Souris Hospital Ladies Auxiliary Meets

The monthly meeting of the Ladies Auxiliary, Souris Hospital, was held in the hospital dining room on Thursday evening Dec. 1 with an attendance of eight members. The president, Mrs. H. G. Matthews called the meeting to order with the minutes of the November meeting read by the secretary. The treasurer, Mrs. William Poole gave her report showing a very substantial bank balance with very few outstanding bills.

Mrs. R. C. McLean, convener of buying committee reported having purchased stools for the hospital kitchen. A large quantity of sewing and mending had been done by Mrs. Donahue during her visit to the hospital. This was greatly appreciated by the members. The matron, Miss Margaret Donahue, was present at the meeting and reported donations of vegetables, canned goods, etc. from the East Point and Kingsboro districts. Also presented were a list of articles needed for the hospital. The buying committee was asked to purchase these; also the turkeys for the Christmas dinners at the hospital.

A successful parcel Bingo was held in the Legion Hall sponsored by the Hospital auxiliary on Nov. 15th. Receipts amounted to \$56.76. Correspondence read at the meeting was the report of the Maritime Hospital convention, and which contained our annual hospital report. No further business, the meeting adjourned.

"CANADIAN PACIFIC" BLAZES WITH THRILLS OF ROUSING ADVENTURE FILMED IN STUNNING CINECOLOR

One of the greatest and most stirring feats of modern times—the forging of a railroad over the rugged mountains and treacherous valleys of Canada's Rocky Mountains and against the bitter opposition of hostile frontiersmen, serves as the background for one of the most thrilling motion pictures of the year. The picture, "Canadian Pacific," starring Randolph Scott and photographed in stunning color by Cinecolor, is currently being shown at the Prince Edward Theatre. Out of man's battle against the forces of nature, and against other men who for their own selfish reasons bitterly fought against progress, Producer Nat Holt and Director Edwin L. Marin have brought a human drama of forceful impact and excitement.
