Queen's Canadian Fund Donations

AMHERST, Sept. 3 — Through the efforts of the Maritime photo-finishers the Salvage Fund of The Maritime Professional Photographers' Association, administered by Ronald P. Smith, has made a $50.00 contribution to the Queen's Canadian Fund. Twenty dollars is being allocated to both Nova Scotia and New Brunswick provincial branches while the remaining $10. is being donated to the Charlottetown branch.

The fund was established by Highlights of the East, official monthly journal of the association, in January, 1942, and today the organization has raised voluntarily among the members of the photo finishing industry $246.00 This sum has been realized entirely from the payments received on shipments of salvaged metal film spools. Last October a sum of $75.00 was voted also to the Queen's Canadian Fund.

Since the salvage campaign was inaugurated approximately four tons of spools have been returned to Toronto where they are refinished and used again by the film manufacturer in order to keep the "snap-shot" industry functioning. During the last year 5,000 lbs. have been salvaged and $135.13 has been received by the fund. The film manufacturer declared recently that the Maritime photo-finishers salvage effort has been equal in ratio to any other section in Canada. The firm also stated that the promotional and publicity work being done in the interests of salvage of film spools by Highlights of the East was the most effective and efficient system in Canada.

A portion of the M. P. P. A. Salvage Fund is also being used to supply the sons and daughters and former employees of studio owners, who are serving in Canada or overseas, with cigarettes, chocolates and other comforts. Similarly for the past three consecutive years the association has voted $25.00 to aid in relieving those British photographers who were bombed out of their business and homes during the air-blitz over England.

The following is a list of the photographers and photo - finishers who have been supporting and responsible for making the M. P. P. A. Salvage Fund a success: Atlantic Photo Supply, Halifax; John Cliffe, Springhill; Cormier Studio, Bathurst; Georgia Cunningham, Bridgetown; Harry O. Dodge, Sydney; J. E. Garnhum Charlottetown; Edson Graham, Wolfville; John E. Knickle, Lunenburg; G. A. Mercereau, Newcastle; MacDonald and Palmer, Sussex; Photo-Ette Studio, Moncton; The Harvey Studio, Fredericton; The Pridham Studio, Amherst; Lorne H. Read, Summerside D. T. Shedden, Grace Bay; The Smith Studio, Sackville; E. R. Wilcox, Moncton; Wilson's Drug Store, Berwick; Paul Yates, Digby.

"My Friend Flicka" Capitol, Summerside

—Filmed in vivid Technicolor amid the craggy mountains of Utah, the screen version of Mary O'Hara's popular novel, "My Friend Flicka" is a classically simple story.

With Roddy McDowell, Preston Foster and Rita Johnson featured, the 20th Century-Fox picture opened last night at the Capitol Theatre to an enthusiastic audience. Capturing the spirit of today's glorious West, the deep and tender love of its women, and the courage of its rugged men, "My Friend Flicka" is filled with swift and tumultuous action.

Touchingly and effectively told is the tale of the sensitive young lad and his love for the filly, Flicka. Roddy McDowall adds to his reputation in a well-rounded performance of the lad whose youthful shortcomings are the bane of his strong-willed father—Preston Foster.

Though his mother, Rita Johnson, it takes the appearance of Flicka to bring all three together—with the realization that understanding is the basis of a happy family relationship.

Vaughan of the Wartime Prices and Trade Board, Ottawa said yesterday. He was on a routine visit to the Province. In the distribution of ration books, recently completed, Islanders generally showed great appreciation of the voluntary work being done by local ration boards. While final figures are not yet available it is believed that the proportion of the population who came into distributing centres to get their books, was greater than in other parts of the country. "This is an example of how the majority of people are doing their best to co-operate" Mr. Vaughan said. He also referred to the fact that the percentage of prosecutions in this province was the lowest in Canada so far.

Local Chinese Contribute Generously

Lee Gin, Proprietor of the Dominion Cafe, City, yesterday presented a cheque for $445.00 to the Treasurer of the Chinese War Relief Fund. This was the proceeds of a canvass Mr. Gin made among his fellow countrymen here. A substantial amount was also raised in Summerside by Mr. Dan Chan of Chan's Restaurant. These gentlemen both of whom are well educated and a credit to their race, expressed their deep gratitude to the people of this Province for their interest in China and their desire to send her relief. Notwithstanding the fact that they have been sending all the money they could spare to their home folks in the much bombed city of Chungking and other towns ever since their country became involved in war six years ago, Mr. Gin said the Chinese people here wanted to do their share in making this appeal for the War Relief Fund a success.

The Committee feel that with this evidence of co-operation and spirit of thankfulness on the part of the Chinese residents, the people of this Province will readily respond to the appeal and reach the objective set for them as they have reached every other objective in the past.

The campaign closes September 6th and it is earnestly requested that all committees complete their canvass and send their returns to the Hon. Treasurer W. R. Cruikshank, Manager, Royal Bank, Charlottetown, at the earliest possible moment.

Big Exhibition at Alberton Yesterday

Fine weather slightly spoiled by a slight shower of rain, prevailed yesterday to make the annual exhibition at Alberton a success with a good crowd in attendance and exhibits above the average in quality but slightly lower in quantity, due to the shortage of help and the wet season which held the farmers back.

The exhibition was opened by His Honor, the Lieutenant Governor and addresses were given by the premier and Minister of Agriculture, The Hon. Walter Jones and the Minister of Public Works, the Hon. George Barbour. The Mayor of Alberton, Mr. Wilfred Tanton, extended a few words of welcome and the President of the Alberton Prince County Exhibition Association, Mr. A. D. O'Brien, Elmsdale, also spoke. A very interesting talk was given by the Rev. Sidney Bonnell of New York.

The cattle exhibits were down in numbers but higher in quality. The largest exhibitor of cattle was Fred Ramsay, Montrose, who was also the largest prize winner, taking many ribbons with his fine herd of Herefords. Another fine showing was by Jesse Matthew and Son of Alberton, who have a herd of Jerseys. A new exhibitor this year was Gordon White, Alberton, who also has a fine herd of Jerseys. The judges were Stewart Wright and Lloyd Lockerby of the Provincial Department of Agriculture.

The horses this year were of an unusually fine quality, so much so that Premier Jones particularly complimented the exhibitors on the fine showing. As there were many small exhibitors there was no outstanding prize winner. The Judge was Cecil Stewart of Hampshire.

The hogs were also much better than formerly and also increased in quantity. Don Campbell, Alberton, was the largest winner followed by Victor Campbell, Mill River.

Sheep this year were down in quantity, due principally to the fact that the sheep buyers had been around the area last week and had bought up most of the shep. The quality, however, was good.

There was a very good showing of poultry with the quantity increased over last year.

In the Domestic Science Division the cooking and preserves were much smaller in quantity than in previous years due principally to war time restrictions.

There was an excellent showing of handicrafts, which were of a very high standard. There was a very small showing of grains, roots and vegetables due to the lateness of the season and to the fact that the exhibition was held at an earlier date this year than in other years. However, what were shown were very good in quality.

Supper was served by the ladies of different Red Cross units and the entire proceeds went to the Red Cross.—S.
