PRINCE EDWARD TONIGHT Night 7 & 8.45 JESSIE L. LASKEY PRESENTS The internationally celebrated Russian Actress Mme. PETROVA IN "The Undying Flame" The spell of ancient and modern Egypt has woven its spell about a great story and an internationally famous actress. Her Awful Predicament AND The Fourteenth Man Refined Laughable Comedies

"THE UNDYING FLAME" Is a startling combination of the ancient and modern—a story of Egypt and the Spinxes, with all the alluring, witching mystery of that fascinating country in present day time as well as centuries ago when "Father Nile" swept on his way across the desert but through a land as yet untouched by the steam train or the automobile. As a child of ancient Egypt Mme. Petrova is gloriously beautiful in her pagan jewelry, sandals and queer, filmy garments. The story then takes us back centuries later to the present day. A thrilling tale of world-old love and sacrifice.
