

INCALCULABLE GOOD,
AN EXPRESSION OF FAITH.

Dr. Ward's Blood and Nerve Pills have done me an incalculable amount of good. I think they are the best, surest and quickest acting cure for nervousness, unhealthy action of the heart, insomnia or sleeplessness, anemia or impoverished blood, loss of appetite, general debility and ill-health. For nine years, before I commenced taking Dr. Ward's Blood and Nerve Pills, my heart was weak and in an unhealthy state. Its action was so much impaired that I could not walk across the street without suffering great distress, my heart fluttering and beating so rapidly that I could scarcely breathe, causing faintness, loss of strength, and leaving my nerves all unstrung. My sleep was very much disturbed, I had no appetite and there was little strength or vitality in my blood; I was always excessively nervous.

I have now taken three boxes of Dr. Ward's Blood and Nerve Pills and since taking them I have not been away from my business an hour. Before taking these pills it was a frequent occurrence for me to be away from business. As a result of taking Dr. Ward's Pills my heart is perfectly healthy and strong and gives me no distress or trouble whatever. They removed all nerve trouble, made my nerves strong and gave me healthy sleep. These pills also made my blood rich and strong and gave me a healthy appetite. Dr. Ward's Pills have given me perfect health, restoring my lost strength, in place of continual ill-health, weakness, heart trouble and nervousness. In justice I cannot speak too highly of this wonderful medicine. Signed, Miss N. Millward, Walton St., Port Hope, Ont.

Dr. Ward's Blood and Nerve Pills are sold at 50c. per box, 5 boxes for \$2.00 at druggists, or mailed on receipt of price by THE DOCTOR WARD CO. Limited, 71 Victoria Street, Toronto. Book of information free.

THE marriage of Miss Fanny H. Longworth, youngest daughter of the late Henry Longworth, Esq., of Glynwood, and Mr. A. A. McLean, Q. C., was solemnized in St. Paul's church at an early hour yesterday morning. The ceremony was performed by the Rev. J. T. Bryan, in the presence of a large number of the relatives and friends of the principals. The church was very prettily decorated in honor of the occasion. The bride wore a dark green travelling suit with hat to match, and carried a bouquet of white flowers. Miss Katie Davies, the bridesmaid, wore a navy blue cloth dress, with cardinal trimmings and hat to match, and carried a bouquet of cardinal roses. Mr. James Hyndman supplied the groom. The wedding presents were costly, the groom's gift to the bride being an elegant gold watch. To the bridesmaid he gave a handsome curb bracelet. After the ceremony Mr and Mrs. McLean left on a wedding tour, which will include a visit to Montreal, Boston and other cities. THE GUARDIAN unites with their hosts of friends in wishing them abundant happiness.

LOCAL COUNCIL.—A meeting of the L. C. W. will be held at Prince of Wales College next Saturday afternoon, the 29th inst., at 8.30 o'clock. It is earnestly requested that all delegates and members of Executive will endeavor to be present.

AT the funeral of the late Mrs. Phillips of Montague, the horse of Mr. John A. Annear became frightened and bucked the waggon against a high bank. Mr. Annear was thrown violently to the ground. We are glad to announce that though badly shaken no bones were broken and he was able to proceed home afterwards.

THE funeral of Isabella—relict of the late James Phillips of Montague, was largely attended—evidencing the high esteem in which she was held by all classes. She leaves one daughter to mourn the loss of a kind and indulgent parent. Mrs. Phillips was in delicate health for some time but the sad end came suddenly on the 20th inst. when she breathed her last.

TWO MADE HAPPY.—An event of no ordinary importance took place at the residence of Mr. Donald McEachern, Summerville, on Wednesday evening, Oct. 19th, when his third eldest daughter, Lauretta, was united in holy bonds of matrimony to Mr. Peter H. Stewart, Mt. Albion, by Rev. W. H. Spencer, Montague. Miss Ida McEachern, sister of the bride, acted as bridesmaid, while Mr. John R. Stewart supported the groom. Only about forty of the nearest friends of the contracting parties were present. After doing ample justice to the various duties customary on such occasions, a few pleasant hours were whiled away with music and games when the happy couple left, amid showers of rice, for their new home in Mt. Albion, accompanied with the best wishes of a host of friends for a long and happy wedded life. The wedding presents were numerous, elegant and useful, thus showing the esteem in which the bride was held. Congratulations.

THE Canadian Pacific Railway, has been unremitting in its efforts to give to the travelling public a train service unexcelled by any road in Canada, and to-day has a train consisting of first and second class coaches, dining and sleeping cars, which in beauty and completeness are unequaled by any on the continent. The truth of this statement is very evident by the very heavy travel on their train between Montreal and Halifax, and the public who travel between these points are loud of their appreciation of the accommodation which this line affords, and it seems now an understood thing, that if a passenger wishes to go to Montreal or any of the upper Canadian cities, he travels via the C. P. R. Particularly noticeable are the palace sleeping cars which are run on this line. They are the very newest vestibuled cars, and are fitted throughout magnificently. The car is lighted throughout by electricity, each berth having its own separate illuminator. It would be indeed difficult to make the slightest improvement on this service. This company are now advertising to run a cheap excursion to Montreal and the western cities, and persons intending to avail themselves of the exceedingly low rates, have at their disposal an "all that can be desired" train service.—26 21

OUR GIRLS ABROAD—Amongst the names of the Canadian nurses who are honorably mentioned for caring for the American soldiers at Detention Camp, Montauk Point, Long Island is that of Gtrude E. Munn, P. E. I. Canada. Miss Munn is the second daughter of the late Donald Munn, Esq., Rosneath Mills, King's County. Success to our brave girls! Canadian Volunteers, have no fear for the future.—Com. (Island papers please copy.)

THE outward passengers by the Boston boat yesterday included Mr. and Mrs. Emery Gridley, Master Floyd and Miss Ediel Gridley, who left on return to Illinois after spending the summer with friends in this province. Mrs. Gridley is a daughter of the late Wm. Wood of Pownal, and a sister of Mr. R. J. Wood, Hillsborough Street. She left her Island home twenty-two years ago and this is her first return during all that time. Her visit was saddened in a sense, though in another more filled with pleasure, by her being enabled to be present at the deathbed of her father, whose health had been comparatively good up till the present summer. Mr. Gridley is an American and was delighted with this his first visit to the Island. From Charlottetown they proceeded to Boston, New Bedford and New York, where they will visit friends. They expect to reach their home in Illinois about the first of the year.

MANY friends of the Institution will be pleased to learn that already a large amount of work has been performed towards the erection of the new P. E. Island hospital. The excavating has been completed, which of itself was no small undertaking. The basement masonry is also completed, it being built of stone with brick mounting to the height of one story. The brick abutments throughout the basement are also built. Work has been suspended until the arrival of some lumber from New Brunswick, when the brick work will be continued several feet higher. The building will be on the northeastern side of the field leading from the railway crossing to the exhibition grounds. The location is a beautiful one and commands an admirable view of the harbor. Work is also steadily progressing on the new Prince of Wales college, under the superintendence of Mr. J. K. McDonald, the popular contractor.

REVIVAL MEETINGS AT KINGSTON—At Kingston there has just been concluded a three weeks' series of revival meetings, which have resulted in the converting of at least 30 souls, and an unmeasurable amount of good to church members and the community in general. The meetings were conducted by Revs. A. F. Browne and G. F. Dorson, and Mr. Hugh A. McLean, the gospel singer. Methodists, Baptists, Presbyterians and members of the Salvation Army, entered into the good work with whole-hearted energy and ready enthusiasm. The meetings were held in the Baptist and Methodist houses of worship night about, and the people, following the example of their leaders, were so occupied in laboring for the Master and the welfare of mankind, that for the time, denominational lines were entirely ignored. The spirit of perfect harmony was maintained without a suspicion of discord, until the close of the special work, and is being continued in regular union prayer meetings. The sweet singing of Mr. McLean proved a great attraction which was highly appreciated.
