MacMillan of Wood Islands, arrived in Georgetown and immediately started laying off the building. When the steamer, which is now in port loading a cargo of pit, props and pulpwood, completes her cargo, the construction will swing into high gear, as carpenters and labourers will then be available.

The S. S. Kattagatte, a coal-burning, ocean going freighter of 1319 registered tons, whose port of registry is Helsingborg, Sweden arrived in port on Thursday morning at 8:30 a.m. This ship, making her second trip to Georgetown this year, is under command of Captain B. S. Johansson and has a crew of 26 officers and men.

Work was commenced on Thursday at 1:00 p.m. in loading a cargo of 3500 English fathoms of pit props and pulpwood of which the greater part will be pit props. The cargo is being loaded by Bergmann Construction Company and is consigned to interests in the United Kingdom. Mr. Wallace Macdonald of Charlottetown is boss stevedore and expects loading operations to be completed by Tuesday noon. Mr. A. E. Jenkins of Georgetown is the time keeper for the stevedores which number approximately ninety men. The ship was brought into port by pilot Temple Gotell and his co-pilot Victor Rafuse both of Georgetown.

During the evening Rev. F.N. Young and Mrs. Young sang very beautifully a number of old songs including "Annie Laurie," "Believe Me If All Those Endearing Young Charms", and, as a special request "The Stranger of Galilee." They were accompanied at the organ by Mrs. Earl MacDonald of the organ.

Recent guests at the home of Mr. and Mrs. Guy Hemphill, Kent Street were, Mr. Jack Baker, Point Plover, New Jersey, Mr. Jay Flores, Chapel Hill, North Carolina and Mr. Jack Homer of Little Falls, New York. The party motored to the Province.

The Town is having a new street light installed on Grafton Street where the point where the railway crosses the street. One other light on West Water Street is being shifted a short distance from its present location, where Castles serve to nullify its usefulness.

A meeting of the Town Council and the Executive Committee of the Community Welfare League was held on Wednesday night in the Council Chambers, with Mayor P. L. Boudreau presiding. Reports were received from the foremen in charge of tearing down the old skating rink and a list of the voluntary helpers was submitted which showed a total of 92 voluntary days worked to date. The meeting was unanimous in their expressions of appreciation of the splendid contribution in labor given by those who took part in this work. Many others, who up to the present have been unable to turn out for their donation of voluntary labor, intend doing so in the near future. A great number of matters dealing with the erection of the new building were then dealt with and reports received on various matters taken up at earlier meetings. The cement for the concrete pillars has been purchased and is now stored in the fire hall. On Thursday, the foreman, Mr. Rodey
