Fighting the Winter Winds

with thin blood and a poorly nourished body is a losing game. The man who never "catches cold" is the man who fortifies himself with the resisting power that comes from food rich in tissue-building, heat-making elements. You can beat the "cold germ" by eating

Shredded Wheat With HOT Milk

Makes rich, red blood and gives the strength that makes a man or woman fit for work or play in winter—makes the body tingle with snappy health on the coldest days. Solves the breakfast problem for the busy housewife. Ready-cooked and ready-to-serve.

East or West Eddy's Best

Rats won't gnaw them!

Banish from your mind the thought that rats gnaw Eddy matches—and start a fire. If you wake with a start, frightened by their stealthy prowling in the walls, turn over and go to sleep.

Rely on Eddy's assurance that no rat will gnaw any Eddy match. The long laboratory tests of scientists prove that starving rats cannot be induced to even nibble an Eddy match head!

To that comforting assurance, add the sure knowledge that all Eddy matches are guaranteed non-poisonous, that the head of all Eddy matches is glued on—to stick on tight—it can't fly off aflame!

Every process of match-making and match-packing is carried out in the gigantic Eddy plant of 75 acres by 2,500 loyal, trained Canadian workers who have grown up in the business.

Their training and supervision insure the recognized high percentage of uniform match value and match service in Eddy's matches—120,000,000 every Canadian working day.

Eddy's employ only Canadian capital. Eddy profits are kept in Canada for the development of Canadian industries.

"Purify the Blood"

THIS is the doctor's advice to most people whose blood he analyzes at this season of the year. Overeating of artificial foods, combined with too little outdoor exercise, leaves the human system clogged with poisonous impurities. The liver is torpid, the bowels constipated and the kidneys so overworked that they become ineffective as filters of the blood. The most rational treatment is Dr. Chase's Kidney-Liver Pills because of their combined action in arousing these filtering and excretory organs to healthful activity. Mrs. Albert Brunet, R.R. No. 1, Ottawa, Ont., writes: "I have used Dr. Chase's Kidney-Liver Pills for the past two months, having been afflicted with kidney trouble. I used two doctors' medicine previous to this, without any good results. A friend told me to use Dr. Chase's Kidney-Liver Pills, and the second box made me feel a good deal better. I have now used about six or eight boxes, and am completely relieved. I shall always praise Dr. Chase's Kidney-Liver Pills, and tell my friends about the benefit they have been to me." Dr. Chase's Kidney-Liver Pills, 25 cts. a box, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.
