# Boils keep coming

Boils are the product of poor or watery blood carrying impure matter. Boils also indicate poor circulation, as the matter or pus, as it is usually called, clogs up the circulation, causing the accumulation of this poisonous matter, which must be removed from the congested parts. At the same time the blood should be enriched and purified by the use of BURDOCK BLOOD BITTERS. The best proof we can give you is the testimony of others. Here are some; others will be supplied on application to the proprietors.

FLAT LANDS, Restigouche Co., N.B. THE T. MILBURN CO., Toronto. Gentlemen—A short time ago my blood got out of order so much that numerous boils appeared on my face and neck, and hearing BURDOCK BLOOD BITTERS highly recommended as an excellent blood purifier, I decided to give it a trial. After using the first bottle the boils gradually started to disappear, and before I had taken the second bottle I was completely cured. Yours truly, GEO. CALDWELL.

MISS MAUD SLATER, West LaHave Ferry, N.S.: "In the spring I was troubled with boils, one coming after another. My blood was bad and I was miserable when I began taking B. B. B., but before taking many bottles was completely cured."

Mrs. G. MOORE of Hamilton says: "I cannot praise B.B.B. enough for impure blood, boils and sores. It is a perfect cure for boils. I have used it for twelve years in my family and cannot praise it too highly."
