Dodd's Kidney Pills

are the only medicine that will cure Diabetes. Like Bright's Disease this disease was incurable until Dodd's Kidney Pills cured it. Doctors themselves confess that without Dodd's Kidney Pills they are powerless against Diabetes. Dodd's Kidney Pills are the first medicine that ever cured Diabetes. Imitations—box, name and pill, are advertised to do so, but the medicine that *does* cure

Diabetes

is Dodd's Kidney Pills. Dodd's Kidney Pills are fifty cents a box at all druggists.

DOES YOUR BACK ACHE?

Many people fail to understand the significance of a lame, weak, sore or aching back.

You overtax the kidneys—give them more work than they can do—then they cry out in protest through the pain in the back.

Backache is simply kidneyache, and there's trouble—serious trouble ahead for you if you neglect it.

Doan's Kidney pills are the best remedy in the world for backache.

They take out the stitches, twitches and twinges, limber up stiff backs and give complete relief from pain.

Mr. James Jackson, 646 Maitland St., London, Ont., suffered severely from pain in his back so that he could hardly walk across the room. He hasn't a trace of pain now. Doan's Kidney Pills completely cured him.

Mrs. Joseph A. Doty, Port Gilbert, N.S., says she was troubled with a pain and weakness across the small of her back which was so intense she could scarcely stoop. One box of Doan's Kidney Pills have removed the pain and given her strength and vigor.

Remember Doan's Kidney Pills are the kind that cure. Ask for them and refuse all others.

CONGRESS DEBATES

(Continued from the First Page.)

would have no effect upon senators who differed from me. This contention has been going on for two years, and it will have to be determined ultimately by the supreme court. Then we shall have a settlement of the question to which we all will bow."

Continning, Mr. Foraker said: "If we cannot levy a duty on the products of Porto Rico, we cannot levy a duty on the products of the Philippines."

Mr. Hoar said the thing to do now was to make an appropriation of money sufficient to relieve the distress of the Porto Ricans. That course would be definite and there would be no delay nor inhumanity in it. He appealed to Mr. Foraker not to insist upon a contrary course and thus "keep bread out of the mouths of the starving people for whom he had made so eloquent an appeal by the tedious process proposed by him."

The discussion of the questions of constitutionality involved in the bill was continued until about 5 o'cloek. Mr. Hoar made the closing observation, taking sharp issue with the principles enunciated by Mr. Foraker. The doctrine proposed to be applied to Porto Rico and the Philippines, he said, would not result in a despotism because it was to be carried into effect by moral men of high civilization.

Mr. Bacon of Georgia introduced an amendment to the Porto Ricanbill extending the customs laws of the United States to Porto Rico and adding the following provisions:

There shall in accordance with sec, 8. art. 1. of the constitution of the United States, be no duty or imposts levied, collected or paid upon any articles imported into Porto Rico from any part of the United States, and no duties or imposts shall be levied collected or paid upon any articles imported into any port of the United States from Porto Rico.

LETTERS FROM AFRICA

(Continued From the First Page)

only to be given and we should be able to shell Colesburg right out in a very little while, but I don't exactly think that is the General's intention, at least not at present.

There is a rumour afloat that we are going up to Modder River, but how true this is I cannot say. I think I should rather like the change because we have been here on and off since the 1st] of January and the dust is frightful here. At times it comes over like a London fog, but red, and you can feel the grit too and no mistake. Then it is with one's eyes, ears and mouth full, fairly parched and nothing to wet it with but water.

Well, taking things on the whole and South Africa with it, it is not such a frightful country after all, although the atmosphere is very dry, very hot in the day and bitter cold at night.

Up to the present I can say I have fairly good health. If I continue I shall be very well pleased.

Your Nephew,
W. BAYNHAM.

Mrs. Abraham Cook, North River, has received the following interesting letter from her son Wellington D. Cook, who is now a member O. Battery, Royal Horse Artillery, South Africa. Mr. Cook attended Prince of Wales College, this city, some nine years ago, and afterwards worked in the employ of the Telephone Co., for a short time. Near the close of the same year he proceeded to the Military School, Quebec, and at the close of his term joined the Artillery there for three years, at the expiration of which time he crossed to England, joining the Royal Horse Artillery. In November last he arrived in Cape Town, two days previous to the first Canadian Contingent. Mr. Cook writes his aged mother, from Slingersfontein, near Colesburg under date of January 22nd as follows:

DEAR MOTHER.

I received your letter yesterday dated November 9th, and was very pleased to hear from you and Aunt Martha. I had a letter from Scotland the same day, so I was quite full of news for over ten minutes. Your letter was a long time coming. I thought that probably it had been miscarried somewhere. Well Xmas and New Years, have come and gone, I hope you all had a good time. On Christmas day we had a quite time at Arundel, about twenty miles south of here. But on New Years day we had our first big engagement. We started from camp at 5 p. m. on New Years Eve and marched until 9 p. m. We then lay down holding our horses until 2 a. m. New Years day. We then marched until about 4 a. m. when we were fired at by the enemy. We formed up and came into action, and with several different changes of position were in action the whole day until sunset. We marched from dusk until midnight and were off again at 2 a. m. the next morning

This was the hardest day we had. We had one poor chap killed and six wounded in our battery and about ten horses. We have been very busy ever since firing some rounds nearly every day and being fired on, but nothing severe since then. We have had about twenty horses and two men hit. I don't know when it will be all over, but I think we are slowly getting over them. I have not heard from Joe since I last wrote home, but I think he must be all right. He is over a hundred miles from here at Kimberly, so I will have no opportunity of seeing him until it is over at least. I must draw to a close. Excuse dirty paper and pencil. I have no stamps, can't buy any. Tell Aunt Martha I will write. Xmas regards to all.

I remain your affectionate son,
W. D. COOK.

Mr. Cook's brother Joe, referred to above, went, with the first Contingent from Winnipeg, where he had gone three years ago to learn electrical engineering. Previous to this both he and Wellington resided with Mr. D. A. Bears, North River. for nine years each, where their aged mother now resides.

Two severe cases that were completely cured by the Great Blood Purifier and Healer,

Burdock BLOOD BITTERS

Suffered 11 Years. For over eleven years suffered with Dyspepsia and tried everything I could think of but was unable to get relief until I took Burdock Blood Bitters. I had only taken one bottle when I commenced to feel better and after taking five or six bottles was entirely well, and have remained so ever since, and feel as though B.B.B. had saved my life.—Mrs. T. G. Joyce, Stanhope, P.E.I.

Covered With Sores. My little boy, aged 3 years, was a complete mass of sores, caused, the doctor said, by bad blood. His head and body were entirely covered with sores, and we could find no cure. Finally I got a bottle of Burdock Blood Bitters, and before half the bottle was gone he began to improve and by the time it was finished there was not a sore on him.

I used the B.B.B. as a wash as well as internally, and it seemed to give instant relief as soon as it was put on.—Philip Mitchell, St. Mary's, Ont.
