ONLY 1-50 OF A GRAIN
Fruit is good for you. Ripe figs are a splendid laxative to regulate the bowels. Prunes are good for stomach and liver. Orange juice is splendid for the nerves and sleeplessness. Apples heal the kidneys and increase the flow of urine. If apple juice be evaporated to a gray powder, 1-50 of a grain of this powder has the same action on the kidneys as half a pint of fresh apple juice. Two "Fruit-a-tives" tablets contain more than 1-50 of the medicinal part of apple juice, besides the healing, curative virtues of oranges, figs and prunes. More than that, "Fruit-a-tives" are concentrated and combined with tonics and antiseptics by a secret process which increases their powers over disease many times.

AN EDITOR WAS HONORED BY CITIZENS

HALIFAX, Dec 30.—The celebration of the jubilee of Robert Murray, LL. D., editor of the Presbyterian Witness, in St. Matthew's church was in every respect a glowing tribute to the man in whose honor it was held. The audience contained many of the most influential and prominent persons in the city. The different evangelical churches of the city were fittingly represented, as well as the press and bench. Addresses and presentations were made on behalf of the Synod's committee, the press of Nova Scotia, and the Evangelical Alliance of Halifax. The presentations consisted respectively of a check for \$300 on a silver tray from the Synod, a gold chain and seal from the press and gold watch from the Alliance.

I. O. G. T. WOMAN'S NEED

At a recent meeting of Eastern Gem Lodge the following resolutions were passed.

DR. CHASE'S NERVE FOOD.

We are sometimes asked why Dr. Chase's Nerve Food is so successful in curing the ailments peculiar to women, and this is the explanation:
The feminine organism is a regular network of nerves, and consequently requires an enormous quantity of rich nourishing blood.
At the critical times such as the dawn of womanhood, the child-bearing and nursing age and the change of life, nerve force is consumed at a tremendous rate. The blood is drawn away from other parts of the body, and the result is neuralgic pains and aches, failure of the digestive system, and a run down condition of the body generally.
Dr. Chase's Nerve Food supplies exactly what is most needed at these times—the very elements from which rich blood and vital nerve force are made.
Women who suffer from weakness and irregularities, from painful periods and distressing headaches, from tired, worn-out feelings, and the disorders of digestion will be surprised at the benefits obtained from the use of the great food cure of Dr. Chase, Miss Vitoline Tulip, Lower Newland, N. B.
Since the age of twelve I have been subject to spells of weakness which would come on me two or three times a week. I would be obliged to go to bed and was almost unconscious. I had pains in my stomach and back and no medicine seemed to be of much benefit to me. My sister Eva was also in very poor health, so we began the use of Dr. Chase's Nerve Food and continued the treatment for seven months. During that time I gained about thirty pounds in weight and am now strong and well and entirely freed of those dizzy spells. My sister gained nearly as much as I did and we believe there is no treatment for pale, weak girls so good as Dr. Chase's Nerve Food.
It is well worth your while to put Dr. Chase's Nerve Food to the test, and while the blood and nerves are being revitalized and the form rounded out, not only your increase in weight so that you may have positive proof of the blood-forming value of this great medicine, 50 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto. Portrait and signature of Dr. Chase, the famous recipe book author, on every box.

WOMAN FATALLY BURNED.

McKEESPORT, Pa., Dec. 31.—Mrs. Hattie Sweeney was fatally burned, and eight others members of her family were seriously injured as the result of a natural gas explosion in the kitchen of their home. A rubber hose, used to connect the cooking stove with the gas pipe became detached during the night, and when Mrs. Sweeney struck a match to light the fire today the gas exploded. The house was completely wrecked.

LITTLE BOY INJURED.

Drony, Dec. 30.—Budd, the five-year-old son of O. S. Danham, broke his collar bone while coasting in his yard on Queen Street.

IT HEALS THE LUNGS.

When the anti-septic vapor of "Catarrhoxone" is inhaled it spreads through the breathing organs, carrying healing and health to the sore spots. An irritable throat "Catarrhoxone" cures in five minutes, bronchitis is soothed instantly, weak lungs are fed and quickly nourished back to health. To be free from colds and coughs, to avoid catarrh and bronchitis—use Catarrhoxone; it is prescribed by more than twenty thousand physicians in America alone, and used by the people of nine nations.

CHAMBERLAIN'S COUGH REMEDY THE BEST MADE.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Corn Walker, of Porterville, California. There is no doubt about it being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by all druggists.

THE WONDERS OF THE BODY.

Its mechanism, like delicate machinery by even a slight cause is so disarranged as to be practically useless. A headache is no trifling matter because the stomach kidneys and liver are sure to be affected. Ferrozone braces—gives tone—elevates your spirits. No such health bringer known. Fifty cents per box of fifty chocolate coated tablets at all dealers.
