THE S. S. Coban of the Black Diamond Line arrived here yesterday morning from Montreal at 1 o'clock with a full list of passengers and a large general cargo. George Cook, the man who is now in the County Jail awaiting his trial for murder is closely watched by the keeper of the Jail and his assistants, as it is feared that he might attempt suicide. He is kept in a cell by himself and he is not allowed near any of the other prisoners. INFLAMED NOSE AND THROAT.

And such diseases of the respiratory organs as Bronchitis, Weak Lungs Cold in the Head, and Nasal Catarrh, are treated with marvelous success on strictly scientific principles by Catarrhazone. The medicated vapor of Catarrhazone quickly traverses every air passage possible to be reached by any treatment. All soreness, pain, congestion and inflammation are at once dispelled, and by means of the healing powers of Catarrhazone the irritated tissues are quickly restored. Where Catarrhazone is used colds last only ten minutes, coughs half an hour, and Catarrh, Consumption, Asthma and Bronchitis flee as from fire. A trial will convince anyone of the startling merit of Catarrhazone. Costs \$1.00, small size 50c. At Druggists, or Poison & Co., Kingston, Ont.

DR. HAMILTON'S PILLS CURE CONSTIPATION.

A VERY pleasant evening was spent at the West Royalty Bass Ball meet last Thursday evening which was held at J. Bell's. The next meeting will be held on Wednesday evening next at the Point Farm. The meetings are changed from Thursday to Wednesday evening.

On Thursday night the guests at the Acadia Hotel gave an entertainment consisting of beautiful living pictures in honor of Mr. and Mrs. Andrews who started for home on Friday after a sojourn of three weeks among the sylvan beauties of Tracadie Beach. Under the able management of Rev. Mr. Morgan of Boston and Miss MacGougan, St. Louis, the entertainment could not be anything but a success. Many of the costumes were very beautiful, "Lygia," "Highland Mary," and "Mary Queen of Scots," being exceptionally so. After the entertainment music and dancing were indulged in and wound up by several speeches. Mr. Andrews gave a farewell speech in which he referred in glowing terms to the good times he had while at the Acadia.

THE SALVATION ARMY.—The welcome meeting to Brigadier and Mrs. Sharp and troupe in the Army Barracks to-night, will most probably take the nature of a great open air meeting in the Square on arrival of boat from Picton. The meetings will be held all day Sunday as previously announced—7, 11, 3 in Park, and 7.30. On Monday the picnic at Red Point at 9.30. It has been arranged to run two boats, the second leaving at 2 p.m. The river sail at 5 o'clock will be a feature. Then the great musical meeting at 8 will be a splendid affair. In addition Mrs. Esigun Payne of Halifax Rescue Home will also accompany the troupe on behalf of the Rescue work in Nova Scotia. As this series of meetings will be a recital breaker, we would strongly recommend everyone who possibly can to take it in. Everyone heartily welcome.

Let Us Help You To Keep Cool.

That is our most attractive business proposition these days. We are very satisfactorily ready to help men enjoy the summer. There's no sort of reason why a little matter of six or eight or ten degrees of heat should "put you out of business." Summer comfort is only a matter of correct dress. And that is where we come in, in fine shape.

Comfort-making Underwear.

Is here in every quality. We have underwear at 20c, 22c, 25c and 32c per garment. We've better underwear in fine light balbriggan at a dollar per suit—and from that we go right up through a dozen grades to genuine Linen Mesh, the finest Summer Underwear in the world \$4.75 a suit.

Why Don't You Wear a Colored Shirt?

These days when the heat coaxes you to see how many garments you can do without—the best goes first. If you've a neat colored shirt and a belt, you don't wait a vest until September. Colored Shirts 80c, 1.15, 1.25 and up. We have soft and stiff fronts—in popular patterns and we're expecting a new lot this week.

Buy a Belt and dispense with your vest.

We've newest belts in greys and tans from 28c, 38c, 55c and 80c.
