JUST A REMINDER.

Lest You May be Deceived by Dealers Who Offer You Substitutes and Imitations of

DR. CHASE'S SYRUP OF LINSEED AND TURPENTINE.

Cough mixtures are legion. Nearly every dealer has some preparation of his own to offer. Thorough cures for coughs and colds are rare, and you find a medicine that you can rely on for such affections, as well as croup, whooping cough, bronchitis, and asthma, you do well to stick to it. Dr. Chase's Syrup of Linseed and Turpentine has by far the largest sale of any such remedy on the market, and as the demand increases by leaps and bounds every year we believe that this is due to the peculiar merit of this preparation. You need only to be reminded that it is sometimes necessary to insist on getting what you ask for. Dealers have other preparations of linseed and turpentine put up to look as nearly as possible like Dr. Chase's and because of larger profits may try to induce you to try the imitation. There is one way to be sure, and that is by seeing the portrait and signature of Dr. Chase on the wrapper. Do not be contented to take any preparation offered you because it is "only a cold." Colds lead to the most fatal of diseases, and you cannot afford to take risks with new and untried treatments. From childhood to old age, from the time when croup threatens, the baby's life until the aged mother or father are victims of asthma, Dr. Chase's Syrup of Linseed and Turpentine is the most effective treatment obtainable; 25¢ a bottle, at all dealers, or Edmanston, Bates & Co., Toronto.

"All the older people seemed to like George so much at the children's party." "Any particular reason for it?" "Why, I didn't notice it until after the hostess asked him if he wouldn't recite something, and he replied that he didn't know anything to recite."

Minard's Liniment For Rheumatism.
"No," said Mr. Cumrux, reflectively, "we had Jesse James and the Biddle boys, but we're a little behind Paris in some respects, we haven't as yet equalled the Humberts—Washington Star."

If a child eats ravenously, grinds the teeth at night and picks its nose, you may almost be certain it has worms and should administer without delay Dr. Low's Pleasant Worm Syrup, this remedy soon takes its own cathartic.

"But really you are getting seedy," persisted Mrs. Naggin. "Just look at your hair. How long is it since you've had it cut?" "I don't know," he answered, "I haven't measured it."

Minard's Liniment Cures LaGrippe.
"If you kiss me again sir, I shall call my mother."

"What's the use of that?" said Cholle Freshie; you know I'd prefer to kiss you, and, besides, your father might object to me kissing the old lady."

For Cuts, Wounds, Chills, Chapped Hand, Rheumatism, Stiff Joints, Burns, Scalds, Bites of Insects, Croup, Coughs, Cold, Baggy's Yellow Oil will be found an excellent remedy. Price 25 cents. All dealers.

They were talking about the various methods of celebrating the passing of the old year and the coming of the new. "Did you ever dance the old year out and the new one in?" he asked. "Yes, indeed, scores of times," she replied.

Minard's Liniment The Best Hair Restorer.
Mrs. Upjohn—"What beautiful floors! How do you keep them so nicely polished?" Mrs. Gaswell (giving her the key glare)—"I don't; I leave that to the housemaid."

FOUND AT LAST.
A liver pill that is small and pure, that acts gently, quickly and thoroughly, which does not gripe. Laxa-Liver Pills possess these qualities, and are a sure cure for Liver Complaint, Constipation, Sick Headache, etc.

Sunday School Teacher—"Tommy, I am glad to hear that you don't read dime novels. Why is it though?" Tommy—"Cos I knows a place where I kin get em' three for a dime."

CHARLOTTETOWN, P. E. I., Dec. 12th, 1901. WILLIAM McCABE, Esq., Managing Director, North American Life Assurance Co.,

DEAR SIR, I beg to acknowledge through your Manager for this Province, Mr. J. K. Ross, receipt of Paid-up Policies for \$4,005.00, in lieu of my Policy No. 425 for \$2,500 on the so-payment Life Plan issued to me 20 years ago by your Company.

On considering the several options offered me, viz:— (1) Cash Surrender Value for amount of \$2,012.66; (2) Paid-up Insurance for amount of \$4,005.00; (3) To withdraw the Surplus of \$348.40 and carry my original policy without further payment of premiums; (4) To take a Life Annuity of \$61.65 and retain the original policy participating in future profits.

I have decided to take the 2nd of such options, viz:—the Paid-up Insurance for \$4,005. Being one of the early insurers in your Company, having become insured when the probabilities might have been surrounded with considerable doubt, I may say that the results have been very satisfactory, and I have much pleasure in congratulating you on the evident good management of your Company.

I am, yours faithfully, F. L. HASZARD.
