Mrs. Burhoe Claims Great Benefit From First Bottle of DRECO—No More Dizzy Spells and Feels Better in Every Way
 Mrs. W. R. Burhoe, of Lot 49, Alexandra, P. E. I., tells an interesting story of help received from Dreco, the famous herbal remedy that acts so beneficially in all cases of digestive ailments.

"I was a great sufferer from stomach trouble and indigestion," says Mrs. Burhoe. "Dizzy spells would attack me and at times I would have to go to bed for days at a time. Pains through my stomach and gas formations caused me great distress and my appetite was very poor. I also suffered a great deal from constipation and for a long while it seemed as if no medicine would help me."
 "I have only taken one bottle of Dreco and am feeling greatly relieved. Can eat most anything now without gas bothering me and have no more dizzy spells. In fact, I am feeling like a new woman. I am not entirely well, but am continuing the full Dreco treatment, as I received such wonderful help in so short a time from one bottle, I cannot praise Dreco too highly."

Dreco acts on the vital organs of digestion and quickly relieves constipation, aids digestion, arouses a sluggish liver, strengthens the kidneys and benefits the health generally. It is a reliable tonic and regulator, made from herbs, roots, bark and leaves and contains no mercury, potash or habit forming drugs.

Dreco is being specially introduced in Charlottetown by E. A. Foster. It is also sold in Summerside by Gallant Drug Co., Limited, in Montague by H. J. Mabon, in Souris by Souris Drug Co., and by a good druggist everywhere.

Yacht Race Saturday

The first of the series of races to be held by the Charlottetown Yacht Club for the H. V. Buntain cup will be raced on Saturday afternoon at 2.30 p. m.
 Competition is deep and a great race is expected, the sails of the contesting boats have been measured to see that no boat carries more than the 200 sq. feet allowed in the rules.
 The new boats will start Saturday on the Sheik, a new boat designed and built by Edw. Flynn and is of very racy lines, and should be a strong contender for the cup. The other boat named Columbia is owned by Capt. M. Egan and is a speedy craft, she was built last Fall by John Bowden and sailed well in the trials. The Columbia is being fitted out and will be on hand Saturday, her performance will be watched with interest.
 The H. B. C. boat has been changed from Cat rig to sloop, and should make a much better showing with the jib and mizzen.
 Messrs. J. C. Moran, Jas. King and Thos. Louie will handle the race, and the course will be around boat of Railway Wharf, to red buoy known as Redbank No 3 and black buoy off Victoria Park. The race will start and finish off Connelly's Wharf.

Madison Double Score on Abbies Last Evening

A large and enthusiastic number of fans turned out last evening when the Madisons defeated the Abegweit nine on the C. A. A. diamond by a score of 10 to 5 in what was without doubt one of the best baseball fixtures yet staged this season.
 The game got away at 5.50 the Madisons taking the field.
 In the first innings both teams started out strong giving good exhibitions both in batting and fielding. Moore was the first to cross the plate while Diamond of the Madisons evened up reaching home on a long left field drive.
 The Madisons in the second inning added two more runs Garrick and Cameron both succeeding in reaching the home plate.
 The third inning was marked with some splendid batting by both teams but the Madison outfielders played good form and the Abbies were forced to retire without any additional runs. The Madisons on coming to bat began to make things interesting and only after Francis, Ross and Garrick crossed the plate were they forced to again take the field.
 At the beginning of the fourth the score stood 6-1 and it looked as if the Madisons would come out on the long side by a margin. Arsenault and Gordon of the Abbies however put their team on a better running basis and the inning ended 7-3. McQuaid of the Madisons having reached home.
 During the next three innings which was featured by some snappy field work by both teams the Madisons continued to increase their score and the Abbies came to bat in the eighth seven runs in arrears of their opponents.
 In the eighth and ninth the Abbies held their own while the Madisons retired to the field in the last with a total score of five runs.
 The game was satisfactorily handled by Mr. Frank McDonald as umpire and Mr. Jack McAleer as base judge.
 The Abbies will line up again to night against the L. O. C. game to start at the regular time.

FATHER FINN A GREAT LEADER

Paulist Choristers Scored a Great Success at His Majesty's Theatre Sherbrooke, Que. Friday, June 9th.

What has been called, "the most magnificent concert ever held in Sherbrooke, Que.", was that given by The Paulist Choristers of New York, under the masterful direction of Father Finn.
 In commenting on this concert the Sherbrooke Daily Record says: "The only analogy which seems to completely describe Father Finn in action, is that of a skilled organist at his instrument. He plays upon the keys and stops with perfect accuracy and at all heights."
 The outstanding soloists of The Paulist Choir, are Mr. Fenwick Newell, who possesses one of the finest tenor voices heard in Sherbrooke in a long, long time, and Master Jackie Huber. His voice is clear, natural, taking the high and low notes with perfect ease. The most remarkable part of his singing, however is his dramatic interpretation of his selections, for he shows all the art and power in this direction of a veteran singer.
 To publish all the splendid reports of the wonderful concert of the Paulist Choristers at Sherbrooke, would take too much space, but all patrons, and lovers of music, who take advantage of the opportunity of hearing this wonderful choir at the Prince Edward Theatre, Monday evening, June 18th, will be amply repaid. Seats are now on sale at the theatre. The concert will start at 8.15 sharp Monday evening.
