CAVENDISH PLAY

Woolworth Heiress Weds

By Richard Mascock,

Associated Press Staff Writer.

PARIS, June 21—(A.P.)—Barbara Woolworth Hutton, her five and 10 cent store millions kept her own by the wedding contract, was married today to Prince Alexis Mdivant of Czarist Georgia.

About 50 relatives and intimate friends filled the little salon in the 16th Arrondissement City Hall, where the perfumery civil ceremony, lasting only two minutes, was performed. A religious wedding will be held Thursday in the Russian Orthodox Church.

The pretty 20-year-old bride, wearing a black pearl platinum engagement ring and smiling happily, said: "I didn't know it would be like this."

It was the most photographed wedding in the memory of French officials. Eighteen cameras recorded every movement of the couple from the signing of the various documents, upon their entrance in the city hall, to the final speech by assistant mayor Daniel Marin, who married them.

Throughout the ceremony, he referred to the bride as the "Princess," paid tribute to her "striking beauty" and described her as representative of the "youth of North America."

He talked briefly of the history of the Georgian Princes—the athletic 29-year-old Alexis; his brother Serge, former husband of Pola Negri and now of the opera singer, Mary McCormic, and Davis, the husband of Mae Murray, and their father, the late Prince Zachary Mdivani, one-time aid-de-camp to the Czar of Russia.

The Princes Serge and David attended the wedding. Their wives, only recently entered suits against them in the United States, Miss McCormic is seeking a separation and Miss Murray a divorce.

The bride brought a large dowry to her husband. But by a marriage contract signed before the ceremony, she retains her private fortune.

DESERIED ON THE SPANISH MAIN

MONTREAL, Que., June 21—

Somewhere along the Spanish Main is "Josephine" of Martinique, feline mascot of the Canadian National vagabond cruiser "Colborne." It is possible that she has lost all of her nine lives, for she hasn't been seen since she deserted. Born in Martinique, she was named for Napoleon's Empress, Josephine, who, it is stated, was also born there, and attained considerable notoriety, having her picture in several papers and magazines. On a recent arrival of the "Colborne" at Montreal it was learned that Josephine had deserted the ship and a new mascot was secured, "Toby," a black cat of a Montreal family, which celebrated the event by giving birth to five kittens aboard the ship.

MAY EXPORT OF BARLEY

The export of barley has been light throughout the present crop year and May was no exception.

The total last month was 123,249 bushels valued at \$42,213, compared with 1,711,716 bushels at \$774,903 in May last year. Almost the entire export went to the United Kingdom.

Farmers Welcome Gulls Return

(Canadian Press)

WOLFVILLE, N. S., June 20—Farmers who till the soil of the Grand Pre meadows turned thankful eyes today on fields white with the gulls of Pundy-gulls fattening on millions of grasshoppers which had threatened to ruin the crops.

Last year marked the return of a grass hopper plague after a lull of 40 seasons. After causing much damage to the hay, the pests attacked the ripening grain and at least half the crop in the Grand Pre area was lost. But in the autumn the gulls discovered the hoppers and helped to save some of the grain.

This year the grasshoppers are back—but the gulls are here in time. According to Robie W. Tufts, migratory bird officer, "those which came to the spread have apparently passed the word to their sisters and their cousins and their aunts."

Conference Is Opened

(Canadian Press)

REGINA, June 20—Two hundred members of the Loyal Orange Benevolent Association, meeting here during the sessions of the Grand Lodge, put in a busy day which included a civic welcome extended by Major McAra and the first business session of the annual conference. There was also an honor tea and reception, sponsored by the Past Mistresses' Association.

MALE GOLFERS BOW TO LONE WOMAN ENTRANT

COLUMBIA, S.C., June 21. — It was just too tough for male golfers when Miss Kathryn Hemphill entered the city championship tourney here.

She was the only woman to register and in the qualifying round turned in the lowest score among 66 players—a 77, five above par and two strokes under two husky men who trailed her with 79 each.

Miss Hemphill recently was runner-up for the Carolinas golfing title at Charleston.

NURSE LOSES 7 LBS.

"I weighed 145 lbs.," writes a nurse, "when I bought the bottle of Kruschen Salts which I have just finished. I have taken a good half-teaspoonful in a glass of hot water every morning. Now I weigh 138 lbs., a loss of 7 lbs. I am very glad to have lost weight, especially without trouble."—M. H. R. (Trained Nurse.)

Unlike most salts, Kruschen isn't simply a laxative. When you take Kruschen Salts you not only stimulate your liver and kidneys to function naturally and perfectly, but you supply every internal organ, gland, nerve and fibre in the body with Nature's own revitalizing and rejuvenating minerals.

Get a bottle of Kruschen Salts today, and take one-half a teaspoon in a glass of hot water every morning before breakfast. Before the bottle is empty you'll feel years younger—eyes will brighten—step grow sprightlier—nerves steadier—you'll sleep sound, enjoy your meals, and after a hard day's work you'll be ready for wholesome recreation—one million women already know all this.

IN MEMORIAM

MRS. GARNET WARREN

A crowded church with many unable to enter told of the sympathy of the entire neighborhood for Garnet Warren of Freetown, as the funeral service for his departed wife was held in the United Church there on Sunday afternoon, June 18th at 2 o'clock. Mrs. Warren had been ailing for about two months, spending the last four weeks in the Prince County Hospital, where she passed away on Saturday, June 17th, another victim of Cancer. Fortunately she suffered little, and in the end passed quietly out. Her remains were deposited in the People's Cemetery, Freetown.

Mrs. Warren's maiden name was Lenora Herron with her home in Charlottetown. She was previously married to John Haslam by whom she had one child, Isabel, now 17 years of age, who has just completed her first year studies in Prince of Wales College. Soon after marrying Mr. Warren some seven years ago, they moved to North Wiltshire where Mr. Warren became foreman for Mr. Howatt. Over four years ago they moved to Freetown when Mr. Warren took over the duties of foreman for Mr. Austin Scales. Three children were born to them since coming to Freetown, one deceased eighteen months ago, George Garnet, two years old, and John Donald six months old.

The Warren family, by their quiet, gentle, kindly ways won the respect and esteem of all who knew them, and were very happy in their own home life. Suddenly into their happiness came the dread disease that has so often proved fatal, and has left a great vacancy. Mrs. Warren was in the prime of life, aged 49, with bright prospects for herself and loved ones when she was so suddenly severed from them. The largest congregation ever seen in the United Church spoke eloquently of the desire of the whole community, of every class and creed, to stand by the bereaved family in their great loss.

The Pall-Bearers were as follows: Clifton Matheson, John Lewis, Everett Schurman, Russell Reeves, Stirling Burns, Goulding Reeves. Mr. Percy Bonness of Summerside officiated as undertaker, and Mr. Nicholson as Minister. Besides her own family there are left as near relatives, a sister, Mrs. Thomas McTavish of Borden, and two brothers Frank Herron of Borden and Albert Herron of Toronto.

Mr. Warren wishes to thank all who assisted in the funeral services, including Mr. J. B. Lewis who rendered a beautiful solo entitled "Shadows", those who sent flowers, and all who so kindly showed their sympathy to himself and family.

SAMSON BAWDRIDGE

The community of Murray Harbor mourns the passing of one of its most beloved and highly respected citizens in the death of Capt. Samson Bawdridge, which occurred at his home on May 23rd.

He was born in Burgeo, Nfld. in the year 1880, where he spent the early years of his life. In the year 1892 he came to this province where he has since resided.

He was a master mariner and followed very successfully his vocation until about twelve years ago, when on account of declining health he retired from his active work. These years of his retirement were also years of intense suffering which he bore with great fortitude, and was cheerful and pleasant through it all, strengthened by his faith and looking forward with joyful anticipation to that day when he would "see his Pilot face to face when he crossed the bar."

Stricken suddenly on the evening of May 21st with paralysis from which he did not regain consciousness, his soul peacefully answered the call of the Great Captain of his salvation to "enter into that rest, which awaits the people of God."

The late Captain Bawdridge was twice married. His first wife, Frances Tripple, of Burgeo, Nfld., predeceased him several years ago. To this union was born two sons and three daughters.

His second marriage was to Mrs. Catherine Weatherbie, of this province. He leaves to mourn his death and cherish the hope of meeting when the tolls of life are over, besides his sorrowing widow, three daughters, and step daughter, Mrs. William McLean, Pictou, N. S.; Miss Malida, and Louise both of Toronto. His two sons, Thomas and George predeceased him several years.

Funeral services were conducted from the Baptist Church of which

Grand Old Railway Man On Summer Visit

(Special to the Guardian)

MONCTON, N. B., June 20—One of Canada's grand old railwaymen in the person of David Pottinger, retired general manager of the Intercolonial Railway, arrived in Moncton today on the Ocean Limited from Montreal to spend the summer at his summer cottage at Shediac Cape, N. B. Mr. Pottinger, who was born in Pictou, N. S., and is eighty-nine years of age, commenced his railway career with the Nova Scotia Railway in July, 1863, when he was employed as a clerk in the mechanical department at Richmond, N. S.

Following the consumation of the confederation pact and the building of the Intercolonial Railway, with which was incorporated the Nova Scotia Railway, Mr. Pottinger was promoted to cashier in 1871, station master in 1872 and in August 1874 was made general storekeeper at Moncton, N. B.

In February, 1879, he was appointed general superintendent and in December 1881 was made general manager of the Intercolonial and Prince Edward Island Railways and when those railways were put under a managing board in April 1910, he was appointed assistant chairman.

He retired from active service in August 1913, since which time he has resided in Montreal during the winter season, making his home at Shediac Cape during the summer.

Mr. Pottinger's career embraced many stages in Canada's railway development. From woodburners he has witnessed locomotives constantly improved and enlarged and similar advances made in other rolling stock. He has also witnessed the Canadian National system expand till it now stretches across Canada from Halifax and Sydney, N. S., and Saint John, N. B., on the Atlantic to Vancouver and Prince Rupert, on the Pacific.

On his arrival in Moncton Mr. Pottinger was greeted by many old railwaymen and acquaintances. Despite his advanced years he is still quite active.

He was a faithful member, by his pastor, Rev. Mr. Pyke, assisted by Rev. Mr. Goudge, and Rev. Mr. Armstrong.

The very large congregation, notwithstanding the very busy season, the floral tributes, and sympathetic expressions of his hosts of friends were indicative of the very high esteem in which the deceased was held.

He sought the highest things in life, his life being exemplary he was beloved, and in his death he is mourned.

MR. JOHN BOYLAN

At noon on Wednesday, June 7th the soul of John Boylan, Lake Verde, silently winged its flight heavenward. After only a few days illness, death came as a great shock to his relatives and many friends.

The late Mr. Boylan was a man of exemplary character, a cheerful and obliging disposition, ever ready to lend a helping hand to a neighbor.

A true and practical Catholic, he was ever present at the services in the Church, no matter what were the conditions of roads and weather.

During his illness his pastor, Rev. P. D. McGuigan was almost continually at his bedside and administered to him the last rites of the Church. Much sympathy is felt for his sorrowing widow, his five small children, Charles, Marion, Gavan, Vera and Agnes, his brothers Terrence and Raymond Boylan, Auburn; his sisters, Mrs. Patrick Callahan, Mrs. Ambrise Callahan, Auburn, and Mrs. George Byrne, Morell, all of whom were present at his deathbed.

The esteem in which he was held was evidenced by the large concourse of people who followed the remains to Saint Joachim's Church, Vernon River, where Requiem High Mass was celebrated by Reverend P. D. MacGuigan, after which all that was mortal of a kind and loving husband and father was laid to rest in the adjoining cemetery. Following were the pall-bearers; E. J. Roache, John Shea, Wm. Redmond, Fred Duffy, Joseph Redmond, Owen Callaghan, R.I.P.

MAY EXPORT OF OATS

The May export of oats totalled 913,761 bushels valued at \$234,183, compared with 1,622,815 bushels valued at \$567,731 in May a year ago. The bulk of the export last month went to Great Britain.
