MONTREAL, May 6—(CP)—Losses outweighed the gains in today's drab stock market dealings.

Noranda advanced slightly. Nickel held even. International Pete was favored with a slight improvement but Imperial and McColl Frontenac fell behind a bit. Rails, too, generally were backward.

FINANCE

By Frederick Gardner
Associated Press Financial Writer

NEW YORK, May 6—(AP)—Light selling in the final hour halted a selective stock market rally today and extreme gains running to around 2 points were whittled down or transformed into losses.

Canadian issues were fairly steady. Small improvements were scored by International Nickel, Walkers, Imperial Oil and Lake Shore. Dome was easy while Distillers and Marconi rested stationary.

Transfers of 526,290 shares were the smallest for a five-hour session since March 18, and compared with 1,070,750 last Friday. The Associated Press average of 60 stocks was off .1 of a point at 49.7.

Steels led the upturn, but backed away notwithstanding a more than expected jump of 4 points in this week's mill operations. The estimated rate was 65.8 per cent of capacity, best since February. U. S. Steel ended off 1-4 and Bethlehem finished ahead 1-2.

Safeway Stores and U. S. Rubber were soft spots, showing declines of 2 1-4 and 3 1-2 points, respectively.

General Motors finished up 1-8. Chrysler was down 1-4.

Douglas Aircraft was up 1 1-8.

TORONTO, May 6—(CP)—The stock market was jittery again today and sizeable losses were posted by the gold and the industrial shares. Western oils were only slightly weak and the base metal issues closed higher by .40. Volume was light at 217,000 shares.

There was a flurry in Eldorado on the report that a new mineral had been discovered in Pitchblend. The price advanced 21 cents and 28,000 shares of the stock changed hands.

O'Brien weakened to a new low at $1, Macassa dropped 10 cents and losses of 3 to 5 cents came through for Teck Hughes, God's Lake, Kerr-Addison, Pioneer and Preston. The close was up narrowly for Coniaurum, Pickle Crow and Sigma.

Smelters and Hudson Bay registered minor gains, Falconbridge added 25 and Waite-Amulet added 10 cents. International Nickel slipped back a smal fraction and Steep Rock and Ventures closed down by a few cents.

Losses of a point or more were netted by Bank of Montreal, Bank of Nova Scotia and Bank of Commerce, Gatineau Power, Imperial Bank, International Milling pfd., Westons pfd., Dominion Bridge and Langley's pfd. Brazilian and C. P. R. weakened small fractions.

Anglo-Canadian, Okalta and Davies recorded minor gains and the close was down narrowly for Calgary and Edmonton, Highwood and East Crest. Other western oils were steady. Trading in the group was quiet.

WAR BRIDE MOTHER FEELS NO REGRETS

LONDON, May 6 —(CP) —A war bride herself of the Great War, the mother of a 19-year-old gunner, who was married at Lambeth Register Office to a girl of 17, gave the couple her blessing.

"I think all young couples in love in these difficult days should take their happiness while they can," she told the newspapers.

"I was a war bride, and have never had the slightest reason to regret it."

Sweethearts since childhood, the couple were Gunner Ronald Haddock, and Joyce Foord, both of London boroughs.

The bridegroom, who is 20 next month, and who is expecting to be sent overseas shortly, was granted four day's special honeymoon leave.

Though prices have been lower than in 1929, the value of 1937 output shows the bulk of the depression losses recovered. Available data for 1939 indicates little change from 1937 and physical quantities probably close to 1929. The comparison portrays vividly our growth as an industrial nation since the last war.
