There is no more popular and dressy suit for summer wear than a

Blue Serge

We would have you judge our line of Blue Serge suits by contrast if you will; see how far they surpass the hackneyed efforts generally produced from this most serviceable material.

The system of betterment begins with the selection of the fabrics, there the incorporation of certain distinctiveness in tailoring and style which contribute much to the character and exclusiveness which are inseparable from the Progress Brand clothing.

Should you care to receive some impression regarding suits of serge there awaits your inspection a remarkable group of garments in single and double breasted models.

There are three classes of people who find lost articles, those who won't return them to the owner, those who will return them if they see them advertised, and those who will advertise that they have found them. As there are very few of the first class in this city or Province, the loser is likely to get the article he loses if he advertises it in The Guardian as everybody reads the classified ads.

A committee comprising Miss Hannah McDonald, Kenneth H. McKenzie and Hugh Nicholson on behalf of Sentinel Lodge, L.T.B., of Springton have forwarded the following letter of condolence to their sister Christie McDonald and brothers Angus and Dan McDonald. "We the members of Sentinel L.T.B. Lodge, No. 206, wish to express to you our heartfelt sympathy in the loss you have sustained in the death of your loving father. Although we realize the frailty of human effort to console yet we assure you that each and every member of the lodge has grieved with you in your sorrow. Bound as we are in Christian brotherhood your sorrow is our sorrow but we pray that the Great Grand Master above may give you grace sufficient to overcome your sorrow and to say Thy will be done. We cannot always see the purpose of the affliction for God moves in a mysterious way his wonders to perform. We therefore point you for comfort to the great and wise ruler of the universe who doeth all things well and we look forward to that bright and happy time when we shall meet to part no more."
