

Compound Syrup Of Hypophosphites

When a person feels "blue"—"all tired out"—feels weak mentally and physically—complains of poor appetite and sleeplessness—suffers from headache—then his nervous system is run down and demands a good upbuilding tonic.

Nervous Exhaustion is caused by too close attention to business, overwork, worry, devotion to a trying family, over study etc.

Foster's Compound Syrup of Hypophosphites forms the best Nerve and Brain food known and has restored many sufferers to health.—\$1.00 bottles.

DIED IN WINNIPEG.—Mrs. Nell Currie, Rocky Point, received the sad news Friday morning that her youngest daughter Mrs. Harold Thorne (Constance) had died very suddenly in Winnipeg from pneumonia following an attack of influenza. She was about 25 years of age and left here six years ago. Besides her husband and mother she leaves one little son aged three years and two brothers and four sisters to mourn their loss.

DIED IN MONTANA.—Mrs. Robert Vickerson, North River, received a telegram yesterday announcing the death of her brother-in-law Mr. Frank H. Vickerson in Missoula, Montana. The late Mr. Vickerson was a native of North River and left the Island over thirty years ago. No particulars have been received as to his illness and death. He is survived by his wife and two daughters; two brothers, Jas. of Cornwall, and George of Waltham, Mass., and one sister Mrs. George Clow in Western Canada.

DELAYS EN ROUTE.—A gentleman from East River starting for the city Friday morning on leaving his horse at the door was surprised on returning to find only the sleigh but no horse. After locating the missing animal he again started for the city. When near Falconwood the horse stepped into a crack in the ice and the shafts and sleigh again parted company. S.O.S. signals were soon flying in all directions and by the help of a good Samaritan a start was made once more—the time with a third sleigh and the city was at length reached without further mishap.—Com.

A very cordial invitation is extended to all. It might be stated that the lack of a horse shed is being supplied by friends near the church who are furnishing stalls and Mr. Edgar Easter has kindly given the use of his barn which is conveniently near.

EARNSCLIFFE — Miss Ruth Cavanaugh returned home this week from a long and pleasant visit with friends in New Perth West, where she was the guest of her cousin, Mrs. Katie Stewart. Some Earnsccliffe folk heard with much pleasure last Sunday a fine sermon preached in the Belfast church by the pastor Rev. J. W. McKenzie. The reverend gentleman took his text from the first Epistle to Timothy, 6 chapter vs. 17-18 and 19. It was a grand sermon or the subject of riches, and was listened to with the deepest attention by a large congregation.—Mr. Shaw McMillan, Albany Plains, is mentioned as another possible Conservative candidate for Belfast. The 2 Maes would make a strong team.—A great many tons of loose hay went from Earnsccliffe across the Orwell ice this winter. The price was \$17.00 per ton. And a great many cords of hardwood came from Belfast to Earnsccliffe in the past few weeks. The fuel cost three and four dollars a cord.—Q.

Sir Harry Johnson, the veteran explorer, is found of telling the story of how a certain African monarch, having taken a great fancy to a missionary in his dominions, and wishing to do him well, caused to be paraded in front of his bungalow one hundred luskly beauties. "They are the loveliest, flowers of my land," said the monarch, "pick one from among them for your wife." The missionary (says Sir Harry) already had a wife at home, and was naturally embarrassed, but not wishing to hurt the feelings of his host much
