Miss Whittaker, a prominent club woman of Savannah, Ga., tells how she was entirely cured of ovarian troubles by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—I heartily recommend Lydia E. Pinkham's Vegetable Compound as a Uterine Tonic and Regulator. I suffered for four years with irregularities and Uterine troubles. No one but those who have experienced this dreadful agony can form any idea of the physical and mental misery those endure who are thus afflicted. Your Vegetable Compound cured me within three months. I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to be able to obtain such a remedy when so many doctors fail to help you. Lydia E. Pinkham's Vegetable Compound is better than any doctor or medicine I ever had. Very truly yours, MISS EARLY WHITTAKER, 404 39th St., W. Savannah, Ga. —\$6000 Perfit if original of above letter proving genuineness cannot be produced. The testimonials which we are constantly publishing from grateful women prove beyond a doubt the power of Lydia E. Pinkham's Vegetable Compound to conquer female diseases.

THE CLUBWOMAN.

The Knowledge of the Kansas Variety—Her Domestic Lore. No talk about the Kansas woman would be complete without a word to the clubwoman, several thousand of her. The most remarkable thing about the Kansas clubwoman is the awe inspiring, all embracing of her knowledge. She knows all about Buddha, Browning or buckwheat cakes and can talk with equal fluency about the higher criticism or the hired girl. She can tell you with the same readiness the date of the Italian renaissance or the day and hour when her first baby cut its first tooth. She is equally capable of figuring out the next transit of Venus or of cutting a shirt waist from a yard and three-quarters of goods by a pattern that calls for three yards and a half. Unlike Horatio, there are few things in heaven or earth of which her philosophy has not dreamed, and what she has "dared to dream of she has dared to do." Public parks and fountains, kindergartens and restrooms for farmers' wives, industrial schools, traveling libraries and art galleries, scholarships in high schools and universities, improved civic conditions and beautified schoolrooms—these are some of the dreams she has transformed into realities, and her work is only well begun. The woman's club has ceased to be an experiment and a jest and has become a nucleus of altruistic activity, the center of an ever widening circle whose circumference will one day touch the stars.—Mrs. H. P. Willson.

A GRAND SHOWING.

Andrew F. Gault, a prominent merchant and manufacturer of Montreal, insured his life in the Mutual Life Insurance Company of New York. He was required to pay the sum of \$16.90 per \$1,000.00 each year. Recently Mr. Gault died and the Company paid to his heirs, not only the original insurance of \$1,000.00, but \$1,424.00 in addition, making in all \$2,424.00. Mr. Gault paid fifty-two annual premiums, amounting to \$878.80; the Company returned in dividends \$545.20 more than it received in premiums from the insured.

Mr. Gault was insured under another policy in the same Company for a like amount, taken out a few years later, on which he paid forty-nine annual premiums of \$18.28, amounting to \$895.72. Dividend additions to this policy were \$1,238.00 or \$342.28 in excess of total premiums paid.
