Best Wishes For 1918

We wish to begin the new year with an acknowledgement of our appreciation of the favors shown us during the past twelve months by the people of this community. Our business through 1917 has been very satisfactory indeed, and we desire to thank those who have contributed to this result. We endeavor to so conduct our business that our customers will be our friends and we have no doubt that the steady growth of our business is in a large measure due to the loyalty and influence of our patrons. We hope to merit a continuance of this good-will and to so conduct our store that it will attract those who appreciate high quality of goods at most reasonable prices.

TO ALL OUR FRIENDS WE EXTEND OUR BEST WISHES FOR A HAPPY AND PROSPEROUS NEW YEAR.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant relief. "Pape's Diapepsin" ends your stomach trouble forever.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

—*SCHOOL WORK.—The semi-annual examination of Glenfinnan School was held Dec. 21st. The pupils were examined by the teacher, Miss Quinn, assisted by some of the ratepayers and gave satisfactory results to those present. A very pleasing programme of recitations, songs and dialogues were given by the pupils. The children and visitors were very kindly treated to confectionary by the teacher. At the close a vote of thanks to the teacher was moved and seconded for her having taken such pains in teaching the children after which all united in singing the National Anthem.

PARCELS GIVE PLEASURE IN THE TRENCHES

Miss Gladys McKay, New London, has received the following letter from Sergt. Allan Coles:

Belgium

5-12-17

Dear Gladys:—Received your parcel some time ago and must write without further delay to thank you for your kindness. I am sure if you saw the happiness which such parcels bring to us all over here, you would not at all consider it wasted effort. They are all evidences that the people at home have not forgotten the people at home. It is just two years ago today since we first stepped on the soil of England, and six months in training camp in England and 14 months on active, yes very active service, has all tended to make us forget, or at least leave us little time to think of home, yet Canada is still to us God's Country. With the developments of the last month we going no one dares to conjecture when it will all be over. Still we all over here, although heartily sick of it all—no one is human who would be otherwise—far prefer it to be fought to the finish now than that the next generation or so should have to resume the terrible struggle once more, and with engines of war far exceeding in barbarity those of the present. On Dec. 1st and 2nd we had polling here for the election. As to the result it is hard to hazard a guess. It seems hard to think that the mass of Canada's soldiers should wish to put themselves to the tender mercies of the Nationalists and Anti-Conscriptionists, and in so doing line themselves up with the French Canadians and the slackers who are trying in every imaginable way to obtain exemption. Of some of these all that can be said is 'God made them men, therefore let them pass for such.' Hope that some of the confirmed Grits and Tories around home get their party ideas out of their heads this time.

Well Gladys the Xmas Season is drawing nigh. Leave it to us, we will have as merry a time as Fritz and circumstances in general will allow, for we are not down-hearted yet. Remember me to all the family and all old friends.

Sincerely yours

ALLAN
