WRONG DIAGNOSIS WAS MADE IN PRINCE MICHAEL'S MALADY

BUCHAREST, Roumania, May 9.—Crown Prince Michael, who has recovered from his recent illness, suffered from angina, and not diphtheria, as previously diagnosed by attending physicians, it was reported.

IN MEMORIAM MR. WILLIAM W. GILLIS

In the early morning hour of April 24th, 1931, the Summons came to the home of one of the highly esteemed and respected residents of Orwell, P. E. I., and Mr. William W. Gillis passed away to join the many friends of former days, "On the Happy Golden Shore."

ARCHERY ASSOCIATION SELECTS NATIONAL MASCOT

BUFFALO, N. Y., May 8.—(U.P.)—A five-year-old Buffalo girl has been selected national mascot for the Junior Cross Bow Association, which expects to hold its national archery tournament in Chicago next August.

FRENCH GENERAL TO GET PICTURE OF YANKEE BAND

BOSTON, May 9.—(U.P.)—A representative of the Yankee Division band of Post 290, American Legion, Boston, has gone to Paris to present a picture of the band to General Henri Bourdau, the famed French warrior overseas during the World War.

SCHOOL PAPER WINS FIRST PRIZE IN WORLD CONTEST

OBERLIN, Kans., May 9.—(U.P.)—The Decatur Dictator, school paper of the Decatur Community high school, has been awarded first place in its class in the 1931 contest for high schools throughout the world, which was conducted by Columbia University of New York.

WIND FLIES PILOTLESS PLANE

MOUNDSVILLE, W. Va., May 9.—(U.P.)—Joseph Higgins of the West Virginia Natural Gas Company lost an airplane recently when a gust of wind carried it, minus pilot, into the air and dumped it from a height of 300 feet. The craft was demolished. It had been tethered to iron stakes when the squall struck.

HEN KILLS BABY EAGLETS

CLEVELAND, May 9.—(U.P.)—Two of the three eaglets which were hatched recently in the biological laboratory of Western Reserve University, have died while the third is thriving. The two died of injuries inflicted by their foster-mother, a setting hen, in stepping on them. It was believed the three birds were the first eaglets ever hatched in captivity.

CHARGES GLASS EYE EXPLODED

GREENSBORO, N. C., May 9.—(U.P.)—Suit for \$15,000 damages has been filed here against a physician and an optical company by S. H. Beasley, who charged his glass eye exploded, causing him to lose more than a month's work.

MINIATURE ROAD FOR PENROSE

PHILADELPHIA, May 9.—(U.P.)—One of the world's most complete miniature railroads has been constructed on the Main Line estate of Boise Penrose, 2d, nephew of the late senator from Pennsylvania. The line, named the Devon and Darby railroad, was built solely for the owner's amusement. When the line is completed it will skirt the Darby Creek and reach every part of the estate. It will be about a mile in length.

FOREMOST AMONG TOILET PREPARATIONS

AND what a contribution it is to the cause of shaving! A small amount quickly works up into a thick lather that remains throughout the shave, without retouching as is sometimes necessary. It contains the delicately medicated properties of Cuticura which soothe the skin and do away with the necessity of using lotions.

JUST BAD LUCK?

One who suffers loss in an Auto accident may be the victim of misfortune in not foreseeing a collision, but cannot attribute to bad luck the fact that he did not far-sightedly guard against loss with Auto Insurance! Understand Auto Insurance! — we will explain it. Let it protect you—we will provide it!
