### PHYSICIAN'S MISTAKE.

Nearly Cost a Kingston Lady Her Life—Dodd's Kidney Pills Cured Her.

Kingston, Ont., Dec. 15th.—(Special.)—A Physician's mistake nearly cost Mrs. S. Lake, 112 Clarence street, her life. She took an overdose of strychnine with the result that paralysis of the left side, brain, arm and limb ensued and she was in a most deplorable condition in which, despite the efforts of many physicians, she remained for three years. Then she was induced to use Dodd's Kidney Pills. Of the result she says: "I started on three Pills three times a day. I soon began to experience a change for the better which continued until I regained the use of my hand, arm and limb. My headache also ceased and my appetite returned. From this I soon picked up flesh and strength till I am as well as ever. I thank God and Dodd's Kidney Pills for my health."

A man and his wife came to Charlottetown a few weeks ago to buy a fur jacket. He arrived in our store about 3 o'clock p. m. We sold him a jacket in a few minutes. After he made his purchase, he said: I have been reading so many big Fur Advertisements in all the daily papers I thought I would take my time and see all the jackets in town. I came to town early and went into every store in Charlottetown where furs are sold, and I must say you have the largest and best stock of furs in the City. There was only one other store that had a Russia Lamb Jacket as good as the one I bought from you and they wanted \$70 for it. We sold this man one of our famous Russia Lamb Jackets for \$49.50. This is only one instance of what you can save in buying your furs from The Leading Fur House of the Province.—Sentner McLeod & Co.
