## ABBAY WILL BE SCENE OF SERVICE

### Main Thanksgiving Service For the Re- covery of His Ma- jesty To Be Held In Westminster Abbey.

(Special to the Guardian)  
LONDON, July 5.—While similar  
services take place throughout the  
Empire, Westminster Abbey on Sun-  
day will be the scene of the main  
service of thanksgiving for the re-  
covery of His Majesty. The King  
will attend to offer thanks with his  
subjects and Queen Mary and vir-  
tually the whole royal family will be  
present.  
So far as is possible, those in  
charge of the arrangements have  
striven to eliminate all ostentatious  
ceremony. The number of reserved  
seats in the Abbey has been kept at  
the lowest possible limit and the  
nave will be entirely open to the  
earliest comers. It is hoped the peo-  
ple will attend the thanksgiving ser-  
vices at their customary places of  
worship, or elsewhere in their own  
neighborhood. But undoubtedly  
crowds will witness the services in  
Westminster Abbey.

## RESTORED TO HEALTH

PRAYER OF THANKSGIVING

To be read as part of the official order of ser-  
vice at Westminster Abbey on Sunday, July 7th, in  
thanksgiving to Almighty God for His good Providence  
whereby our Most Gracious Sovereign has  
been delivered from severe illness to the comfort  
of the whole Realm and for the signal love and loy-  
alty of His people made manifest in the time of  
trouble:  
"O Father of mercies and God of all comfort,  
we thank Thee that Thou hast heard the prayers  
of Thy people in this land and across the seas in  
the day of our trial: We praise and magnify Thy  
glorious name for that Thou hast raised Thy ser-  
vant GEORGE, our King from the bed of sickness;  
and we pray Thee to perfect his recovery and to  
crown him day by day with more abundant bless-  
ings both in body and soul, through Jesus Christ  
our Lord. Amen.

"Almighty, and merciful God who are the au-  
thor and giver of all good things, we praise Thee  
for the gifts of strength and courage wherewith  
Thou didst uphold our Gracious Queen Mary; and  
for the guidance of Thy holy and life-giving Spirit  
in the counsels and endeavors of all who watched  
around Thy Servant in his time of sickness.  
"We thank Thee that Thou hast given our King  
the joy and comfort of knowing that he possesses  
the hearts of his people; and we pray that the re-  
membrance of him in thought and prayer made by  
folk of many races and in many lands may give the  
promise of a time when all the people of the world  
shall share their joys and sorrows as members of  
one family in Thee, who art the Father of all.  
"These our thanksgivings and prayers we offer  
and present unto Thee through Jesus Christ our  
Lord, to whom with Thee and the Holy Spirit be all  
honor and glory, world without end. Amen."

## Brilliant Recital Last Evening

A Charlottetown musical audience  
enjoyed a rare treat last evening—  
that of two highly trained artists of  
the Boston Conservatory of Music,  
Miss Rena Wood, former pupil of  
Professor Fletcher and Miss Beth  
Borton, prominent violinist of Boston  
musical circles. The recital took place  
at Hearts Memorial Hall. Owing to  
the inclement weather, there was  
not a very large audience, but those  
present will long remember the event  
as unique among Charlottetown en-  
tertainments.  
To choose specific numbers as  
worthy of special praise would be a  
difficult task amid so many beauti-  
fully rendered selections. However  
the "Sonata" of Handel revealed  
both Miss Wood and Miss Borton  
at their best from the point of view  
of technique and interpretation. With  
regard to the individual numbers,  
the crowning triumph of Miss Wood  
was perhaps "Reflections in the Wat-  
er," (Debussy). Purity and clarity  
members at Government House, from  
4.30 to 6.00 p. m.

## INDEPENDENCE DAY IN LONDON

### Celebration Centred At The American Em- bassy Where Am- bassador Dawes Received More Than a Thou- sand Guests.

(Special to the Guardian)  
LONDON, July 5.—The independ-  
ence celebration in London centered  
at the American Embassy, where  
Ambassador Dawes and Mrs. Dawes  
received more than a thousand guests.  
American residents of the British  
capital and hundreds of American  
tourists met in the flower decked  
home and in the spacious garden in  
the rear where the band of the Irish  
Guards furnished music. The am-  
bassador tonight delivered a brief  
patriotic address at the dinner of  
the American Society in which he  
said the projected naval accord be-  
tween Great Britain and the United  
States was a practical expression to-  
ward realization of world peace.  
Throughout the day the Stars and  
Stripes were in evidence in the prin-  
cipal streets of London.  
In his address at the Independence  
Day dinner of the American Society  
at the Hotel Savoy this evening,  
General Dawes said, "We meet to  
celebrate our national birthday in  
the midst of the great British na-  
tion—among brothers and friends  
who speak the same language, pos-  
sess the same freedom, cherish the  
same aspirations and inherit the  
same traditions, as we do. With past  
differences forgotten, with mutual  
pride in each other's faults—so  
many of which are mutual, we  
stand in this era of reconstruction  
following the cataclysm of a world  
war, each sensing a duty to the oth-  
er and both to the world at large  
to further the ideal of comradeship  
as opposed to force as an arbiter be-  
tween nations."

## PRAYER FOR THE EMPIRE

The following prayer will be  
read as part of the thanksgiving  
service at Westminster Abbey,  
London, tomorrow:  
Almighty God, who rulest in  
the kingdom of men, and hast  
given to our Sovereign Lord,  
King GEORGE, a great dominion  
in all parts of the earth: Draw  
together, we pray Thee, in true  
fellowship the men of divers  
races, languages, and customs,  
who dwell therein, that, bearing  
one another's burdens, and work-  
ing together in brotherly con-  
cord, they may fulfill the pur-  
pose of Thy providence, and set  
forward Thy everlasting king-  
dom; through Jesus Christ Thy  
Son, our Lord, to whom with  
Thee and the Holy Ghost be all  
glory and dominion, world with-  
out end. Amen.

## VISCOUNT CECIL TO REPRESENT GREAT BRITAIN

### Announcement in House of Commons Brought Cheers From Labor Benches.

(Special to the Guardian)  
LONDON, July 5.—Cheers from  
the Labor benches greeted the an-  
nouncement in the House of Com-  
mons this afternoon of the appoint-  
ment of Viscount Cecil to represent  
Great Britain again at the prepara-  
tory disarmament commission of the  
League of Nations, and to attend  
the forthcoming assembly of the  
League. The League assembly dele-  
gation also will include the follow-  
ing: Right Hon. Ramsay MacDon-  
ald, Prime Minister; Right Hon. Ar-  
thur Henderson, Secretary for For-  
eign Affairs; Right Hon. William  
Graham, President of the Board of  
Trade; Mrs. M. A. Hamilton, Labor,  
M. P., Blackburn; Helena Maria  
Swanwick, speaker, lecturer and pub-  
licist.

Viscount Cecil, who was under-se-  
cretary of state for foreign affairs  
and minister of blockade in the war-  
time coalition government and later  
became Lord Privy Seal in the Bal-  
win Conservative government in 1923  
and 1924, has had considerable ex-  
perience at Geneva as a British  
spokesman. He resigned from the dis-  
armament delegation of the British  
government shortly after the collapse  
of the tri-partite naval conference  
at Geneva, in 1927. His resignation  
was a protest against what he con-  
sidered the rigid attitude of the  
British delegation, headed by Right  
Hon. W. C. Bridgeman (now Lord  
Bridgeman) when the impasse be-  
tween Great Britain and the United  
States over cruiser strength was  
reached.

## SIR HENRY IN PICTOU

### C. N. R. President Re- ceived By Town Council And Repres- entative Citizens.

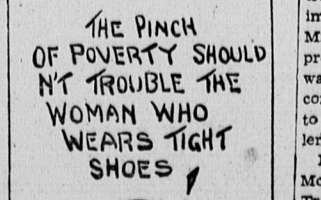

(Special to the Guardian)  
PICTOU, N. S., July 5.—The fact  
that this year we are spending fifty  
million dollars in the Atlantic Re-  
gion—against a total earning power of  
twenty seven millions should show  
what determined efforts we are mak-  
ing to do something for the Mar-  
itime Provinces.  
This was the declaration made by  
W. U. Appleton, General Manager  
Atlantic Region at Pictou, when Sir  
Henry Thornton was received here  
this morning by the town council  
and representative citizens. It was  
another one of those particularly  
happy meetings with the people that  
Sir Henry has enjoyed throughout  
his whole tour of the east and char-  
acterized his present visit every-  
where he has gone. T. L. Scott, chief  
engineer of the Brotherhood of Loc-  
omotive Engineers, conveyed to the  
president of the national system the  
good will and cooperation of railway  
men. He said he saw all throughout  
the road among the trainmen the  
ever increasing desire to give better  
service and to effect economies which  
may come under their own observa-  
tion.  
Mr. Appleton said in reviewing  
what the system was doing for the  
Maritime Provinces that this year  
alone over seven million dollars will  
be spent for track and structure im-  
provement in the Atlantic Region.  
Over one million ties will be used  
and they are replacing one hun-  
dred and seventy two miles of railway  
track. There has been substantial  
improvement of our property, said  
Mr. Appleton, and consequent im-  
provement in train schedules. All this  
was acknowledged by the public and  
compliments were constantly coming  
to them at Moncton on the excel-  
lence of freight services.  
Mayor Priest of Pictou and J. E.  
McKenna, President of the Board of  
Trade, were particularly happy in  
welcoming Sir Henry expressing the  
town's appreciation for the opera-  
tion and the subsequent enlargement  
of the lodge and the efficiency of  
service given by the railway. Sir  
Henry then visited the lodge, received  
a delegation of Pictou citizens who  
were soliciting aid for a hotel and  
visited various interesting places  
in Pictou and environs.

## SHOOTS SON AND DAUGHTER

(Canadian Press)  
LEGHORN, Italy, July 5.—Marchio-  
ness Stroschi Malaspina shot and  
killed her eight year old son Alarico  
and her two and a half year old daughter  
Rosanna, during a late afternoon  
promenade yesterday and then com-  
mitted suicide herself. The Marchio-  
ness was the wife of Marquis Azzolino  
Malaspina, a lieutenant colonel in  
the cavalry, who was on duty in  
Florence.

## 167 HOURS IN THE AIR

(Canadian Press)  
CLEVELAND, Ohio, July 5.—Pilot  
Byrne Newcombe and Roy L. Mitchell  
in the endurance monoplane City of  
Cleveland were within six hours, 31  
minutes and 53 seconds of a new  
world's endurance refueling record at  
5.39 p. m., today as they passed their  
167th consecutive hour in the air.  
At 5.30 they dropped a note asking  
for more gasoline, oil and water, in-  
quired for weather conditions tonight  
and said the motor was running fine.  
In the heavier surr which pounded  
the beach all afternoon the small  
life saving craft was swamped.

## FLIER WAS VERY DRUNK

(Canadian Press)  
MINEOLA, N. Y., July 5.—The  
report of Dr. Alexander G. Goettler  
who made a chemical analysis of the  
vital organs of Wilmer Stultz, trans-  
Atlantic flier who was killed with  
his two passengers in an aeroplane  
accident last Monday, declares the  
man was very drunk at the time of  
his death. The Nassau County pro-  
secutor's office announced Dr. Goett-  
ler's findings today. He made the  
analysis at the order of county offi-  
cials who investigated the accident.  
Stultz and his companions were kill-  
ed when his plane went into a tail  
spin while he was "stunting" at an  
altitude of 300 feet near Roosevelt  
Field.  
The work of Miss Borton showed  
her fine technical training and mus-  
ical insight, her playing being fraught  
with true imagination and intelli-  
gence. The four modern selections  
chosen by Miss Borton were perform-
