A QUANTITY of unstamped lobsters seized at St. Eleanor's some weeks ago was sold by auction and bid in by a dealer. A permit was obtained from the authorities and the goods shipped to Boston. Yesterday the shipper was notified that they had been again confiscated—this time by the customs authorities at St. John, N. B. He expects a drop in prices before these lobsters reach their destination.

The citizens will be pleased to learn that in the very near future, probably next week, they will have an opportunity of again hearing Miss Lucy Lefurgey in Market Hall. On this occasion she will be assisted by Miss Marie Zahn Lyman who is at present delighting audiences in the leading Canadian cities. This will undoubtedly be the entertainment of the season, and it will be well to watch for a fuller announcement which will be made in a few days.

PILES FOR 15 YEARS.

Mr. Jas. Bowler, Councillor, Embro, Ont. writes: "For over 15 years I suffered the misery of bleeding, protruding piles. The many remedies I tried failed. I was advised to use Dr. A. W. Chase's Ointment, and must say that the first application gave relief, after third day the bleeding stopped and two boxes cured me completely."

Jana—Did you gain any flesh at the homestead?
Billies—Not much. As fast as I put it on the mosquitoes eat it off.

Pale, weak, languid women are fully restored to robust health by the use of Dr. A. W. Chase's Nerve Food, a condensed food which creates rich, pure blood and new nerve tissues.

"Most men," said the platinous boarder, "are more amenable to ridicule than to reason."
"Yes they are more easily guyed than guided," said the cheerful idiot.
