a pliancy that is just sufficient to bring out the natural charms of the form, and by preventing the steels from cutting and tearing it vastly increases the wearing qualitities. We are sole proprietors of this invention which is to befound only in our corsets. Imitations are worthless. Ask the salesman to show you "EMPIRE" and "FLORA."
