FARM LIGHTING PLANTS

There is no one thing on any farm which will so add to the comfort and profit of farm life as a lighting system.

Nothing lightens the work so much—your house is lighted—you can enjoy your reading better. Your stables are lighted—the work there is made easy and pleasant.

No dirty and dangerous lanterns to carry around. And all this without cost after the system is installed—you charge the batteries while you use the engine to run the separator, pump, or churn.

We sell the famous FAIRBANKS MORSE LIGHTING SYSTEM—proved to be the most efficient and economical lighting system manufactured.

Easy to buy—the price is low. Easy to run—no attention required except to see that kerosene is in the tank—starts and stops on pressure of a button.

Call at The Gray Dart Show Rooms at 159 Queen Street, and let us show you the plant in operation.

Sales on easy terms—the plant will pay for itself. Drop a line and we will call.

Dominion Income Tax Returns

This year the Dominion Government has imposed very heavy penalties upon persons sending in incorrect returns.

For instance:—If the income is understated up to one-tenth the real income the fine is 10 per cent interest on the deficiency.

If understated by more than 10 per cent but less than 20 per cent the fine is HALF THE AMOUNT OF INCOME OMITTED.

If the deficiency is 20 per cent or more, THE WHOLE OF THE UNREPORTED INCOME IS TAKEN.

A false statement may be punished with a \$10,000.00 fine and six months in jail.

If late in sending in return 25 per cent is added to tax.

You must not wait till asked for tax, nor leave the calculation of its amount to Government officials. You must ask for proper form.

All returns must be in by April 30th next, accompanied by at least one-fourth of actual tax reckoned liable for.

Take no chances. Your return must be perfectly accurate to avoid HEAVY PENALTIES. Do not delay. Attend to this important matter at once.

Apply to undersigned for information and advice.
