—FUNERAL NAME OF AIRMAN—The funeral of an airman killed at Mount Pleasant airport on February 15 was LAC. J. L. Buttsworth. It was announced yesterday. His name had been withheld pending notification of next of kin living in Australia. He was buried in the Pictou cemetery with full Air Force honors. LAC. Buttsworth was killed when he was struck by the propeller of a plane.

—KENSINGTON RED CROSS—Through the kindness and co-operation of Mr. J. Cameron, proprietor of the Camero Theatre, Kensington, the Red Cross sponsored a show Monday night which was a great financial success. "Forever and a Day" the picture Mr. Cameron selected was a popular choice as many favorable comments were heard from the large and appreciative audience who enjoyed the entertainment. "Forever and a Day" is a delightful English play with an historical background. The picture takes the audience back to the time when England feared invasion by Napoleon and the great fighting when news came of Nelson's victory at the Battle of Trafalgar. English life during the First World War and the blitz of the present war was clearly depicted. A good story with a twist of humor throughout combined to make a grand entertainment. The ladies of the Red Cross branch are very grateful to Mr. Cameron for this fine contribution to their funds.—K.

—S'ide Board of Trade Meeting—Strong condemnation of the railway switching system at Summerside and a resolution that the Government had purchased land at St. Leonards to construct dwellings for disabled service men were the highlights of the regular meeting of the Summerside Board of Trade held last evening.

Mr. Donald Baker, the president was in the chair.

Mr. Allison MacLean said that 11 acres of land had been purchased at St. Leonards for the construction of homes for disabled service men.

—INTERESTING MEETING—(Continued from page 1)

labor situation on the farms was serious and he was in favour of any kind of help so long as it was not a loan.

Capt. John Read of Borden commented on the letters written to the Press by H. K. S. Hemming advocating a grain elevator at Charlottetown and the making of Charlottetown an ocean port.

Capt. Read termed these proposals "ridiculous ideas." He said the freight on grain from such an elevator to English, Alberta, or other western points, would equal half the rates from the prairie provinces.

Some discussion took place on the changing of the Provincial Election Act so that one man should have but one vote. It was finally decided to allow the question of reforms in the Act to be considered by the next executive before any representations were made to the Government.

Among others who spoke at the evening session were Premier J. Walter Jones, Hon. W. A. Stewart, Ron Fraser, Lincoln Dewar, Rev. M. E. Francis, Dr. J. A. Clark, John MacIntyre, and W. R. Shaw.

The Premier in a brief talk suggested that farmer groups throughout the Province should prepare briefs on what improvements they thought should be inaugurated in the power, water, and reconstruction committees.

The election of officers was deferred to a later date.

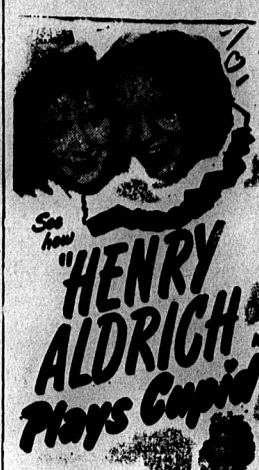

Farm films were to be shown the following week at the Y.M.C.A. hall but the Y.M.C.A. hall was found unsuitable for the purpose owing to its crowded condition.

The following resolutions were passed:

First, that some assistance be given to the settlement of farm labourers on the land along similar arrangements for returned men.

Second, that support be given to the Government in the strengthening of co-operatives throughout the Province.

Relief Fund Need Generous Support

Mr. William M. Birks of Montreal, Chairman of The Canadian United Allied Relief Fund, issued an appeal today to all ethnic groups in Canada to energetically support and work for the campaign of The Canadian Red Cross Society.

Mr. Birks was speaking on behalf of the Belgian Relief Fund, the Chinese War Relief Fund, the Czechoslovak War Relief Fund, the Greek War Relief Fund, the Netherlands Relief Fund, the Norwegian Relief Fund, the United Polish Relief Fund and the Yugoslav Relief Fund who are members of The Canadian United Allied Relief Fund.

Born of the urgent need to send relief to the long-suffering civilian population of Allied countries, and the practical desire to raise the necessary funds from the people of Canada in such a way as not to multiply unnecessarily the appeals to their generosity, it was decided to adopt the principle of the Community Chest. In other words, instead of conducting eleven separate drives for the relief of the people of eleven Allied countries, they would be combined in one National Campaign, and the proceeds divided on an equitable basis among the victims of Nazi occupation.

The rest of the story is told by Mr. Birks at the headquarters of the fund, 130 Queen Street, Ottawa.

"The Canadian United Allied Relief Fund," said Mr. Birks, "is made up of representatives of the relief organizations of Belgium, Norway, Greece, Poland, Russia, China, Yugoslavia, Czechoslovakia, France, Luxembourg and the Netherlands, and its purpose is to work out ways and means of securing food, clothing and medicines for those who are in desperate need in these countries."

"The first step," Mr. Birks went on to say "obviously is the collection of funds for the relief of dependent entirely upon private benevolence, unlike UNRRA which is entirely supported by Government funds. From the outset it was realized that it would be a waste of time and effort to build up an organization of our own to conduct a National Campaign, when such an organization already existed, with years of practical experience behind it. We, therefore, with the entire approval of the Government, took the matter up with The Canadian Red Cross Society, and a plan was worked out under which The Red Cross would combine our relief purposes with their own, and conduct the campaign with the wholehearted assistance of the C.I.A.R.F. and its member organizations."

"It is well to remember," added Mr. Birks, "that this relief agency represents in a very practical way the strong desire of some two million Canadians of European origin—who are often called the New Canadians—to relieve some of the distress in their old homelands, and no one knows better than they do the depth of suffering, physical and mental, to which these most unfortunate victims of Nazi brutality have been reduced. The Campaign offers an emotional outlet for these fellow-Canadians, who are loyally doing their part in the war, and whose sons are fighting overseas, on land and sea and in the air. They, as well as the thousands of Canadians who have throughout the war supported the efforts of our separate relief organizations, can be counted upon to do everything possible to make the National Campaign a success, and they individually will not be behindhand in making their own contributions to the common fund."

Baptist Church Men Form Organization

An enthusiastic and representative gathering of men of the Charlottetown Baptist Church met Wednesday evening in the church vestry and decided to form an organization for the purposes of fellowship and service.

The minister, Rev. I. Judson Levy called the meeting to order and on motion, Mr. J. P. Campbell was appointed chairman of the meeting and Mr. R. J. Rupert, secretary.

Mr. Levy addressed the meeting briefly outlining his views of what the proposed organization could and should do.

After some discussion it was unanimously decided that an organization be set up. A nominating committee consisting of Messrs. A. K. McPhee, Harper MacNeill and Darrell McGuire were appointed to suggest a slate of officers and report at the next meeting. The officers will consist of a president, vice-president, secretary-treasurer and a board of directors.

The men are very optimistic about their new organization and

Tells Of Canadian Aid To Australia

CANBERRA, March 1 — (CP Cable) — Senator R. V. Keane, Minister for Trade and Customs, told the Senate today that Canadian mutual aid had supplied Australia goods and services to a value of \$80,000,000 to the end of November, 1944.

Recently returned from a trip to North America, he said that although Australians were con-

scious of the big scale of United States assistance, the extent of the Canadian contribution through mutual aid was not as widely appreciated as it should be.

He said he expected American lend-lease aid to Australia to amount to \$300,000,000 in 1945. As a corollary Australia pledged continuation of full scale reciprocal aid to United States forces.

Senator Keane said an official provisional estimate put the value of lend-lease supplies which have arrived at Australian ports from inception of lend-lease to Jan. 31, 1945, at \$977,000,000.

He regarded "the miracle of American production" as perhaps the strongest impression of his mission and added "on the production side Canada's performance is equally remarkable."

Two Manitoba C. C. F. Members Spring Surprise

(By The Canadian Press) WINNIPEG, March 1—In a surprise statement in the Manitoba Legislature today, two members of the C. C. F., Mr. Arthur Brandon, and B. R. Richards, the P. S.—criticized the official party policy of the C. C. F.

Mr. Richards read the statement, in which he said "Socialism now as the only alternative to chaos, we believe the C.C.F. to be unrealistic in the extreme."

Mr. Brandon, calling for a candidate in every constituency in the forthcoming federal election, was termed irresponsible.

"We are convinced that this policy, by splitting the Progressive vote will result in the election of a reactionary House of Commons than the Canadian people either desire or deserve."

S. J. Farnum, Manitoba C. C. F. leader, told the Legislature the statement ran "strictly along Communist lines."

"It represents the typical communistic tactics deemed to discredit the leadership of the C.C.F.," the statement by Mr. Brandon and Mr. Richards declared the C. C. F. should re-consider its policy of coalition with other parties.

"The party should be in a strategic position to give progressive leadership in a coalition government by government by reaction."

Mr. Richards said the criticism on the C. C. F. policy was levelled at the official leadership of the party.

INTO THE ARMS OF THE WORLD'S GREATEST MOTHER

LEAVING the lonely ocean between her and her homeland, a "war bride" sets foot at last in Canada. What a friend-in-need the Red Cross proves to the soldier's wife who precedes her Canadian husband home!

A warm welcome that banishes loneliness—abundant help that drives out feelings of helplessness—and the spirit of sympathy and understanding that dispels anxiety and fear—these are all part of the Red Cross Service showered on the war bride, from the beginning to her journey's end.

But caring for traveling war wives and children is but a small part of the stupendous burden today shouldered by the Red Cross.

As the final push for victory is launched—as the casualties mount—as the carnage of war spreads—everywhere the Red Cross is needed as never before.

This is why your gift to the Red Cross is required now more than ever. This is why you are urged to obey every generous impulse and give willingly, generously now.
