SIGNS DESTROYED.

ZION CITY, Ills., May 13—Wilbur Glenn Voliva, overseer and factional leader in Zion City, angered by the destruction of several more of his signs denouncing the users of tobacco, threatened last night to use an armed force if necessary to win his fight. The signs heretofore have been burned. The rain interfered with their destruction by the opponents of Voliva in this manner, and they were chopped into kindling wood yesterday. "I will construct fifty steel signs," said Voliva last night. "Neither time, nor fire, nor flood shall destroy them. As for these 'Skunks' who abuse me, I shall notify them that my signs are to be guarded, and assassins may carry buckshot away with them. It is what they deserve."

MONTREAL'S RIVER TUNNEL

Satisfactory progress is being made with the preliminary arrangements for the tunnel under the St. Lawrence River. South Shore real estate has felt the force of this boom with the result that farms in this locality, some distance from the railway, which two or three years ago were a drug on the market and could easily be purchased at from \$20 to \$80 an acre are now meeting with a ready sale at from \$1,000 to \$1,500 an acre and when the tunnel commences will soar to \$3,000. Town lots are increasing rapidly. Brighton Park, a new sub-division, is one of the best on the market on this South Shore.
