MONTREAL, Que., July 23—The gross revenues for the all inclusive Canadian National Railways system for the week ending July 21st, 1942, were $7,487,000 as compared with $5,845,000 for the corresponding week of 1941, an increase of $1,642,000 or 28.1 percent.

## District Convention At Victoria

The fifteenth Annual Convention of Victoria, Crapaud, Cape Traverse, Carleton, North Tryon, Westmorland, Augustine Cove and Maple Plains Womens Institutes was held in Victoria Hall on Thursday afternoon, July 9th.

The meeting opened with the president, Miss Grace Webster in the chair. The presidents of the Institutes present were called to the platform. After singing the "Institute Ode" and repeating the "Club Women's Creed" in unison, the address of welcome was given by Mrs. Heath MacVittie of the Westmorland Institute. This was responded to by Mrs. Murchison, of Victoria.

The minutes of the last annual meeting were read by the secretary, and approved. The President then gave a report of the year's work. This was followed by the election of officers for the ensuing year, namely: President, Mrs. Gorden Harvey, Cape Traverse, Vice-President, Mrs. Alva Walsh, Maple Plains, Secretary, Mrs. Erle Thomson, Carleton. Roll was called, and answered by members of different Institutes standing, and the report of each Institute was read by its secretary. Each report showed how enthusiastically our Institutes are contributing to the war effort.

Miss MacDonald, the guest speaker of the afternoon session, gave a very instructive and helpful talk on nutrition, emphasizing the protein, fuel, regulating (vitamins and minerals) and protective values in the different foods. She stressed the necessity of all getting the right amount of vitamins in the food we eat in order to keep our bodies healthful. She urged the importance of Girls' Sewing Clubs in the different communities. She also told of the Special Women's Institute War Savings' Folder, and stressed the importance of the Institute to use them and contact the individuals of the district, and aim for regular war certificate buying.

A very successful demonstration was put on by the North Tryon Women's Institute on "Household Hints and Aids." The meeting was thrown open for discussion, and some helpful hints were given by the members present.

Before the motion for adjournment, all members were asked to observe one minute silence in memory of our two departed sister members, Mrs. Rodd of Victoria, and Mrs. Hugh Walker, Albany. At the conclusion of the session tea was served by the ladies of Westmorland, and greatly enjoyed by all.

The Layettes for Britain from the different Institutes were on display. That from Augustine Cove was splendid and deserved special mention.

The evening meeting with the President in charge opened by singing "O Canada." The minutes of the afternoon meeting were read and adopted. The president then introduced the officers for the ensuing year. The following program was then presented:

Solo, Miss Lena MacLure, Charlottetown. "I Love a Little Cottage. Reading, Miss Olga Walsh, "A Hundred Years Ago, and Today. Red, White and Blue Drill and Singing, young girls of Augustine Cove.

Mrs. Keith Rogers, Charlottetown, guest speaker, for the evening gave a very interesting talk, on "Women and Education," showing the difference between yesterday and to-day. She indicated that the women would have to educate themselves to a new day that lies ahead in the scientific world. She suggested that the book "Man of The Unknown" by Alexis Carroll would be a good study book for the Institute groups.

Cape Traverse Institute then delighted the audience with an old fashioned dance. Dialogue, by Maple Plains. Collection. Solo, Mrs. (Dr.) Callbeck, Come Beloved (encore. The White Cliffs of Dover). A hearty vote of thanks was tendered to Mrs. Rogers and all those who helped to make the convention a success. The collection of $3.85 after expenses were taken out was sent to the T. B. League. The meeting closed with the singing of the National Anthem.

## CROP REPORT

WINNIPEG, Man., July 24—Practically every part of Western Canada reports good to heavy rains during the past week, warmer weather, little or no damage to crops and every prospect of one of the heaviest yields yet recorded according to the Weekly Crop Report of the Department of Agriculture of the Canadian National Railways. In the southern districts much warmer weather is hastening maturity. Cutting of rye has started in a few districts and harvesting of rye and barley should be well under way within a week. Wheat is from a week to ten days later than usual, and requires continued hot days for maturity particularly in view of the heavy stand of straw there is every prospect of an exceptionally good crop of all grains except flax which is late and appears light.

Manitoba has experienced quite heavy rains in the south and rye and barley cutting should start this weekend. Wheat cutting may commence about August 7th and later in the northern districts where warmer weather is urgently required. Stands of all grains are uniformly good though somewhat late and beets have come along very well, no damage is reported from any source. Saskatchewan has one of the most uniformly good crops in its history though from a week to ten days later than usual. Other than a few local hail storms no damage is reported though flax is late and the stand not so uniformly heavy as in the case of other grains due to late Spring frost damage.

Alberta reports light to heavy rains, ample moisture reserve and every prospect of a bumper crop though everywhere from a week to ten days late and requiring continued warm days to hasten maturity. Hay and forage crops are heavy everywhere though haying has been delayed by standing water and frequent rains except for rather heavy losses among alfalfa growers for both hay and seed due to damage by the alfalfa plant bug and crown rot. All forage crops are better than normal.

## Old Home Week and Provincial Live Stock Show Race Program

## CLASSES and EVENTS FOR AFTERNOONS OF AUGUST 11th to 14th.

Below will be found the program of racing to be held in connection with OLD HOME WEEK AND PROVINCIAL LIVE STOCK EXHIBITION. It will be noted that the classes will give every type of trotter and pacer a chance to compete from the Two-Year-Olds to the Free-for-Allers. The Exhibition race track will be put in the finest possible condition and it is confidently expected that one at least, of the track records will be broken.

Every effort will be made to have a vaudeville program in keeping with the excellent race program, and tentative arrangements have been made with George A. Hamid, New York, for an outstanding vaudeville contract which will include the world's greatest roller skating act—Helen Reynolds Roller Skating Troupe. Another act that has been creating a tremendous sensation in some of the largest cities is The Great Fussner. The Sensational Waldos is a Ringling Bros. act that is one of the best. There will be a magnificent Revue known as the American Swing Follies of 1942, with beautiful dancing girls, good singers and other specialties. A number of other acts have been contracted for and the whole program will be such as will please our spectators.

The harness racing program is expected to bring together over 100 of the best race horses in the Maritimes. All the owners like to come to Charlottetown. Prince Edward Island people are always friendly to the horsemen and give them a great reception and applaud a good race.

The vaudeville acts will be interspersed between the heats of the harness horse racing in the afternoons and there will not be a dull moment from start to finish.

In the evening there will be a horse Show and other riding events in the brilliantly lighted arena. The vaudeville acts will show up in splendid relief lighted as they will be with colored lights and beautiful background. A Master of Ceremonies will keep the show moving right along and singers of excellent reputation will also fill in between acts. The evening shows will be spectacles of more than ordinary interest and will indeed attract tremendous audiences. From all parts of the Maritimes parties are planning to come to Charlottetown, so those catering to guests can be assured that Old Home Week and Provincial Exhibition should bring them as good patronage as last year.

In these times of anxiety and strain when one is liable to concentrate overmuch on news of war events, it is well to take some relaxation. In Margaret Currie's column of the Montreal Daily Star this occurs:—"Believe it or not, but a prominent Montreal Doctor told me the other day that he and his colleagues were seriously disturbed about the increase in 'nerves' among their patients. There were many people on whom the war had a profound emotional effect . . .one psychiatrist suggested that when you begin to feel jittery you should get outdoors, engage in some sort of active exercise, seek out your friends, read something light, go to an amusing picture or just—go fishing. In short, try and divert yourself in some way."

Old Home Week and Provincial Livestock Show will furnish you with an opportunity to chase away your troubles and worries, give healthy relaxation, "so pack up your troubles in your old kit bag" and take in one or more afternoons and evenings of Old Home Week, August 11th to 14th.

### GENERAL CONDITIONS

(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10 per cent of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winners. Any horse winning the first two heats in any race shall relinquish pole position and assume last scoring position.

All purses divided 40, 30, 18 and 12 per cent. Entry fee 5 per cent. Five per cent of the money raced for each heat will be deducted from the first and second horses; 3 per cent from the third horse and 2 per cent from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Rights reserved to change program, reject any entry, or if entry appears to lay over the field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, reopen or substitute another without advertising, or alter or extend racing dates.

Purse money will not be paid to anyone except owner unless an order from owner authorizing same is presented.

Additional entries of an individual ownership may be made in any class by the payment of 1 per cent on closing date, but entries of separate ownership, although in the same stable must pay installment in full.

Two entries of the same ownership may start in the same race, providing the full 5 per cent is paid on each starter, the drivers having the approval of the judges.

All horses with names of drivers will be declared in at 11 o'clock a. m., the day prior to the race, when positions will be drawn to enable us to print score cards with actual starters.

Eligibility based on U.S.T.A., money winning classification.

Rights reserved to give or extend credit for entries or other purposes.

The Exhibition Association assumes no responsibility for any accident or damage to any person or property during this meeting, and this understanding is part of this contract. Owners must assume any damage to property or persons caused by drivers, attendants or horse.

Hay, straw and stabling free.

Races called at 2 P. M.

U.S.T.A. rules to govern except where they or changes due to war regulations conflict with these conditions. Be sure and bring your eligibility certificates and driver's license.

### THE OFFICIALS

The officials will be selected for their experience and reliability and will be instructed to carry out the rules firmly and fairly. All purse money will be paid immediately after the race and horsemen are asked to get same from Secretary before leaving.

### PRESENTATION OF PRIZE MONEY

Friday evening on or about 8.30 o'clock the President will award special ribbons, prizes to the winning owners, drivers and caretakers, at the Judges stand and those winning awards will please be on hand to receive them.
