IMPORTANT CONFERENCE.—Dr. Heartz will leave on Monday for Ottawa to attend the Quadrennial Conference of the Methodist Church of Canada, Newfoundland and Bermuda, says the Amherst News. This is the great legislative conference of the Methodist church in Canada and it will probably be in session for a fortnight. It is made up of one out of every twelve clergymen and an equal number of laymen.

WEDDING BELLS.—On Tuesday Sept. 15th, an event of pleasant interest took place in St. Patrick's Church, Fort Augustus, when Angelina McCarthy, daughter of Charles McCarthy, Tarantum, was united in marriage to Alfred Koughan, son of John Koughan, Cardigan Bridge. The ceremony was performed by the pastor, Rev. A. J. McDonald. The bride carrying a pretty bouquet of white carnations, looked very charming in a cream poplin gown with and satin trimmings and a white picture hat to match. She was attended by Miss Angelina Comiskey, who was tastefully attired in a frock of mauve silk, with a black plush hat and carried a bouquet of pink carnations. The groom was ably supported by Mr. Richard Green of Cardigan. At the Offertory of the Mass, Mr. John J. McCarthy, uncle of the bride sang Gounod's Ave Marie and was accompanied on the organ by Mrs. McCarthy, who played the Wedding March as the bridal party were leaving the Church. After enjoying a pleasant morning drive by the beautiful East River, the happy party returned to the bride's home, where some intimate friends and relatives awaited them. After partaking of a sumptuous dinner, a few happy hours were spent in speeches, music and songs. In the evening the bridal party followed by the best wishes of all, departed for their future home in Cardigan.—(Examiner.)

FINANCIAL.—The Nova Scotia Steel Company have dropped their dividend on preferred and common stock and it is very likely that at the next meeting of the Dominion Iron and Steel Company the same thing will happen. A dividend on Dominion common was passed some time ago and it is understood in well-informed circles that the preferred dividend will be passed at the next meeting. This news will be interesting to local financiers.

SOUVENIR OF SUMMER RESORTS.—A representative of the Guardian was shown yesterday a pleasing souvenir of the Summer Resorts, Holland Cove, which the residents have presented to Rev. Dr. Bruce Taylor, Montreal, as a slight recognition of the Sunday morning services which he so kindly conducted at the bungalow of Judge Fitzgerald. The souvenir takes the form of a handsome morocco Album with the gilt inscription, "Summer Resorts Holland Cove, Prince Edward Island, Rev. Dr. Bruce Taylor, D. D." and contains some sixty photographic views of the Cove and its residents, the whole yielding a very happy memento of the months which the Rev. Doctor and his family spent in Prince Edward Island during the past summer. The photos are of an unusually high standard and artistic finish.

ACCIDENTAL DROWNING.—A very sad accident occurred at Aberdeen, Washington, on the 29th of August, ult., when Mr. and Mrs. Charles Miller lost their lives. All the particulars so far received have been that they had gone out fishing when their boat overturned and both were drowned. Mr. Miller was born at Haverhill, Mass., and conducted a bakery at Somerville, Mass., until April last when he removed to Washington, where he since resided. Mrs. Miller (nee Mary Jane Martin) was a daughter of James Martin, of Mitchell River, P. E. I., formerly of Montague, where she was well and favourably known. She leaves to mourn her father and several brothers and sisters, besides a large circle of relatives and friends in this province.

FUNERAL OF DR. GILLIS.—The funeral of the late Dr. S. H. Gillis took place yesterday in Charlottetown, at 10 o'clock from the residence of Mrs. Jas. Dorsey, King St., to the Pro-Cathedral, where a solemn Requiem Mass was celebrated by the deceased's uncle, Mgr. A. J. Gillis, Indian River, with Rev. John A. Gaudet, of Hope River, as deacon, Rev. John A. McDonald, of Souris, as sub-deacon, and Rev. Dr. G. J. McLellan as Master of Ceremonies. The choir rendered excellent music, and was ably assisted by the Rev. Dr. P. C. Gauthier, who also officiated at the grave. The funeral cortege proceeded to the Roman Catholic cemetery where interment took place. The pallbearers were Senator P. C. Murphy, Tignish; Mr. W. P. Callaghan, St. Louis; Prof. J. A. Murphy, Drs. I. J. Yeo and W. J. McMillan, and Councillor D. J. Riley.

INFORMATION ABOUT VALCARTIER.—Year after year for 43 years the Y. M. C. A. has conducted work among the Canadian Militia at their annual training camps. This work has proved itself so beneficial that H. R. H. the Governor General has graciously consented to become patron. The Militia Council has given it official recognition, commandants of camps have stated that they would not want to conduct a camp without the Association, and the present Minister of Militia and Defence, in speaking of it, said it was "gold to the country." At the time of the Boer War the Canadian Association sent representatives to the front. Mr. Cross, the local Secretary of the Y. M. C. A., has received from the National Council of the Young Men's Christian Association of Canada a paper containing interesting information regarding the Association in connection with the Camp at Valcartier, the following being an extract from the said paper. Copies of the same papers are sent to all local secretaries: "Immediately on the outbreak of the present war between Britain and Germany the Canadian National Council offered its services to the Canadian Militia Department for work at the mobilization camp and over-seas. Canadian hearts go out towards the 30,000 or more Canadian troops at Valcartier, and there the Canadian National Council of Young Men's Christian Association is working for the welfare, comfort and convenience of these men. Our equipment consists at present of three large tents, and we are considering the feasibility of duplicating this. Ten thousand letter-heads and five thousand envelopes daily are being distributed to the men gratis; the average daily sale of postage stamps is over \$500; picture postcards, largely military and patriotic, are sold; tables, pens and ink are provided. This department alone takes the time of three men. "The Dry Canteen" supplements the army rations. Here at moderate cost are provided biscuits, cakes, pies, oranges, bananas, ice-cream, orangeade, etc. This is a popular place, and it is not uncommon to see the men lined up four or five deep waiting to be served. Especially after a hard drill do the men enjoy a "snack." For those disposed to indulge in such recreation, and there are many, balls and bats, footballs and quoits are provided, while for those less strenuously inclined checkers, chess and dominos are at hand; for those with musical taste there is a piano, which is much used. Magazines and other wholesome literature is distributed—3,000 pieces the first two days. Moving pictures are shown out doors or in the tent, the General Film Exchange in Montreal furnishing without charge two reels daily. Song services and gospel meetings, largely attended, are held "down the lines," around a camp-fire or in one of the tents. At the camp-fire meeting, as many crowd around as can hear and all join heartily in the singing of the old well-known hymns. A special hymn and song book (an edition of 25,000), is being prepared to give the men as they leave for the front. There are now thirty association men engaged in this work at Valcartier. Associations are releasing their Secretaries, and several Churches have loaned their pastors for this service."

MOTHER

Pale, withered hands, that nearly four-score years Had wrought for others, soothed the hurt of tears, Rocked children's cradles, eased the fever's smart, Dropped balm of love in many an aching heart; Now, stirless folded like wan rose leaves pressed Above the snow and silence of her breast, In mute appeal they told of labors done, And well-earned rest that came at set of sun. From the worn brow the lines of care had swopt As if an angel's kiss, the while she slept, Had smoothed the cobweb wrinkles quite away. And given back the peace of childhood's day. And on the lips the faint smile almost said, "None knows life's secret but the happy dead." So gazing where she lay, we knew that pain And parting could not cleave her soul again. And we were sure that they who saw her last In that dim vista which we call the

past; Who never knew her old and laid aside, Remembering best the maiden and the bride, Had sprung to greet her with the olden speech. The dear sweet names no later love can teach. And "welcome home" they cried, and grasped her hands, So dwells our mother in the best of lands.

The Latest News of the Fox Industry

Shows that the Cross or Patch Fox is becoming highly popular with investors. Companies formed last year with this class of foxes are paying very large dividends. There is always a good percentage of black foxes in a number of litters.

Blacks from Crosses are well furred, healthy and extremely beautiful. They will be marketable on a pelt basis at a high figure. The Cross fox industry is therefore a safe, sane and sound one, the low capitalization allowing the investor a chance to become interested on the ground floor—to start where the pioneer started and at practically the same cost. We offer at present.

15 pairs Cross foxes, 1914 increase. They are large, handsome, healthy, sound, strong and well furred with excellent Black and Silver markings, they were bought right and will be sold right. If you have a little idle money why not get into the fox industry yourself. Be a rancher. Own a pair of foxes and secure all the dividend for yourself. Think it over but don't take long, as the kind of foxes we have to sell will move quickly.
